BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It.

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do no work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system.

They do that which dangerous calomel does without any of the bad after effects. All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without gripping pain or disagreeable effects of any kind.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Dr. Edwards' Olive Tablets are pure vegetable compound mixed with olive oil; you will know them by their olive color.

Take one or two every night for a week and note the effect. 10c and 25c boxes, O.—Adv.

A Few Instructions to Wise Men

If you want to get a suit or overcoat MADE TO ORDER (First)—See that the salesman that sells you the garment is really a tailor or a cutter, as he represents himself to be.

(Second)—See if the merchant tailor carries a large stock of woolsens; then you know that he buys his material in large quantities.

(Third)—Investigate where your clothes are made, then you will know that the firm is reliable and your clothes will be made right and worth the money you pay for them. All this you will find at BROWN BROS., TAILORS, on Alder street, between Second and Third. Take advantage of our THANKSGIVING SPECIAL—of our black and blue serges and chevots at
