

# COPPER ORE IN STATE REPORTED

### H. H. Lotz Notifies Chamber of Important Strike in Santiam Reserve.

### BAD ROADS ARE HANDICAP

#### Value of Ledge Said to Be 17 Per Cent in Mineral and Tunnel 130 Feet Long Declared in Day Matter All Way.

Information of a vein of copper ore being opened within a comparatively short distance of Portland, which, if reports are correct, would start an "excitement" in Colorado or Montana or any other copper section, was brought to the Chamber of Commerce yesterday by H. H. Lotz, a mining engineer of Butte.

Mr. Lotz is in charge of the development work in the property and brought samples of the ore with him. The possibility of the whole thing being merely a "mining boom" is discounted by the fact that there is some of the stock in the properties for sale. Mr. Lotz' story indicates the possibility of the Willamette valley being in a position to boast of an important output of copper.

#### 17 Per Cent Product Reported.

Steady work has been going on in the prospect for more than a year. The claims are owned by the Copper Consolidated Properties Company and the bank of Molalla and Scotts Mills, in the Cascade range, between the north fork of Little Manzanita and Hoots Creek and east along Gold Creek in the Santiam forest reserve. The vein will produce ore that will average 17 per cent copper over most of its width, according to Mr. Lotz.

"It seems strange to me that so little is known right around here about the splendid copper development that has been going on for a year right at Portland's back-door," said Mr. Lotz in a statement given out through the publicity department of the Chamber of Commerce.

"Never have I seen a better field for development. We have a strong vein and our work on the Mine is a firm one on the ground. We have driven a tunnel on the property from just above Gold Creek, where the vein is exposed, for 130 feet, the lowest of the tunnel being 75 feet underground. Every foot of the tunnel is in ore and a track of high grade appears to follow the foot wall. The tunnel is in fact one all the way.

"The properties are 49 miles from Salem and about 25 miles from Portland.

**Ore Being Shipped.**

"Ore taken out in development has been hauled by wagon to Gales, a distance of 16 miles. The cost has been an heavy one, much of the reason are concerned in transportation and another treatment that we have been compelled to devise some manner of reducing shipping costs.

"I have just come from Salem and am happy to say that the Marion County Court has agreed to construct a first-class road for the miners of the Santiam section and that it will be ready for next season.

"In the meantime we are preparing to treat our ore on the ground. We have found that the fluidizing method can be used. This will materially reduce the present cost of haul, which is \$18.50 a ton.

#### Key of Activity Predicted.

"Copper properties are interesting just now, because the war has consumed such tremendous amounts of the metal. It is the judgment of mining men that the next 10 years will see the greatest activity in copper mining that has ever been known in this country.

"We have no patent on the discovery of these properties. They have been there for years and there are lots more of them. With their development there should come a greater degree of prosperity to Portland, and there is no reason why they should not be worked.

"This section was prospected by the early hunters after gold. Those men, however, were not prepared to handle anything else, and they left the district. With modern machinery and methods these deposits will become great producers in the future."

### ASSESSMENT IS UPHELD

#### Mr. Dieck Opposed to Change in Nicolai Street Plans.

Commissioner Dieck has sent back to the City Council with a recommendation the remonstrances of property owners on Nicolai street against assessment of benefits and damages for the proposed change of grade of Nicolai street at Twenty-sixth street. Mr. Dieck says that while he makes no recommendations, he can see no reason for changing the assessment plan as proposed.

### STUDENTS ARE REHEARSING

#### Reed College Drama Club to Give Two Plays December 2.

Members of the Reed College Drama Club are rehearsing the two plays, Gilbert Chesterton's "Magpie" and Lord Dunsany's "The Glittering Gates," which they will give on the evening of December 2. Miss Josephine Hammond, president of the Portland Drama League and assistant professor of English at Reed College, is coaching the student actors in their task of producing these modern dramatic classics.

### AUTO FLUSHER BIDS DUE

#### Council to Take Steps to Replace Sprinkling Bureau Teams.

Preparatory to the replacement of 35 men and 42 horses in the street cleaning and sprinkling bureau with automobile flushing machines, the City Council will adopt a resolution Wednesday authorizing the purchasing bureau to advertise for bids for two of the machines. A third will be bought later. The machines are expected to cost about \$500 each.

### CHURCH HONORS PASTOR

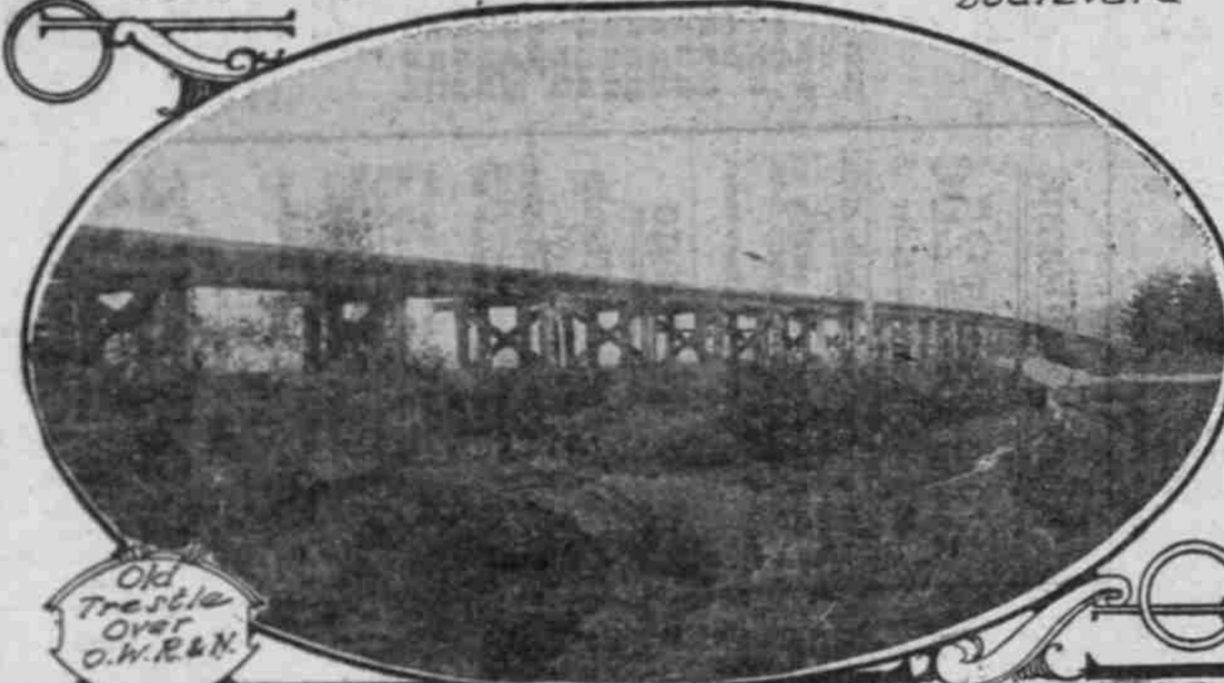

#### Rev. S. Earl DuBois Is Guest at Celebration by Congregation.

Rev. S. Earl DuBois has been the pastor of the Grand-Avenue United Presbyterian Church for the past 19 years. The congregation, Friday night, celebrated the anniversary of the services of the pastor with appropriate exercises. The congregation, the Sunday school and other working organ-

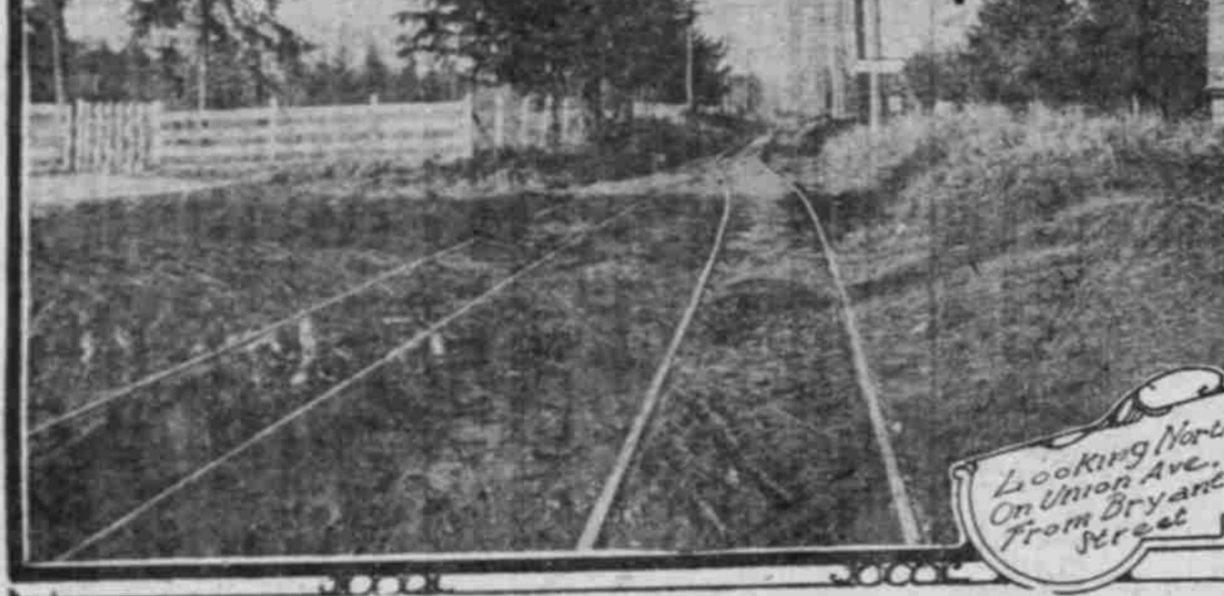

### SCENES ON UNION-AVENUE BRIDGE APPROACH IMPROVEMENT.

Portion of New Fill Looking South Towards Columbia Boulevard

Old Trestle Over O.W.R. & N.

Looking North On Union Ave. From Bryant Street

### APPROACH WORK DUE

#### New Paved Street to Lead to Interstate Bridge.

By the time the Interstate bridge is ready for use, Portland will have a new paved street extending northward from Bryant street to the city limits at Columbia Slough road, forming a direct connection between Union avenue and the bridge approach.

### RIGHT OF WAY OBTAINED

#### Plans Prepared by City Call for Cut From Bryant to Russett Street and Construction of Viaduct Over O-W. R. & N. Tracks.

Plans for this project, involving an expenditure of \$48,000, have been completed and the proceedings for the work were completed by the Council Friday. The city already has obtained a 60-foot right of way for the street the full distance between the end of Union avenue and Columbia Slough road. This right of way was donated to the city by the Portland Railway, Light & Power Company, the company having held the strip as a right of way for its Vancouver line.

# Every Family Needs this Splendid Remedy

Compound of Simple Laxative Herbs Recommended for Constipation

MR. FRANK KLIMA

When a remedy has stood the test of critical analysis and strong competition for over a quarter of a century and establishes itself as the indispensable household remedy in thousands of homes, it is pretty good evidence of its efficacy.

Dr. Caldwell's Syrup Pepsin has been on the market since 1859, its use being gradually extended until now it is generally regarded by druggists as the staple family laxative. It is a combination of simple laxative herbs, free from opiates or narcotic drugs, gentle in its action and positive in effect. It costs only fifty cents a bottle and can be purchased in drugstores everywhere.

Mr. Frank Klima, of 2209 Ashland Ave., Baltimore, Md., wrote Dr. Caldwell recently that he had tried about everything without being helped until he got a bottle of Dr. Caldwell's Syrup Pepsin, which he considers the greatest known remedy for indigestion, constipation and stomach troubles.

Get a bottle of Dr. Caldwell's Syrup Pepsin from your druggist and keep it in the house. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Ill.

valued at \$1,598,350 and contracts on land sold, \$496,150. The amount due from the irrigation company, a separate corporation, is \$479,000.

sists of apple and pear orchards, most of which are now bearing.

### YAKIMA APPLES ARE FIRST

#### Washington State Student Judges Win Trophy From Idaho.

SPOKANE, Wash., Nov. 20.—The Yakima district won first prize today at the eighth annual apple show, in progress here, the winning exhibit comprising 100 boxes of winesaps. Spokane Valley district growers won second prize on Winter bananas. The Wenatchee district came within a fraction of a point in the race for second place.

In the apple-judging contest between teams of college students, Washington State College defeated the University of Idaho and won the silver trophy.

**Hawaiian Canned Pineapple**

YOUR family will enjoy these rich, juicy slices of Hawaiian Canned Pineapple. A tempting dessert, healthful and economical.

Dr. Lewis Baker

The questions answered below are general in character, the symptoms or diseases are given and the answers will apply in any case of similar nature. Those wishing further advice, free may address Dr. Lewis Baker, College Bldg., College-Ellwood Sts., Dayton, O., enclosing self-addressed stamped envelope for return of answers. Please send dress must be given, but only initials or fictitious name will be used in my answers. The prescriptions can be filled at any well-stocked drugstore. Any druggist can order wholesale.

fact, my whole body swells. The urine I pass is very little and a kind of dark brown. It seems to be going into my blood.

Answer: You did not say how long you have been suffering, but you have a well developed case of kidney trouble. Start at once taking balneario tablets. They should get your kidneys in good order in a little while.

"L. W." writes: "My blood is in bad condition. I suffer with constipation and my tongue is always coated. My skin is dark and I have pimples and I feel tired all the time, but I am, too nervous to sleep."

Answer: Get a tube of three grain sulphur tablets (not sulphur) and take according to directions. They will clear your blood, aid digestion and relieve constipation. When you get your blood pure, the other symptoms disappear.

"Lucile" writes: "I want to get rid of dandruff and itching scalp. What would you suggest?"

Answer: In my practice I have prescribed the same treatment for seven years to overcome dandruff, and thousands are satisfied. There is nothing better than the use of plain salicylonyl. Minoval contains no alcohol, and cleans and vitalizes the scalp. It tends to strengthen the scalp and gives life, luster and health to the hair.

"W. W. C." writes: "I have gained so much flesh that I am all out of proportion and I do not feel good. What will reduce my weight?"

Answer: Five grain carbonyl tablets are the most effective and safest reducers I know of. They are harmless; come in soft sugar tubes with complete directions.—Adv.
