Fight With Seattle Council Makes Mayor More of Gubernatorial Chance.

### HODGE DISTURBING FACTOR

Report Being Circulated by Repdth-Beans That David S. Troy, Backed by Mr. Sims, Will Compete With Governor Lister,

OLYMPIA, Wash, Nov. 26-Opecial.)-Although the stage for the Washington campaign of 1916 is already set, the peace of mind of those consying to play the leading roles is upost occasionally by shadows of others jurking off-stage.

A case submitted to the Supreme Court yesterday may result in making Mayor Biram C. Gill, of Seattle, much more than a local figure. This is a mandamus action, instituted to test whether the Seattle City Council, which is five to four anti-Gill, can circum vent the Mayor's veto and adopt by resolution a tax lovy that he vetned in ordinance form, with the statement that \$127,000 must be eliminated from the levy before it would meet his ap-

pareal.
Assistant Corporation Counsel Ralph
S. Fierre voiced the fears of the antiGillites when he intimated broadly, in Gillites when he intimated broadly, in his argument to the Supreme Court, that Mayor Gill had adopted his economy programme after mature consideration of its likely political effect, or, to use Pierce's even words, had "hitched his wagon to a star, with a view to possible future political preferment."

Clogs Kidneys, Then the Back Hurts.

Says Glass of Salts Flushes Kidneys and Ends Bladder Irritation.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad. the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.—

Rheumatism A Home Cura Given by One Who Had It

A Home Cure Given by One Who Had It in the spring of 1892 I was attacked by Muscular and Inflammatory Rheumastim. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doctor, but such roller as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even hedridden with Rheumatiam, and it effected a cure in every case. I want every sufferer from any form of rheumanic trouble to try this marvelous healing power. Don't send a cent; simply mail pour name and address and I will send it free to try. After you have used it and it has proven itself to be that long-looked-for means of curing your Rheumatiam, you may send the price of it, one dollar, but, understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when positive relief is thus offered you free? Don't delay write today.
