

CHARITIES' APPEALS FOR AID FOR POOR

Campaign Launched Today to Relieve Suffering Already Reported in City.

STEADY FUND IS NEEDED

Gifts Have Begun to Reach Headquarters, but Cases of Helpless Are Being Found Daily That Need Attention at Once.

ASSOCIATED CHARITIES CALL FOR HOLIDAY BELIEF FUND
To the Citizens of Portland:
Will your table be filled Christmas day? Will your heart be warmed? Will you know where you shall find the money that will feed and clothe you and yours on the days that will follow?
Yes? Well, there are many who are coming to us today, and who will come in the days that will follow, who are hungry, ragged and cold.
If you have enough and just a little more, won't you share it? Christmas will mean a little more to you, and infinitely more to them.
Sincerely yours,
E. N. FLEISCHNER,
R. S. HOWARD,
ELLIOTT H. CORBETT,
W. B. MACKAY,
J. F. DAVIS.

"Christmas cheer run through the year."
Under this slogan the Associated Charities has rallied the citizens of Portland to the support of its relief work through three increasingly successful seasons, and in the contributions that were secured in while all hearts were opened with the spirit of Christmas, the Charities was made able to carry help to thousands of families and of the needy through the weary winter months that follow the holidays.
On Christmas day the poor have been well remembered always by the benevolent organizations and individuals. It has been the months after Christmas, when the excitement of the holiday times had abated and other affairs claimed the public attention, that the poor suffered most.
In those months the Associated Charities and other established charitable organizations were obliged to assume the whole work of the relief of the poor.
New Campaign is Launched.
Today the Charities is launching anew its "Christmas spirit conservation campaign," and there are already indications that the support of the public will be as willing as in any previous year. It is an ample fund will be provided to handle the heavy relief work that will be demanded in the coming three or four months.
The Charities confronting the problem of relief for 1600 destitute families, 745 homeless men, 24 homeless women, a total of 1610 souls, needs more than donations of cash and supplies and to dispense in the winter months material aid to the value of more than \$10,000, necessary to secure of work, medical attention, securing of relatives who could care for them, cannot be estimated in dollars and cents.
5000 Persons Are Aided.
In this department of its work, however, between 1900 and 1905 were reached, and the personal assistance of 1500 benevolent people in Portland and elsewhere were secured.
This is the briefest synopsis of the work accomplished last year. The question that the Charities is putting forward now is "Will you stand by us in the work again this year?"
Important gifts of supplies and cash are already coming in. Among the list of givers who are helping to solve the problem are: J. G. Rossell, of Dalles, sending a car load of fuel; George McCullum, of Marger, five sacks of vegetables; Dallas Branch, Newberg, sending a car load of fuel; Mrs. Oscar Hayler, 28 articles of clothing; William Urah, of Haystack, supplies of dried fruit; W. W. Kewell, of Seaside, supplies of Oregonian; J. H. Kinnaman, of Madras, chickens; I. W. Handley, of Oregon, two sacks of vegetables; A. W. Devers, of Portland, 500 worth of coffee, tea and baking powder.
Cash Gifts Are Arriving.
Donations of cash are just beginning to come in, and the Charities expects to be able to announce tomorrow an encouraging list of cash donations from people of Portland and other cities in Oregon.
Contributions may be sent to R. S. Howard, secretary of the Charities, at Ladd & Tilton Bank, Portland; to the Associated Charities, 411 Commercial Street, Portland; or to the Oregonian, Daily announcements of the progress of the fund will be made in The Oregonian.
Following are a few of the cases selected at random from the list of applicants for help who have come to the Charities within the past few days:
Case 1—Man, wife and three children; man out of work; wife and children appeal to the Charities to help him save his family. Transportation needed to another city, where relatives will be able to assist him.
Case 2—Man, wife and eight children. Woman seriously ill. Man out of work. Family needs fuel and man should have employment as soon as possible.
Case 3—Family stricken with scarlet fever. Man, wife and five children. Milk needed for the children and food to keep the family until steps for permanent relief can be taken.
Case 4—Man, wife and two small children. In 12 months the man has been able to get only three months' work at low wages. Must have employment or help for the family is destitute.
Case 5—Aged couple, 45 and 61 years of age. Friendless and alone in the city. Man suffering from broken wrist. Must be cared for until relatives can be located, or upon whom they can be sent for support.
New Hampshire Governor Rejects.
CONCORD, N. H., Nov. 27.—In declining today to join a proposed peace commission to Europe, Governor Spaulding telegraphed that such an official action would make it impossible for me to take part, even if I believed, which I do not, that the undertaking is wise and practicable.

\$15,000 IN CASH PRIZES LISTED FOR STOCK SHOW

Class Expositions Are Expected to Attract Persons Interested in Varied Lines of Endeavor—O. A. C. Students Will Enter Judging Contest.

Thoroughbred Holstein Bull—1914 Show Sold for \$1000.

Shropshire Dog Owned by Knollen and Finch Soda Springs, Idaho.

A Typical Poland-China Boar.

CLASS EXPOSITIONS ARE INTENDED TO DRAW TOGETHER PERSONS WHO ARE INTERESTED IN CERTAIN ALLIED LINES OF ENDEAVOR...

CLASS EXPOSITIONS are intended to draw together persons who are interested in certain allied lines of endeavor, such as particularly the object of the Fifth Annual Pacific International Livestock Exposition, to be held at the Union Stockyards, North Portland, December 8-12. Livestock men of the Pacific Northwest have come to take a deep interest in these yearly gatherings. It is at these exhibitions that livestock men of all kinds meet for the interchange of ideas. They come for a practical purpose, and the rewards they receive for successful efforts in stock raising is substantial, for premiums are offered for their encouragement.
General Manager O. M. Plummer announced that there will be premiums distributed at the coming exposition amounting to \$15,000. No entry fee or stall rent will be exacted, and what is somewhat unusual for occasions of this kind, there is no salary list. The \$15,000 will be awarded as follows:
Pure-bred cattle of the best type, \$1500; dairy cattle, \$1500; fat cattle, \$1500; breeding sheep, \$1500; fat sheep, \$1500. Besides these, a special premium of \$200 has been set aside for the stock-raising function will be the complimentary breeders' and stockmen's banquet to be tendered by the Portland Union Stockyards Company at the Chamber of Commerce, in the Commercial Club building, Thursday evening, December 3. The Governors of four, and possibly seven states will attend. There will be no formalities or set speeches. Governors, bankers, business men, commercial club members, stock raisers and sheep raisers will all gather, to the probable extent of 500.
One rather interesting feature will be the students' judging contest, Monday, December 6, in which students from a number of agricultural colleges will participate. For this event there are already a number of notable entries. During the exposition the following will hold meetings:
Oregon Jersey Cattle Club, Oregon Guernsey Cattle Club, Oregon-Washington-Idaho-Montana Swine Breeders' Association, Oregon Cattle and Horse Raisers' Association, Oregon Swine Breeders' Association, Oregon Holstein Cattle Club, Northwest Shorthorn Association, Oregon Butter and Cheese-makers' Association, Oregon Poultry and Fat Stock Show and Willamette Valley Woolgrowers' Association.
Sales scheduled to take place during the exposition comprise: Hereford cattle, under the auspices of the American Hereford Cattle Breeders' Association, of which R. J. Kinzer is secretary, on December 11; Shorthorn, December 2, champion individuals and car lots, December 8; registered Holsteins, under direction of George A. Gue, December 19.
Tuesday morning, December 7, will be devoted to judging the merits of fat classes of sheep, swine, Jersey, Angora and Guernsey, while in the afternoon unjudged classes will be considered.
O. W. Moon, familiarly known as "Dad," who brought the first locomotive to La Grande some 21 years ago, is dangerously ill and his mind is wandering.

LUMBER RATE ADJUSTED

La Grande Shippers Say Effect of Decision Is to Insure Future of Their Enterprises.

WASHINGTON, Nov. 27.—The Interstate Commerce Commission today sustained the complaint of the Eastern Oregon Lumber Producers' Association...

Returned to His Work.

Mr. Julian Goodson, Erwinville, La., suffered with colic of the stomach. He was unable to work. Cold hardly did anything. After taking Peruna a short time he is now in perfect health. He says: "I am very grateful for your work. I am confident that anyone suffering as I was could be cured by Peruna."

Every Change of Weather.

M. E. Arnold, Westerly, R. I., contracted a severe cold. The cold settled in his side and produced a condition that was thought to be pleurisy. Every change of weather would bring a return of his trouble. After taking Peruna all his ailments have vanished.

Pain in the Stomach.

Mr. Henry Knock, Box 250, No. 1115 E. Vista ave., Jacksonville, Wis., writes: "I write you about four weeks ago that I had a pain in my stomach. I followed your advice and used three bottles of your Peruna, and I am all right now. I am very thankful for your advice and your medicine."

Three substantial men, heads of families, made efficient once more by Peruna.

Anything that conserves family life and makes the home more desirable and comfortable, nourishes the heart root of civilization. Peruna is a great civilization.

MEMORIAL DAY FOR HIGHWAYS IS HERE

Contribution of \$1000 for Vista House at Crown Point Is Expected.

"STUNTS" ON PROGRAMME

Throngs of Motorists Visiting Columbia Route Today Will Give Enough to Start Structure, Honoring Pioneers, Belief.

This is the day set for the Vista House Association excursion up the Columbia River Highway and, unless the unexpected happens in the way of bad weather or other untoward circumstances, the plan of the association to build a suitable memorial to Oregon pioneers on the very crest of Crown Point will be made known to hundreds of excursionists.
All auto owners and their friends are urged to see out on the highway today by the committee in charge, which is headed by Julius L. Meier. All who go are assured they will see the Columbia River gorge in its winter fall, with different views than have been attainable during the Summer months. The streams that plunge over the edge of the gorge are running full, and the driving is not between Laurels and the eastern line of Multnomah County it is declared, there are 12 big waterfalls that will be at their best today.
Peaks Are Snow-Covered.
Snow is on the nearby mountains, and the invigorating air will add a zest to the trip that it would lack earlier in the year. All who go are urged to wrap up warmly so as not to take cold from the winter air.
No set time of leaving town or for the return has been fixed, says Chairman Meier. It is hoped, however, that all who go will reach Crown Point about 11 o'clock.
H. L. Pitcock is president of the Vista House Association and Adolph Wolfe is treasurer.
Rabbi Stephen S. Wise, the famous New Yorker, will be taken on the highway by Julius Meier. The party will leave early this morning and will be en route to Crown Point to return to Portland by 11:20. It had been planned to have Rabbi Wise speak on the highway, but his time limit may preclude this feature of the programme.
Harry Corbett yesterday made use of the telephone to be sure that a reception committee should be on hand, and secured that every one of the rural dwellers along the highway will be out in force.
"Thousand-Dollar day" on the Highway is gained by something that everybody will remember.
Cars are in getting going out on the highway at 9 o'clock, and others will follow a later hour.
Stunts Are Promised.
The programme of "stunts" will be provided at various times, but in the afternoon it is intended to make the approach of every auto owner a startling and memorable occasion.
"We have fixed the smaller amount of money that we can receive for today at \$1000," said Julius Meier. "If we exceed that, we will not expect every visitor to contribute that much, but that will be the aggregate.
The money will be used as the start of the new hotel so that the memorial building that is to be constructed in recognition of the pioneers of Oregon, and to serve the purposes of a great central station. It is to be an artistic building of concrete and steel, with memorial windows and panels, and it will be connected with the music room of the new hotel so that the great pipe organ will send its splendid music to all visitors.
"It will be the finishing touch to the highway, and the only opportunity of the people to contribute and have part in the work. Nowhere is there a suitable memorial to the pioneers. This will be one."
The return to Portland this afternoon will be made by the different parties who make the trip at their own convenience. It is suggested by the committee that travelers should not go by the Montavilla road, but cars should follow the Section Line road and any crossroad desired beyond Eighty-second street to the Base Line road, thus giving a paved road all the way for 42 miles, except for a little over a mile, or by following the "old road" via Fairview to the right. Either route will prove desirable traveling.

MISS STEINBERG BURIED

BODY OF MONMOUTH GRADUATE IS TAKEN TO IOWA FOR BURIAL.
Victim of Typhoid Fever Won Many Honors in Class Work and in Student Activities.

MONMOUTH, Or., Nov. 27.—(Special.)—The funeral of Miss Orrie Steinberg, daughter of W. H. Steinberg, of Monmouth, who passed away Friday evening of typhoid fever, was held in the Christian Church of this city last Sunday at 12 o'clock. George A. Pollard, of McMinnville, officiated.
The body was taken to Hull, Iowa, to be interred beside that of her mother.
Miss Steinberg was a member of the

The Late Miss Orrie Steinberg.

1915 class of the Oregon Normal School and was one of the most brilliant students of her class, earning honor grades during her entire three years at the Normal. She was a woman of rare personality and was equally prominent in student activities as in the classroom. Many of the most important offices within the gift of the student body were bestowed upon her. Among them were: President of the

J. W. Jeffers Gets Leave.

J. Willis Jeffers, instructor in commercial English at Franklin High School, has received a leave of absence for a month, during which time he will be away from the city. His absence is due to the fact that his request for his resignation had been granted. He will resume his duties at Franklin after the Christmas holidays.

ANEMIC writes: "I am thin and pale. How can I become plump and strong?"

Answer: Three grain hypo-nuclease tablets taken with your meals should increase your weight, your strength, and cause your complexion to become radiant and your eyes bright. Many satisfied users have increased their weight from 5 to 40 pounds in a very short time.

"Country" writes: "At one time you prescribed for my brother, when he had kidney trouble and it relieved him. Now I feel the very same symptoms. My feet swell, my color is bad, I have headache constantly and feel tired and have pains in my back. I would like to have the same prescription."

Answer: For your brother I prescribed the same medicine. They are just the thing you need, too. Start taking them at once. Instructions come with tablets in sealed tubes.

"Lesley" writes: "I am nervous, have headaches, and am always constipated. I feel weak and tired and ache all over. My complexion is nasty looking and my tongue is coated."

Answer: Your blood is impoverished and impure and unable to nourish the tissue and nerve cells over the body. You'll find quick and permanent relief.

Expresses Her Gratitude.

Mrs. Henry Knock, Box 250, No. 1115 E. Vista ave., Jacksonville, Wis., writes: "I write you about four weeks ago that I had a pain in my stomach. I followed your advice and used three bottles of your Peruna, and I am all right now. I am very thankful for your advice and your medicine."

8 MILES OF GREENS UP

PORTLAND IN HOLIDAY ROBES FOR "PROSPERITY WEEK."

Lights, Garlands and Christmas Trees Are to Be Affixed to Lamp Poles Down Town.

Portland began to put on her holiday robes yesterday.

By Monday the entire business heart of the city will be adorned in evergreens and holiday colors, with eight miles of cedar garlands lining the streets in festoons from lamp cluster to lamp cluster.

The city is co-operating and has appropriated \$450. The electrical com-

CHILD GETS SICK, CROSS, FEVERISH IF CONSTIPATED

Look at Tongue! Then Give Fruit Laxative for Stomach, Liver, Bowels.

"California Syrup of Figs" Can't Harm Children and They Love It.

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish, stomach sour.

Look at the tongue, mother! If coated, or your child is listless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Laxative Syrup Company."—Adv.

IF BACK HURTS TAKE SALTS TO FLUSH KIDNEYS

Says Backache Is Sure Sign You Have Been Eating Too Much Meat.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasional. If the bowels are clogged, the kidneys are clogged, and the moment you eat a rich meal, you have backache and dull misery in the kidney region, severe headache, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with purified mineral water, and it is so gentle on the stomach, and so harmless, it is the only salt that is safe for the most delicate and sensitive of constitutions.

A well-known local druggist says he gets lots of letters from people who believe in overcoming kidney trouble while it is only trouble.—Adv.

It Pays to Order

It will pay to place an order at once for one of the numerous used but good player pianos, Weber and also Wheelock Pianos, the Auto Piano, an Apollo Player Piano and several Cecilian Player Pianos, all priced for quick sale at even \$200, and several of the older models, in first-class playability order, now only \$17. Surely the opportunity of a generation, for lodge and our confidential, new easy payment plan is within everybody's reach. Call at once or write Graves Music Company, 117 Fourth Street, near Morrison, or at Ellers Music House, Ellers Building, Broadway at Alder, where this sale is now in progress.

Applying this Paste Actually Removes Hairs

(Beauty Notes.)
Merely applying an inexpensive paste to a hairy surface, say Beauty specialists, will dissolve the hairs. This paste is made by mixing one ounce of water with one ounce of hydrogen peroxide, and after two minutes it is rubbed off and the skin washed. This simple method not only removes every trace of hair, but leaves the skin free from blemish. To insure success with this treatment, be careful to get real dolomite.—Adv.
