Heavy-Weight Winter Woolens

On Monday and Tuesday I will place on sale my stock of heavy-weight woolens, which is extra large for this season of the year.

I bought extra heavy, expecting a tremendous business. Although my business was good, it was not up to expectations, so in order to

Keep the Tailors Busy

and move this unusually large stock of heavy-weight woolens I make this extraordinary offer.

Suit

Made to Order

Bear in mind-every suit is made to order in my own workshop on the premises just above my store, under my personal supervision, by skilled union tailors, cutters and designers. Every suit will fit you perfectly—the fronts will not break, the linings will wear during the life of the suit.

Come in tomorrow. Suit made in 48 hours when necessary.

You Save \$8 to \$12 by Having a Suit Made to Order Here

so that they may know the value of this new industry. Particular invitations will be sent to the exhibitors and visitors at the live-stock show, as corn, obviously, is a val-uable asset in developing the livestock

industry. SOCIETY SEES CORN SHOW

Exhibit at Walla Walla Closes With Best Day's Attendance.

WALLA WALLA, Wash., Dec. 4.—
(Special.)—The O.-W. R. & N. corn show came to a successful close tonight, with the biggest crowds of the week in attendance today.

At a reception this afternoon, given by the railway company, assisted by club and society women, more than 500 women attended, this being probably the largest affair of its kind ever given here. The judges' awards were announced.

CORN TO BE SHOWN

Walla last week will be brought to Portland intact.

The show will be opened formally at 10 o'clock Thursday morning and will be open morning, afternoon and evening until Saturday.

C. L. Smith, known throughout the Northwest as "Parmer" Smith, and recognized as the father of the corn-growing industry in these states, will be in charge. He will be assisted by his son, thank his anstant in the work of directing the agricultural extension work in which the O.-W. R. & N. Company now is engaged.

NEW INDUSTRY IS THRIVING

Washington. Then Mr. Smith began to impress on farmers the importance and the advantages of growing corn. He was aumost unknown in Oregon and Washington. Then Mr. Smith began to impress on farmers the importance and the advantages of growing corn. He was opposed at first by descendants of the company of the advantages of growing corn. He was opposed at first by descendants of the contract of the c

was opposed at first by descendants of the early settlers, who told him that "Corn won't grow here. It won't mature. The climate is too moist. The nights are too cool. Our fathers tried it and they didn't succeed."

But Mr. Smith showed them how to the said are growing it. 25c-Cent Bottle of "Danderine" Makes Hair Thick, Glossy and Wavy.
