is understood that owing to the number of freshmen coming in. Stephens School may have to be used to house some of the newcomers.

Outside of the regular enrolled pupils there will also be many post-graduates registered for the term, Although many of the graduates are going to college, there is a number who intend posting until June, after which time they will enter college or university.

The members of the Washington High Alumni have extended a cordial invita-tion to the graduating class of February, 16. On next Saturday evening, February 5, the alumal will entertain the graduates with an informal party and dance at the Laurethurst clubbouse. At this time the graduates will have an opportunity to join the organization.
