Nearly Everything Wheeled Taxed in This Town.

Marshfield Auto and Vehicle Owners "Well Pleased," Because It Might Be Worse.

MARSHFIELD, Or., March 11.—(Special.)—Every person who drives a Dobbins or pilots an automobile in Marshfield must help make up a municipal deficit which which the city is confronted. The city council has talked about a jitney ordinance for some time, but no move was made until after the saloon license fees were cut off, and Mayor Copley and his administration then commenced to cast about and work the ways and means committee over time.

The result is a vehicle ordinance which has passed its first reading, and apparently will be adopted, for all owners expressed themselves as "highly pleased" with its provisions. City Attorney J. T. Brand estimates the ordinance will raise a revenue of possibly \$1500.

People who ride in chassis or automobiles are not doing much kicking against the ordinance for fear, perhaps, the council might go farther and pass an occupation tax, as one town in Coos County did when it found itself slipping on the financial toboggan. The vehicle tax will govern everything with wheels excepting baby carriages and wheelbarrows, and possibly watches and clocks.

An Old, Family Cough Remedy, Home-Made

Easily Prepared—Costs Very Little, but is Prompt, Sure and Effective

By making this pint of old-time cough syrup at home you not only save about \$2, as compared with the ready-made kind, but you will also have more prompt and positive remedy in every way. It overcomes the usual coughs, throat and chest colds in 24 hours—relieves when whooping cough quickly—and is excellent, too, for bronchitis, bronchial asthma, hoarseness and spasmodic croup. Get from any drug store 24 ounces of Pinex (50 cents worth), pour it into a pint bottle and fill the bottle with plain granulated sugar syrup. Turn directions with Pinex. Keeps perfectly and tastes good.

You can feel this take hold of a cough or cold in a way that means business. It quickly loosens the dry, hoarse or painful cough and heals the inflamed membranes. It also has a remarkable effect in overcoming the persistent loose cough by stopping the formation of phlegm in the throat and bronchial tubes.

The effect of Pinex on the membranes is known by almost every one. Pinex is a most valuable concentrated compound of genuine Norway pine extract combined with guaiaicol and other natural healing pine elements. There are many worthless imitations of this famous mixture. To avoid confusion, appointment, ask your druggist for "24 ounces of Pinex," and do not accept anything else.

A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., P. O. Box 100, Wayne, Ind.
