BOB BURMAN, AT FAIR,
WINS 50-MILE RACE

Barney Oldfield Takes Lead in First Lap but Loses It and Finishes Third.

WINNER'S TIME IS 57:30

Record Is Considered Remarkable Because of Winding Condition of Boulevard Course at San Diego Exposition.

SAN DIEGO, Cal., March 25.—Bob Burman, driving a foreign-made car, won the 50-mile automobile race for the Panama-California International Exposition cup here today, leading Teddy Tetzlaff, in an American-made machine, in a sensational finish by 40 seconds. Burman's time was 57:30 4-5, greatly exceeding the expectations of race followers, who predicted the two dangerous curves on the 44-lap Exposition course would make real speed impossible. Tetzlaff followed Burman over in

Bob Burman, Winner of 50-Mile Panama-California Exposition Automobile Race.

58:20 3-5. Barney Oldfield was third, in 59:15, and Cliff Durant fourth, in 1 hour and 2 minutes.

Burman took the lead in the third lap and never was headed. The four drivers got away from a standing start with Oldfield in front. Tetzlaff went into second place, with Burman third. Durant remained in fourth place and at no time during the race could he better his position. Burman, by driving into the curves in what appeared to be an exceedingly reckless manner, shot ahead of Oldfield on the third lap and, by the same daring driving, maintained his lead until the finish.

Durant was forced to the pit during his third lap because of tire trouble and lost so much time that his chances of finishing above fourth place were shattered. Durant, however, was credited with driving the fastest lap, in 1:13. Nearly 15,000 persons witnessed the contest. In addition to the Exposition cup, the drivers competed for a purse.

MURRAY EQUALS RECORD

STANFORD CAPTAIN RUNS LOW HURDLES IN 24 4-5 SECONDS.

Cardinal Athlete Defeats Fred W. Kelly, Joint Holder, in Race on Los Angeles Track at 220 Yards.

LOS ANGELES, Cal., March 25.—Fred S. Murray, captain of the Stanford track team, tied the world's record for the 220-yard low hurdles on a curved track at the annual field and track meet today of Stanford University and the Los Angeles Athletic Club.

His time was 24 4-5 seconds. Murray's time equals that made by John J. Eller in 1908 and 1911, both in New York City, and by F. W. Kelly, of the University of Southern California, at Los Angeles, May 23, 1915.

The record for a straightaway track, held jointly by A. Z. Krandlein and J. I. Wendall, is 23 3-5 seconds. Murray has been unbeaten at his specialty for two years and was this year starting what appears to be his greatest year on the cinder path. He and Fred W. Kelly, joint holder of the record, who lost to him today, will appear at Corvallis, Or., at the Far Western indoor games April 1.

Stanford won the meet on points by a score of 72 to 59. A new Southern California college record was set in the 880-yard run by H. V. Apperle, of Stanford, whose time was 1 minute 59 1-5 seconds. The relay race was won by the visiting runners.

THREE COLLEGES SCORE 1000

Washington State, Michigan Aggies and Norwich Shoot High.

WASHINGTON, March 25.—The National Rifle Association matches among high schools in progress since January 15, closed today. Aggregate scores will be announced next week.

In the matches in progress among college teams, Michigan agricultural, Washington State and Norwich made perfect scores of 1000 this week. Other scores follow:

West Virginia, 957. Massachusetts Agricultural and Iowa State 996 each. Vermont 994. Cornell and Yale 989 each. Idaho and Maine 988 each. Princeton and Naval Academy 987 each.

Business College Nine After Games.

Frank Fried is the manager of the Holmes Business College baseball nine and wants games for his squad. He can be reached at Holmes Business College. The team will play on week days only.
