THE WINTON COMPANY'S

Used cars are different. They are out of the common class. Their engines and all working parts are thoroughly overhauled. These high-grade used cars are completely refinished, are beautifully repainted and have that up-to-date appearance with the smooth running motor of a new car.

WE GUARANTES THEM, as in the case of new car selles. We own all the used cars offered by sale by this company, therefore are forced to bring them to the highest possible STANDARD OF USED CAR SERVICE.

When you consider the exceptional value offered at a fraction of what these cars are worth, the cheaply constructed, low-grade new cars will not appeal to you. Take advantage of our low prices. BUX NOW,
