"TRUE REPUBLICAN" URGED

Root Boom Launched Meanwhile by 74 Leading Republicans, Among Whom Are 19 Delegates to Chicago and Robert Bacon.

NEW YORK, April 8 .- Responding to pleas that a crisis confronts both the Blepublican party and the country and that the National cituation ought to take precedence over factional disputes, the newly elected Regultican state committee, at a meeting here today to effect organization, re-elected as chairman Frederick C. Tanner, of this city.

No candidate for President was mentioned, either by speakers or in a resolution adopted after Mr. Tanner's election. This resolution urged the nomination of a "tried Republican, in whose record and character the Nation can rely as a guarantee for wise statesmanship in the management of foreign

Mr. Tanner later indicated that personally he was opposed to Theodore Roosevelt, but he would not make known a preference between Justice Hughes and Mr. Root. The race itself, which dwindled into minor importance in the swift happenings that marked its close, was a contest between mechanics and nature.

O'Donell, Burman, Eddle Pullen, Teddy Tetzlaff and Thomas kept the pace for three-fourths of the 201,815 miles at an average of from 27.7 down to 85.5 miles an hour. The first 16 laps were made at the higher rate. The drivers burned up tires as the sun's heat increased, all except O'Donell, who came through without a change, and with only one stop of a half minute for oil

It was learned today that the Root movement crystallized at a conference held here last Thursday at the Union League Club. Simple Way to End Dandruff

There is one sure way that has never falled to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most, if not all, of your

SAN DIEGO, April 8.—James Moran, who says he was formerly a chauffeur in New York, surrendered himself last night to United States Marshal Cara and said he was implicated in a million dollar postal robbery in New York two months ago. Today he described the crime in detail before being taken to Los Angeles for further investigation, according to United States Commissioner Burch today. In the confession to Burch, Moran declared he and the alleged ringlender, whom he named, were aided by two postal employes.

An interesting sidelight on the case is the admilssion by Moran that after his alleged accomplices had double crossed him, after sending him to San Francisco, where the loot was to be divided, he came here, attended a Salvation Army meeting at which he "hit the trail" and then, conscience stricken, decided to make a clean breast of the affair.

"Something Big" Proposed.

Moran's confession, taken down in shorthand in Burch's office, follows:
