

FORD IS AGAIN LEAD IN NEBRASKA

With Vote From 50 Out of 91 Counties Counted, Peace Pilgrim Is 100 Ahead.

BRYAN CERTAINLY BEATEN

Senator Cummins Has Large Lead in Montana Over Roosevelt, Whose Name Was Written In by His Supporters.

OMAHA, April 22.—Henry Ford, of Detroit, has again taken the lead from Senator Cummins, of Iowa, in the race for the Republican Presidential nomination at the Nebraska primaries, according to complete returns from 50 of the 91 counties in the state. Late returns give Ford a lead of about 100. President Wilson was unopposed for the Democratic nomination.

Positive results indicated by the returns from 50 counties are: Keith Neville has beaten C. W. Bryan for the Democratic nomination for Governor; Senator G. M. Hitchcock has been re-nominated for Senator; William Jennings Bryan has been beaten for delegate at large to the Democratic National convention; R. H. Howell has been elected Republican National committeeman.

HELENA, Mont., April 22.—Incomplete returns from the Presidential primaries yesterday indicate that United States Senator Cummins will control the Republican delegation from this state, polling more than twice as many votes as were cast for Colonel Roosevelt, whose name was written on the ballot.

President Wilson was unopposed in seeking the Democratic Presidential nomination. Vice-President Marshall obtained a majority of the votes cast for the Vice-Presidential nomination. The Progressive and Socialist vote was light.

There does not appear to be much doubt of the election of the following Democratic slate at the National convention: Thomas Arthur Governor S. V. Stewart, United States Senator Walsh, Harry Gallwey, Edwin L. Norris, David Hilger, P. H. McCarthy and P. E. Burke.

Of the eight Republican delegates to be elected, the election of five, Ex-Senator Dixon, Lee Mantle, M. Burlingame, O. F. Goddard and E. O. Selwey, appear to be assured.

BAR INVESTIGATION ASKED

Lewis County Granges Take Up Judge Rice Charges.

CHEHALIS, Wash., April 22.—(Special.)—Petitions are being generously signed in all parts of Lewis County by the grange organizations asking the Attorney-General of the State of Washington to fully investigate the charges recently published against A. T. Rice, Superior Court judge, Lewis County. The accusations against Judge Rice were issued in a 75-page printed booklet written by E. W. Taylor, a Chehalis attorney, and disbarment proceedings were this week instituted in the Superior Court here, citing Willis to appear May 1 to show cause why he should not be disbarred.

The circulating of the petitions above referred to is in the hands of the various granges of Lewis County, and a full and complete investigation of the allegations against Judge Rice is demanded as tending to clear up the atmosphere and produce a more wholesome state of public mind.

DRY ORDINANCE DRAFTED

Baker County Cities to Co-operate in Law Enforcement.

BAKER, Or., April 22.—(Special.)—That the city of Baker may be on the same footing as the state in regard to the enforcement of the prohibition law, District Attorney Godwin is drafting an ordinance following the statute closely, which will be presented to the City Commissioners at their meeting Tuesday. The ordinance, which was drafted by Mr. Godwin, is a complete prohibition bill was completed this afternoon and covered 20 full typewritten pages.

In the near future Mr. Godwin will prepare similar ordinances, although somewhat condensed, for the smaller incorporated cities in the county.

"The burden so far has fallen entirely on state and county officers, because of the lack of such an ordinance," he said, this afternoon. "With a city law following that of the state, violators of the prohibition statute will be up against a stone wall."

LIQUOR SENTENCE HEAVY

Idaho Man Fined \$350 and Gets Two 60-Day Terms.

SPOKANE, Wash., April 21.—The heaviest sentence ever imposed in Spokane for infraction of the prohibition law was given here today to William E. Henry of Wallace. Idaho, convicted in Police Court of bringing liquor into the state without a permit. Henry was found guilty under the city and state laws, and was fined \$350 and sentenced to 60 days in the city jail and 60 in the county jail.

The evidence showed that Henry was trying to take the liquor into the Coeur d'Alene, Idaho, and brought it to Spokane from Missoula to disarm suspicion. A leaky trunk caused his arrest.

MR. BURTON AT PENDLETON

Republican Success Is Predicted If Party Unitedly Faces Issue.

PENDLETON, Or., April 22.—(Special.)—Ex-Senator Burton, of Ohio, and his party paid Pendleton a visit today. This afternoon Mr. Burton addressed a large crowd at Happy Canyon pavilion "Foreign Policies." He was introduced by C. A. Murphy, of Pendleton. At a luncheon tendered him he expressed the hope that the Republicans would stand by the party this year, and predicted a Republican victory in the National campaign.

Mr. Burton was accompanied by Representative Ralph Cole of Ohio, T. A. Evar of Ohio, and his Oregon manager, H. Bortmeyer, of Portland.

Russia is said to be the only warring nation whose people are actually growing more prosperous. The danger to our country is not in the hands of the enemy, but in the hands of the traitors who are selling out the country for a few dollars.

MRS. WOODROW WILSON WITH THE PRESIDENT LEAVING DAUGHTERS OF AMERICAN REVOLUTION MEETING IN CONTINENTAL HALL IN WASHINGTON, AFTER PRESIDENT HAD MADE HIS OPENING ADDRESS.

Few good pictures have been taken of Mrs. Wilson since her marriage to the President. This picture was taken as the first lady was leaving the convention hall of the Daughters of the American Revolution.

The President made the opening address, speaking solemnly of the traditions upon which the Government was built. He interpreted the Daughters of the American Revolution organization as a "spirit-of-reverence for great traditions—to keep a beautiful sentiment warm and vital in the heart of America." Continuing, he said: "America will never fight merely for herself. The only excuse America can ever have for asserting her physical force will be to fight in the interests of humanity."

LOCKWOOD QUITS RACE

PORTLANDER WITHDRAWS AS A PRESIDENTIAL CANDIDATE.

Portland, April 22.—(Special.)—Charles E. Lockwood, of Portland, today withdrew as a candidate for the Republican nomination for President of the United States, and requested Secretary of State Elliott not to certify his name for printing on the ballot at the primary election May 15.

Reason for his withdrawal is given in the fact that the Oregon Supreme Court has decided that the name of Charles E. Hughes be placed on the Republican ballot for President. Mr. Scott requested that his name be eliminated from the ballot because he would be absent from the state until after the primaries.

4301 REGISTER IN WASCO

Figures Indicate Republican Party Is Most Popular.

THE DALLES, Or., April 22.—(Special.)—The total Wasco County registration, which has just been compiled, has two outstanding features. The figures indicate the Progressive party belongs to the past, and the Republicans have made noticeable gains.

Twenty-six hundred and sixty-three men and 183 women placed their names on the enrollment books this year, total of 4301. This is about 1500 short of the estimated number of eligible voters in Wasco County and is 1149 below the 1914 registration. The enrollments are: Republicans, 3048; Democrats, 1043; Prohibitionists, 74; Independents, 65; Socialists, 56; Progressives, 14; Anarchists, 1.

BEAR HUNTER HOAXED

SEATTLE BROKER SHOOTS AT A STUFFED ANIMAL—AND MISSES.

Associates Fix Up "Pit" in Woods and Men Who Aspires to Bag Brains Led to It.

ABERDEEN, Wash., April 22.—(Special.)—George H. Tilden, Seattle broker, added fresh laurels today to his fame as a wild animal hunter when he fired at close range at a stuffed bear, carelessly planted in the woods for his benefit—and missed.

Tilden was accompanied on his hunting trip into the wilds of the Humptulips River section by W. J. Patterson, James Bowes and S. K. Bowes. He came down here for bear, and his associates determined that his dream of bagging a fine brain should be fulfilled. So they planted a stuffed bear on the river's bank and led Tilden to it. Jim Bowes was trail-maker. He walked along cautiously. Suddenly he halted, his attitude one of tense expectancy.

"Give me the gun," he said to Tilden, who was close behind. Displaying unusual and unexpected selfishness, Tilden brushed Bowes aside and himself raised and aimed the gun. He took careful aim, and was so long about it that Patterson grew nervous. "Shoot, shoot," he shouted, "why don't you shoot?"

Tilden fired—and missed.

DUTY ON SUGAR WILL RUN DEEPLY

Senate Backs Down From Its Position Extending Existing Status 4 Years.

TEN DEMOCRATS OPPOSE

Measure, Needed to Help Revenues, Requires Only Signature of President—Income of \$50,000,000 a Year Is Provided.

WASHINGTON, April 22.—Late today the Senate approved the House bill repealing the free sugar section of the tariff law, under which sugar would have gone on the free list May 1. By a vote of 25 to 19 the Senate receded from an amendment which it had passed extending the existing duty of 1 cent a pound for four years, and which the House refused to agree to in conference.

Democratic Senators cast all of the 10 votes against supporting the House measure, which provides for a flat repeal, thus extending the present duty indefinitely. They were Senators Gore, Hardwick, Huggins, Johnson, Johnson of South Dakota, Lane, Martine, Smith of Georgia, Thomas and Vardaman.

The repeal sought by the Administration to keep up revenues now needs only the President's signature to become effective. The 1-cent duty yields about \$50,000,000 annually. Senate Democrats, finding the House unyielding in its stand for a flat repeal, decided at a caucus to yield and avert any possibility of sugar's going on the free list even for a limited period. The Senate debated the motion to recede all day. Senator Hardwick declared that his Democratic colleagues were forsaking their promise for free sugar without justification, and Senator Thomas, another Democrat, said the proposal meant granting a premium on the watered stock of American sugar companies.

Senator Kenyon, Republican, quoting free sugar speeches of Democratic Senators in 1913, said he welcomed the Democrats into the Republican protective tariff fold.

Chairman Simmons, of the finance committee, replied that the duty of 1 cent a pound was not a protective duty, but under existing conditions a justifiable duty for revenue only.
