

MURIEL'S CONSORT TO BE NAMED SOON

Right to Select "King Joy" Belongs to Pendleton for Electing Queen.

HOME CITY IS LOYAL

Miss Saling Member of Pioneer Family and Deputy in Father's Office of County Clerk—Further Honors Predicted.

Pendleton has given Portland the Rose Festival Queen and now has the privilege of naming also "King Joy," who will appear with the queen in the coming celebration.

The campaign committee that managed the race of Miss Muriel Saling for Queen of the Festival, concentrated its efforts first on her election and, according to Dale Chessman, her local campaign representative, has made no definite plan as to the appointment of the King.

"They will probably take this matter up at once," he said yesterday. "The important thing with us was to elect Miss Saling in the first place, and we had no time to make plans for the possible King to be chosen."

Queen Muriel comes to the Rose Festival not unaccustomed to the ermine, for she has already swayed the scepter over a celebration of almost as great National fame as the Festival.

She was elected Queen of the Roundup in 1912, and it was whispered by her supporters yesterday that her election in Portland makes it an almost foregone conclusion that she will be made Queen of the Roundup again this year.

Queen Daughter of Oregon.

Miss Saling is an Oregon girl and comes of prominent pioneer stock. She is the daughter of Frank Saling, who has been County Clerk of Umatilla County for the past 12 years, and for some years she has been a deputy under him.

She was chosen to represent Pendleton in the contest here in Portland after a "primary" contest in Pendleton, in which she was elected by popular vote over half a dozen other contestants. She is 22 years old, a graduate of the Pendleton High School, a member of the Sigma Xi Honor Society, and is one of the most popular young women in Umatilla County—or, for that matter, so her supporters assert, in Eastern Oregon.

The backing that Pendleton gave her in the race was phenomenal, and her lead over the nearest competitor in the final count was more than 4,000,000 votes. Five million of her votes were cast on the closing day of the contest. Miss Saling is a niece of Mr. and Mrs. P. A. Worthington, of this city. There are about 200 loyal Pendletonians in Portland and when the campaign was on the local manager got in touch with most of them by telephone and put them to work in her behalf.

Defeat Not Entertained.

"They couldn't have beaten us under any circumstances," said Mr. Chessman, "for we would have brought an unlimited amount of support to back her in the race if it had been necessary. We were out to win and to show Oregon how Pendleton does it." Fred Ritzinger, manager of the campaign of Miss Lillian Hendrickson, who is the nearest competitor in the race to Miss Saling, extended to her the manager the heartiest congratulations. "Although we lost we are well satisfied with our showing," he said. "The contest has been conducted fairly and squarely and Miss Saling has our heartiest congratulations. We congratulate also the management of the contest for the fairness with which it has been handled throughout."

All Hall Muriel, Queen of the Rose Festival for 1916: Four million votes turned in late Friday night at the close of the contest swung the election and decided the victory for Miss Muriel Saling, of Pendleton.

When the votes were counted the triumphant girl had 7,432,024 in all, or 4,234,815 more than her nearest competitor, Miss Lillian Cornelia Hendrickson, representing the Foresters of America, of Portland.

At noon Friday Dale Chessman, of the water office, put in one million votes for the Pendleton girl. The race was close up to the last moment, when Mr. Chessman again came to the rescue and made Pendleton's victory doubly sure.

Miss Hendrickson was the first to send her congratulations to Miss Saling.

Others who received large numbers of votes were:

Lillian C. Hendrickson	3,248,211
Eleanor Jackson, McMinnville	2,332,565
Rose Peterson, Oregon City	2,114,435
Mrs. Maude Gorman, G. A. R.	1,970,107

POWDER IN SHOES AS WELL AS GUNS

Foot-Ease to Be Added to Equipment of Hospital Corps at Fort Wayne. Under the above heading the Detroit Free Press, among other things says: "The theory is that soldiers whose feet are in good condition can walk further and faster than soldiers who have corns and bunions incised in rawhide. The Government's foot powder order is regarded as the last word in the scientific outfitting of the defenders of the flag."

The English, French and Allied troops constantly make use of Allen's Foot-Ease. It takes the friction from the shoe and rests the feet. Foot Powder, shaken into the shoes of soldiers, has long been in use in the German army, and Uncle Sam's adoption of this form of treating and easing the feet, emphasizes the testimony of the millions of people of the world over, who are shaking Allen's Foot-Ease, the antiseptic powder, into their shoes, and using it in the foot bath, as the only practical and lasting treatment to ease and prevent sore feet. Sold by Drug and Department stores everywhere, 25c. Sample sent FREE. Address, Allen S. Olmsted, Le Roy, N. Y., U. S. A.

"DATE" WINS LENIENCY

Seattle-Portland Motorist Who Exceeded Speed Limit Fined \$15. For the second time within the month, Municipal Court gossip has been

whose desire to keep an appointment with a fair friend made the wheels fly. H. J. Fox, of Seattle, arrested by Motorcycle Patrolman Frank Ervin, was arraigned before Judge Langguth yesterday for speeding. The testimony brought out a reason for the haste with which Mr. Fox melted down the miles between Seattle and Portland, ceasing not even when he entered the city limits. He came to meet and visit a Portland girl.

DRUNKEN DRIVER PUNISHED

Bail of \$200 Required on Notice of Appeal of Jail Sentence.

Thirty days in jail was the sentence given by Municipal Judge Langguth yesterday for driving an automobile while intoxicated. "Tel as many people as you can get to listen," the court encouraged him "of the stiff and unjust sentence you have received. I want it known that I consider the man who drinks to excess and drives a car as dangerous as a lunatic with a loaded gun."

MATINEE GIRLS ARE DEFENDED BY STAR

Miss Bennett, Appearing in "Cock o' the Walk," at Heilig, Says Hero Worship Is Praiseworthy in Some Cases.

MISS ENID BENNETT, with Otis Skinner in "Cock o' the Walk," at the Heilig for four performances, beginning tomorrow (Monday), thinks that "matinee girls" ought to be encouraged in their enthusiastic admiration of good actors. "Of course," says the actress, "there are matinee girls and matinee girls. The trouble is that people don't distinguish between the good kind and the bad and ridiculous all alike. I have known many sensible, matter-of-fact girls who have been so impressed by the work of a good actor on the stage that they have bought his photographs and gone to see him play whenever they could and followed his career with sincere interest. Now, that kind of enthusiasm seems to me to be a sane form of hero worship and deserves encouragement."

Chambers of Commerce in all of the cities of the Northwest have been addressed by the Portland Chamber of Commerce and requested to co-operate in the campaign for the immediate establishment of a submarine base at the mouth of the Columbia River.

A letter transmitted yesterday to the various chambers points out the fact that the Columbia is the key to the Northwest in case of military invasion and that it is to the commercial interests of the whole district to see that it is properly safeguarded.

Information from Washington has been received indicating that if concerted action is taken by the Representatives of the Northwest the programme for a submarine base in the Columbia will go through, and the va-
