PORTLAND WOMAN WHO HAS PRESERVED FEATURES OF HER GRANDMOTHER IN CLAY AND PHOTOGRAPH OF SCULPTRESS WORKING ON MODEL.

Clay Models of Mrs. Rebecca Flick, of Cove, Or., by Her Granddaughter, Annie B. Lawton

To preserve the likeness of her grandmother, Mrs. Rebecca Flick, of Cove, Or., Mrs. Anne B. Lawton, 629 East Madison street, has modeled a clay likeness of her relative and has had the model photographed to be sent to her people in Oregon and Washington.

The only picture by which Mrs. Flick's descendants could be reminded of the grandmother was a faded snapshot taken several years before her death in 1911. The model was made chiefly from Mrs. Lawton's memory of her grandmother's features.

Mrs. Flick was one of the pioneers of Union County, having come across the plains to Oregon as a girl. Mrs. Flick was 60 years old when she died.

Mrs. Lawton has been modeling clay for about a year. Since childhood she has been studying under a teacher. Two of her productions are admired by her friends as a clay profile of Theda Bara, the motion picture actress, and a "Belgian War Mother," which is a minute figure of a weeping peasant woman.

TOURISTS NOT RETARDED Citizens of United States and Friendly Countries May Visit Canada.

Despite recent reports to the contrary, tourist and commercial travel from the United States to Canada will not be retarded this year on account of the war.

The Canadian Pacific Railroad, through J. V. Murphy, its representative in Oregon, has issued the following information bearing on this subject: Passports are entirely unnecessary; they have never been called for in the past and are not now, and are not likely to be so far as travel between the United States and Canada is concerned.

All United States citizens whether by birth or naturalization, are accorded the same treatment. Persons born in Germany, Austria-Hungary, Bulgaria or Turkey, and who still remain citizens of one or other of these countries, should not visit Canada at this time. Persons born in one or other of the countries named, but who have been naturalized in the United States, may visit Canada if they so desire, but should carry their United States naturalization papers as a means of identification. Persons who are native-born citizens of friendly countries may visit Canada with the same freedom accorded to United States citizens.
