

TY COBB REGAINING STRIDE IN BATTING

Detroit Star Is Fifth Among Americans, While Speaker Continues in Lead.

GRANEY SETS HOMER PACE

Doyle Crowds Daubert for Honors in Nationals and Helps Giants During Great Revival; Carey Has Most Stolen Bases.

CHICAGO, June 3.—Ty Cobb is regaining his regular stride. The Detroit star is batting in fifth place among the American leaguers, and has run his stolen base record up to 11, tying for the lead in that department with Sisler, of St. Louis. Graneley, of Cleveland, is leading in home runs with four and in runs scored with 33, according to averages printed here today and including Wednesday's game. Speaker of Cleveland, who still leads the batters, also is ahead in total bases with 74. Detroit leads in team batting with .260. The American League .300 hitters who have taken part in at least half the games of their team are:

Table with columns: Player, Club, W, L, P, ERA. Lists top hitters like Speaker, Cobb, Graneley, etc.

LARRY DOYLE, last year's champion in the National League, took part in the great revival of the Giants, and with Schulte, Chicago, is crowding Daubert for the lead among the batters of the old league. Carey of Pittsburgh, leads in stolen bases with 15, and Williams, of Chicago, continues to lead in home runs, now having seven to his credit. Williams also is tied with George Burns, of New York, for the lead in runs scored with 23. Doyle leads in total bases with 72. New York leads in the high average of .272, leads in the club batting. The National League's .300 hitters, including only those who have taken part in at least half the games, are:

Table with columns: Player, Club, W, L, P, ERA. Lists top hitters like Daubert, Schulte, Burns, etc.

Leading pitchers of the National League:

Table with columns: Player, Club, W, L, P, ERA. Lists top pitchers like Egan, Coffey, etc.

ROAMER IS BEATEN ON TURF

Peep of Day Outdistances Favorite on Kentucky Track. LOUISVILLE, Ky., June 3.—In a terrific stretch drive, Ed Crump, a 4-year-old Peep of Day-Evayne colt, owned by Joe W. Schorr, of Memphis, overcame Andrew Miller's Roamer, American champion of 1913-14 and favorite in the betting, and by half a length won the fourth annual running of the Kentucky handicap at Douglas Park today. Roamer, shipped here from New York for the race, found his impost of 122 pounds too much. W. J. Young's filly, Water Witch, lasted well in the stretch, and was third, a length back of Roamer, and an equal distance in front of W. J. Weber's Hodge. The time for the mile and quarter was 2:04 2/5. Ed Crump, coupled with Dick Williams as the Schorr entry, was third choice in the pari mutuel wagering at odds slightly better than 5 to 1.

O. A. C. FACULTY WINS

OREGON PROFESSORS DEFEATED ON BASEBALL DIAMOND. Students in Force Attend Opening Athletic Event of Commencement Week at Eugene.

UNIVERSITY OF OREGON, Eugene, June 3.—(Special.)—The faculty of Oregon Agricultural College and the university tied with each other for baseball honors on the local diamond this afternoon. The visitors came out victorious, 14-13.

The game was the athletic event of commencement week and called out the students in force. Alumni were there, too, and seniors in their caps and gowns. As is usual in the class room, it was the faculty that occupied the center of the stage this afternoon, but what a glorious change there was from the stern point of view. No longer was it "Doctor," or even "Professor," but "Look out there, Freddie," as Dr. F. C. Ayer, pitching for Oregon, got in the way of a hard-hit ball, or "That's showing us how, Bez," as Coach Hugo Bezdek muffed a grounder from his position at second.

The game was a hard tuck, with the faculty showing the best of the tussle in spurts. But the visitors were consistent and better able in the rallies. They outthrew Oregon, 13 to 14. Coach Hugo Bezdek was the hero of the Oregon faculty, making four runs, hitting safely three times and walking the other two times at bat. He also pulled off some clever stops and was the scream of the bleachers when stealing bases. He stole four bases during the melee. The visitors did not show so much in the luminary way, but they certainly were on the bingins end of the game and sewed it away in the last few minutes.

The score: R. H. Oregon Faculty.....13 H. O. A. C. Faculty.....14 Batters—Oregon, Ayer and Shoemaker; O. A. C., Wright and Pilkington.

GIRLS OF BENSON POLYTECHNIC DISPLAY FROCKS MADE IN CLASS

Smart Tailored Suits, Pretty Waists, Sports Costumes and Graduation Dresses Prove to Be Interesting to Visitors to Exhibit—Cookery Contests Involve 100 Maids.

LARGE crowds viewed the exhibits of girls' work at Benson Polytechnic School Thursday. Displays of dressmaking, tailoring, remodeling, lace making and domestic science, representing the work covered by the girls during the closing term, were shown. There are 750 girls and women enrolled in the day school and more than 800 attend night classes.

From a meager attendance six years ago the school has developed into so large an institution that many unusual courses are given. Among the garments on display were waists made by the girls at a cost of less than a third than they could be bought for at the shops. Medallions made by the students themselves were attractive trimmings of many striking blouses.

Smart tailored suits of popular Spring and Summer designs formed a part of the exhibit. Silk suits of bright and fancy colors, well made and beautifully lined were an attractive display of student work. Numbers of sports clothes, including suits, blouses, skirts and hats also were shown. Hand-made flowers and charming chapeaux were combined to make the millinery department a novel one. A few of the girls' graduation frocks made by themselves were shown.

An attractive and interesting part of the exhibit was the domestic science department. Cooking, of wholesome foods, preparing of salads and bread and cake baking were featured. One hundred girls competed for the blue ribbon for bread making. Miss Leora Covrman, of the second-term class, and Miss Clara Benedict, of the first-term class, were winners. Brass hammering, design, plain lettering and leather work were illustrated by the art department. Magazine covers, book backs and library decorations were a specialty. All departments showed evidence of advancement and growth during the past year.

COLUMBIA TEAMS MEET

HAMMOND TEAM AND CLATSkanie Eagles to Clash.

Cathlamet Plays at Astoria and Fort Stevens Will Clash With Ilwaco Nine.

CLATSkanie, Or., June 3.—(Special.)—The most hotly contested game of the season is expected here tomorrow, when the East Hammond Lumber Company team, undefeated leaders in the Lower Columbia River Baseball League, crosses bats with the Clatskanie Eagles. An excursion will be taken from Astoria, and many fans are expected to attend the game from out-of-town points.

Manager Bristol has moved McIntyre, his classy little shortstop, over to second, and has placed VanVolkinbers on short in an effort to strengthen the offensive of the local team. Wesley Harvey, the hard-hitting outfielder, has returned to town, and will be seen in his old position. Weber, the ex-Columbia University star, and Poff will work for Clatskanie against Bellinger and Riley for Hammond. Other games in the league tomorrow are Cathlamet at Astoria and Fort Stevens at Ilwaco.

"Big Nine" Retains Baseball.

CHICAGO, June 3.—Baseball was retained as a college sport in the Big Nine conference by a vote taken at a meeting today of the faculty committee. James Paige, representative of the University of Minnesota, cast the only dissenting vote.

SEAL PARK FIRE NIPPED. CIGARETTE NEARLY CAUSES BIG CONFLAGRATION. Unusual Weather Conditions at San Francisco Cuts Down Attendance at Baseball Games.

SAN FRANCISCO, June 3.—(Special.)—Weather conditions in San Francisco have been raising havoc with local baseball attendance. The winds have been unusually high and the weather extremely cold for the past month. Naturally it has tended to cut down the number of fans who have put in an appearance at Recreation Park.

The Seals and Oaks, always a good drawing card hereabouts, opened to a big house on Tuesday, Decoration day, but the following day there was a slim representation. Such wind is rather unusual for this time of the year, and the magnates of the league, who usually depend upon San Fran-

COLUMBIA UNIVERSITY BALL TOSSEES WHO LOST CHANCE TO WIN THE 1916 BASEBALL TITLE OF THE PORTLAND INTERSCHOLASTIC LEAGUE WITHOUT A DEFEAT, BECAUSE OF THE SENSATIONAL 10-TO-7, 10-INNING WALLOPING AT THE HANDS OF LINCOLN HIGH LAST FRIDAY.

Reading From Left to Right—May O. Maloney, Vincent Jacobberger, Foley, Eugene Murphy, Cornelius Murphy, Coach Father Cunningham, Captain Irving Niles, Sheenan, Francis Jacobberger, Mike Bloch, Al Malone and Captain-elect Hughie McKenna. Efforts Are Being Made to Play a Post-Season Championship Series, Jefferson High Scheduling a Game with Columbia for Tuesday.

CALIFORNIA WILL STUDY PLAY SCIENCE

Professional Coaching in Each Line of Endeavor Will Be Featured This Summer.

WOMEN SHARE IN PLANS

Psychology of Games of Football, Baseball or Basketball Will Be Basis of Information Dispensed at Counter.

BY HARRY B. SMITH. SAN FRANCISCO, June 3.—(Special.)—Professional coaching on all and every line of athletic endeavor will be dished up Summer session style, a la cafeteria, at the University of California. All that is required, if you want to gain some information on baseball, basketball and the like, is to step right up to the counter and name your choice.

You may select a big helping of football which will be under the direction of Andy Smith, or of track athletics, which Walter Christie will supervise, and then for side dishes, take a course in boxing or wrestling and for dessert a little exercise in the swimming pool in Strawberry Canyon. And, patterning after the tray juggling eating houses, the authorities have devised a scheme that makes you pay at the end of your fun. Examinations are to be given and they are to be real examinations.

Psychology to Be Studied. It will require more than a strong torso to pass these exams, which are to go straight down to the psychology of the games themselves. Furthermore, if you flunk, you will be given no credit for the work you have accomplished. Andy Smith and Walter Christie are to be the real headliners, in the course that opens June 25 and closes July 15. Smith will teach football in all its branches. He will be assisted by Eddie Mahan, the great Harvard fullback and Bob Vaughn, of Purdue. Christie will teach track and field athletics and is to give lectures on form and training.

Cousins to Watch Over Baseball. Baseball is to be under the watchful eye of Fred Cousins, who turned out a winning freshmen nine this season. He will help out in soccer football as well. Basketball will be taken care of by Ben Cherrington, an Eastern letter man and director of the university Y. M. C. A. Professor Frank Kiesberger and a corps of assistants will show the Sam Stockton, plans to give courses in swimming.

Women Share in Programme. Nor are the women to be neglected. Miss Bertha M. Stuart, of Reed College, in a course of lectures and demonstrations, will cover the therapeutics of gymnastics work, while Miss Ruth M. Wynhall, director of athletics for New York City, is to explain and teach general recreation games for schools and playgrounds. The general aim of the courses will be to further instruct those who are engaged in teaching athletics and to make efficient those who wish to engage in some wholesome outdoor exercises. A small fee will be charged for the courses. This is certainly a case of recognizing athletic work and amateur games as a vocation and is putting this class of amusement on a plane where it is entitled to consideration.

TIE MAY BE DECIDED

LINCOLN LIKELY TO PLAY WINNER OF JEFF-COLUMBIA GAME.

Probability Probably Will Be Settled in Match Next Friday—Carl Knudsen Chosen to Star.

1916 Interscholastic All-Star Baseball Team. Carl Knudsen, Lincoln, pitcher. Eugene Murphy, Columbia, catcher. Eldon Parks, Lincoln, first base. Mike Hastings, Jefferson, second base. Irving Niles, Columbia, third base and captain. Hughie McKenna, Columbia, shortstop. Herman Lind, Lincoln, left field. Denny Williams, Jefferson, center field. Ted Peterson, Washington, right field.

BY EARL R. GOODWIN. For the first time in years, efforts will be made to play off a tie in the Portland Interscholastic League. The 1916 baseball schedule was completed last Friday, when Lincoln High did the unexpected by winning, 10-7, from the Columbia University nine on Multnomah Field. The result of the match put three teams in a tie for the championship of the circuit, Jefferson High, Lincoln High and Columbia University. Coach Homer Jamison, of the Jefferson High, has arranged with Coach Father Cunningham, of the Columbia

University representatives, to play a post-season game on Multnomah Field Tuesday afternoon, and if this is the case, in all probability the championship will be settled next Friday afternoon between the winner of Tuesday's battle and the Lincoln High athletes. Now that the regular schedule has been completed, an all-star team must be selected. This time three Columbia players, three Lincoln, two Jefferson and one Washington player make up the mythical nine. Carl Knudsen is selected as the pitcher, and he hails from Lincoln High. Eugene Murphy, of the collegians, is about the best received in high school circles in several years, and he is chosen catcher now. The infield is made up of Parks, of the Railspitters, on first; Hastings, of Jefferson, at second; Captain Niles at the torrid corner, and Hughie McKenna at shortstop.

Niles and McKenna are from Columbia University. Niles has the distinction of being chosen on the all-star team four consecutive times. In fact, he started when he was a freshman, and has been appointed ever since then. This is his last year in the local league. The mythical nine, Carl Knudsen is selected as the pitcher, and he hails from Lincoln High. Eugene Murphy, of the collegians, is about the best received in high school circles in several years, and he is chosen catcher now. The infield is made up of Parks, of the Railspitters, on first; Hastings, of Jefferson, at second; Captain Niles at the torrid corner, and Hughie McKenna at shortstop.

Ralph Spearow, Lincoln High Athlete, Who Will Make Trip to Chicago, Ill., Meet.

Mike either doubles or triples and is always a dangerous man at bat. Hughie McKenna was elected captain of the 1917 baseball team at Columbia to succeed Captain Irving Niles. Mike Bloch is the new leader of the collegians' coming baseball squad, while Louis Devonshire will lead the track and field team onto the field during the 1917 campaign. Johnny Murphy is the captain of the next football team.

SPEAROW TO GO EAST

LINCOLN ENTERS ALL-AROUND ATHLETE IN CHICAGO MEET.

Students Rally Behind Move to Send Star—Jefferson Decides Notice Is Too Short.

Ralph Spearow, the all-around Lincoln High School track and field athlete, will leave Portland tonight for Chicago, where he will enter the annual interscholastic track and field meet under the auspices of the University of Chicago on Stag Field next Saturday afternoon.

The students of the West Side High got right behind the movement to send their star athlete East, although the idea was only taken up Friday morning. Efforts were made to send a Jefferson High representative, presumably Maurice Snook, in the sprint, but the athletic association of the school decided that it was on too short notice to raise funds for the transportation.

A delegation of Lincoln High followers will see Spearow off tonight at the Union Depot. Coach Fabre had thought of making the trip with his proteges, but business reasons prevent his leaving Portland. The young ralliester has been entered in five events and he is fully able to qualify in each, providing the long and tedious journey half way across the continent does not tire him out.

He will specialize in the pole vault, at which event he is capable of clearing the bar at almost 12 feet in competition, and besides that he will appear in the broad jump, javelin, high jump and discus. Spearow will arrive in Chicago Wednesday night and will work out Thursday and Friday afternoons.

DAILY CITY STATISTICS
