

RUSSELL SMITH'S GEARHART CHAMP

Waverley Player Easily Wins Over Frank Fey in 10 Up and 9 to Go.

COURSE RECORD IS TIED

Title-Holder Makes One Round in 69, Mark Established by Chandler Egan Last Year; Tournament Is Big Success.

BY ROSCOE FAWCETT. GEARHART, Or., Aug. 19.—(Special.)—Russell Smith, of the Waverley Country Club, again won the annual Gearhart golf championship today by defeating Frank E. Fey, of Waverley, in the finals, 10 up and 9 to go.

Champion Smith played sensational golf in his morning round, tying the course record of 69, established by Chandler Egan last year. Par for the beach course is 71.

An idea of Champion Smith's skill can be gained by the following detailed scores: 4 3 4 4 5 4 3 4 3 34 4 3 4 4 6 2 5 4 3 35 Total, 69.

This 49 also won him the men's handicap net, which was run today with 46 entries.

Forest Watson won the men's handicap gross with a 77 on his first turn of the links. Mr. Fey had not quite recovered from his gruelling 39-hole match of the day before and was not in usual form.

For this reason Champion Smith had rather easy sailing in the finals.

GOLF Tournament Public. SPOKANE, Wash., Aug. 19.—(Special.)—A public golf tournament will be held in Spokane on September 2, 3 and 4, on the DeWitt Park municipal course under the direction of Spokesman-Review golf editor.

In addition to the first public tourney in which any amateur golfer in the city is eligible to compete, the competition will also be the first ever scheduled for the new public golf links expected. The qualifying round will be played Saturday, September 2, and will be for 18 holes medal play.

At the Nineteenth Hole. THE annual Hy-Jinx tournament of the Edgewater Club, Chicago, is now on. One hundred and twenty members and invited friends are competing in the 72-hole event, with which a number of other events are combined.

Miss Elaine Rosenthal, of the Ravinole Club, Chicago, will defend her title as Middle Western champion at Grand Rapids, Mich., this week.

Murray Deming, winner of the Chicago city championship, and Gunner Nelson, runner-up, have been asked to join the Chicago team which will represent that city in the golf tournament to be held at St. Louis on September 29, 30 and October 1, to decide the National municipal championship.

Amateur golfers are practicing daily over the Van Cortlandt links, New York, in preparation for the annual city championship and in hopes of gaining possession of the Herald cup, which is given to the winner for one year. The qualifying round will be held on Wednesday, August 23, with the lowest 32 to qualify. The first round of match play will be played the afternoon of the qualifying day, with the semi-finals and finals on Friday.

All matches will be at 18 holes. The tournament is open to boys and young residents of New York. The present holder of the cup is Roger R. Taft, of the North Jersey Country Club, who defeated Paul Fisher, of the Scotch-American Golf Club, last year with his last putt on the home green.

Clothes are a matter of considerable importance in golf. If you wear a jacket let it be a reasonably loose-fitting one with pleats of room under the arms. The woolen cardigan jackets have much to recommend them, since they give to the movement of the arms. It is possible, however, to have too much give, in the sense that over-swinging may be promoted, and for that reason it is preferable that braces be worn instead of a belt.

Edward Clark Rogue Champion. NORWICH, Conn., Aug. 19.—Edward Clark, of Springfield, Mass., tonight won the championship in the 35th annual tournament of the National Rogue Association. He defeated all opponents in the first match. His brother, Harold Clark, last year's champion, finished second.

IRENE CAMPBELL AND WILLMAN WIN

Finals in Murraymead Tennis Tournament Furnish Plenty of Thrills.

MORE CONTESTS AHEAD

In Mixed Doubles and Men's Doubles Contests Are Scheduled Either for Today or Monday on Laurelwood Club Courts.

Albert Willman and Miss Irene Campbell carried off the premier honors yesterday in the finals of the second annual Murraymead Amateur Lawn Tennis Association tennis tournament, Willman winning the 1916 men's singles title, carrying with it the Earl R. Goodwin challenge trophy, and Miss Campbell capturing the women's singles end of the tourney, on the courts of the Laurelwood Club.

Miss Campbell scored another victory when with Miss Harriette Johnson she won the women's doubles from Miss Mabel Ryder and Miss Alice Tucker in two straight sets, 6-3, 6-4. The former Oregon state women's titleholder had Miss Mabel Ryder for her opponent and after dropping the first set, 2-6, Miss Campbell came back with the next two, 6-4, 7-5.

Opponent's Style Studied. In the first set Miss Campbell studied the style of her adversary, but in the second series she played a smashing game and took the affair rather handsily. Her 2-6 score, Miss Ryder then switched her style and but for some sensational work on the part of the "Winged M" racket wielder, the 1916 championships might have changed hands.

The men's singles furnished several thrills. After eliminating Phil Nier, 6-2, 6-7, 6-3, in the semi-finals, Albert Willman had to meet Paul Steffen, the Lincoln High School wizard, in the finals. Steffen surprised Willman by playing him off his feet and taking the first set, 8-6, but Steffen weakened under the fast pace and Willman carried the next three, 6-2, 6-2, 6-1.

their 'steenth bout at the Argentine Boxing Carnival in Buenos Aires about a week ago. The referee called the bout a draw at the end of the 20th round. The crowd pronounced the affair between the two colored heavyweights very tame.

The Ad Wolgast-Joe Arevedo match, which was to have been held at Philadelphia, August 26, has been postponed until September 8. Wolgast, base-puncher Lee Morrissey at Idaho Falls, Idaho, on that date. It will be a 20-round go.

Ever Hammer will meet Johnny O'Leary in a return match on September 11 at Kansas City, Mo.

Bud Anderson, the Vancouver welterweight who has been in retirement since Rex Watson hung a couple on his jaw over two years ago, is going to try and stage a comeback with Benny Corlova at El Paso, Texas, on September 4. Anderson has been working in the mines around that section the last few months.

Tommy Uren, the Australian lightweight, has three brothers, all of them boxers.

Ray Rivers, the Los Angeles lightweight who was recently knocked out in New York by Young Reilly, has been matched by a boy by the name of Young Rector.

Knockout Brown, the Chicago middleweight who recently returned from Australia, where he fought Lee Darcy in a 20-round battle, has been matched to box Battling Levinsky, on Labor Day, in the East.

Leach Cross has decided to take one more fling at the game. Cross is quoted as saying: "If Wolgast can make money at fighting there is no reason why I should not."

Frank Purcell, the well-known Seattle boxing conditioner will arrive in Portland some time this week from Seattle. Purcell will bring the following Seattle boxers with him: Frank Burns, middleweight; Joe Farrell, featherweight; and Harry Anderson, lightweight. He will stay in Portland a week or so if he can land any matches for his boys. From here he is intending to go to San Francisco. If Portland clubs are wise they will pass Purcell up, for he is a trouble maker.

50 ENTRANTS LISTED

SECOND ANNUAL PLAYGROUNDS TENNIS TOURNAY PLANNED

Contests Will Begin Tomorrow and Will Be Rushed Through to Completion by End of Week.

Entries for the second annual Portland public playgrounds tennis tournament closed yesterday, and an even 50 young racket wielders have been listed. The first number on the programme will be contested tomorrow morning at 10:30 on the Washington Park courts, and J. Lee Thompson, superintendent of the Portland public playgrounds, requests that all contestants be on hand promptly at 10 o'clock in the morning.

The drawings and schedule will be made today. There are three classes, with two divisions in each class. The first class is the 4 foot 10 inch boys and girls; the next is the 5 foot 6 inch boys and girls, and the third is the 18-year-old limit.

No take has been set as to when the finals will be played, but it is the intention of the officials in charge to play right through as many matches each day as possible, without tiring the players, and in this way everything will be completed before the week is out. All contests will be played on the six courts of the Washington Park, and it is planned to keep them all busy all the time.

The comparatively small number of entries is because the various parks have held their individual championships and no one but the best players are allowed to compete for the 1916 title. The tournament will be in charge of J. Lee Thompson, superintendent of the Portland public playgrounds.
