## GRAND JURY TO BE DRAWN

Federal Investigators Will Have Batch of Liquor Cases to Act On.

The new Federal Grand Jury for the September term of the United States District Court will be drawn tomor-row. It will have at least 18 members and may have as many as 23. It will be drawn before Judge Bean. About 4) cases are to come before the new grand jury. Many of them are liquor cases in which illegal importation of liquor into Oregon is the charge. The most important case to be investigated, however, is that of the so-called cement trust and its alleged activities in trying to control or ruin the Oregon Portland Cement Company, of Oswego.

Senator Albert J. Beveridge, of Indiana, will make a four weeks' speaking trip through the Central and Western States in behalf of Hughes and Fairbanks, beginning October 5. He will leave Chicago October 6 for Minneral Company, after which he will go through the Northwest to the Pacific Coast and return by way of Arizona, New Mexico, Colorado, Nebraska and Missouri.

Among the cities where he will speak are Chicago Minneral Company, of Oswego.

The efficiency of the British aeroplanes also has contributed to this result. They have won the upper hand in the battle for the mastery of the air. Their work of reconnaissance now interferes greatly with the German longrange guns.

Cocoanut Oil Fine for Washing Hair

If you want to keep your hair in good condition, be careful what you wash it with.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulsified co-coanut oil (which is pure and entirely greaseless), is much better than the most expensive soap or anything also greaseless), is much better than the most expensive soap or snything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.
