

MR. PINCHOT IS TO SPEAK TOMORROW

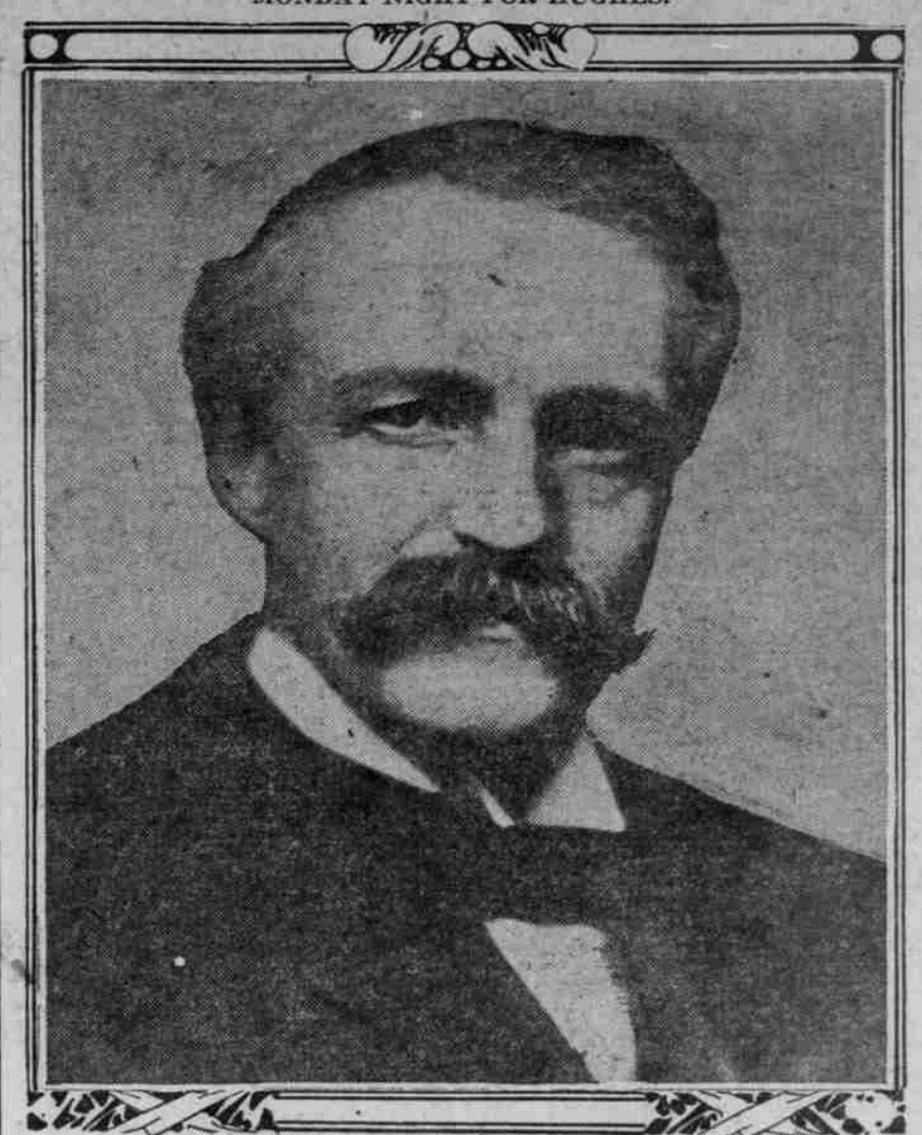

Plans for Address Before Chamber Are Abandoned Because of Schedule.

MULTORPOROS TO WELCOME

Mrs. Kent Will Make Appeal for Federal Suffrage and Songs Will Be Given by Miss Leah Cohen.

Gifford Pinchot, the famous Progressive leader and one of the founders of the Progressive party, who will speak for Charles Evans Hughes in Portland Monday night at the Baker Theater, is now on his way here from Chicago.

EX-CHIEF FORESTER OF THE UNITED STATES, ONE OF THE ORGANIZERS AND MOST ACTIVE MEMBERS OF THE PROGRESSIVE PARTY, WHO WILL SPEAK IN PORTLAND MONDAY NIGHT FOR HUGHES.

Gifford Pinchot.

He made a Hughes address last night at Mandan, N. D., but will make no other speeches until he reaches Portland. From here, however, Mr. Pinchot will make a speaking tour of the principal cities in California.

His speech last night at Mandan, N. D., spoiled plans of Jacob Kansler, secretary of the civic bureau of the Portland Chamber of Commerce, to have Mr. Pinchot speak at the luncheon Monday of the members' council of the Chamber. The plan has had to be abandoned because Mr. Pinchot will not reach Portland until 7:45 o'clock Monday night, only half an hour before his scheduled address at the Baker Theater, Broadway between Morrison and Alder streets.

Multiporpos to greet visitor. He will be met at the North Bank depot by the uniformed marching corps of the Multiporpos Republican Club, headed by Brown's band, and will be escorted to the Baker Theater. There Mr. Pinchot will be introduced by A. E. Clark.

The subject of Mr. Pinchot's address will be "Charles Evans Hughes as a Constructive Statesman." He will be followed by Mrs. William Kent, wife of Representative Kent of California, who will speak in behalf of a National woman suffrage amendment to the Federal Constitution.

A feature of the evening's programme will be the singing of Miss Leah Cohen, the gifted Portland operatic soprano, who is soon to leave New York to carry on her musical studies.

Miss Cohen will sing, accompanied by the band, "Columbia, the Gem of the Ocean," and "America, I Love You."

Speaker in Colonel's friend. Gifford Pinchot, who was Chief Forester of the United States in the Administration of Theodore Roosevelt and during part of President Taft's term, was one of the most prominent and active members of the Progressive party.

He was a member of the Federal Farm Life Commission, on appointment of President Roosevelt, and under conditions and ways for bettering country life. He was the creator of the forestry policy of the United States and an adviser of President Roosevelt. He has visited Oregon on several occasions.

James A. Garfield coming. Mr. Pinchot attended and took a leading part in the Progressive National Convention at Chicago this year. He upheld Theodore Roosevelt, Raymond Robbins, Albert Beveridge, James R. Garfield and other leading Progressives in their endorsement of Mr. Hughes. He has announced his willingness to take the stump personally to aid in the election of Mr. Hughes.

James R. Garfield, ex-Secretary of the Interior under President Roosevelt, at present in Nevada, expects to confer with Mr. Pinchot while he is on the Pacific Coast. They will probably meet somewhere in California. Mr. Garfield, according to his present plans, will be in Portland prior to the election.

Charges Also Are Made That Counsel Formerly Employed Neglected His Interests in Cases.

For the reason that the defendant had never been notified of the trial and knew nothing of the judgment against him until an execution was issued, a motion to withdraw the execution, set aside the judgment and to grant a new hearing in the suit of J. C. Howard against P. R. Keep, was filed in the District Court yesterday by J. A. Mears, attorney for Keep.

ASSESSMENTS TO STAND

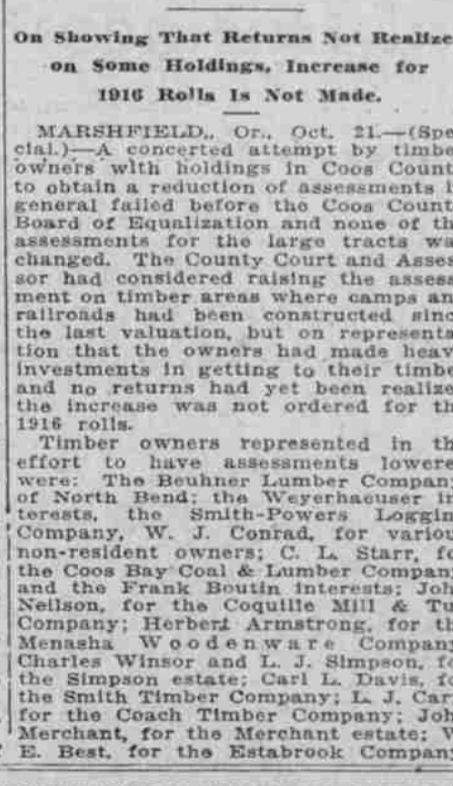

COOS TIMBER HOLDERS FAIL TO GET REDUCTION.

On Showing That Returns Not Realized on Some Holdings, Increase for 1916 Rolls is Not Made.

MARSHFIELD, Or., Oct. 21.—(Special.)—A concerted attempt by timber owners with holdings in Coos County to obtain a reduction of assessments in general failed before the Coos County Board of Equalization and none of the assessments for the large tracts was changed. The County Court and Assessor had considered raising the assessment on timber areas where camps and railroads had been constructed since the last valuation, but on representation that the owners had made heavy investments in getting to their timber and no returns had yet been realized the increase was not ordered for the 1916 rolls.

Timber owners represented in the effort to have assessments lowered were: The Beuhner Lumber Company, of North Bend; the Weyerhaeuser interests; the Smith-Powers Logging Company; W. J. Conrad, for various non-resident owners; C. L. Starr, for the Coos Bay Coal & Lumber Company, and the Frank Boutin interests; John Neilson, for the Coquille Mill & Turf Company; Herbert Armstrong, for the Menasha Wood & Paper Company; Charles Winsor and L. J. Simpson, for the Simpson estate; Carl L. Davis, for the Smith Timber Company; L. J. Cary, for the Coos Timber Company; John Merchant, for the Merchant estate; W. E. Best, for the Estabrook Company.
