In her home town, Bellingham, she is rather prominent and influential, but, for that matter, her Republican opponent, Representative Hadley, also is strong in that section of the district.

An unprejudiced analysis of the situation would give Hadley the betta of the fight. Republican managers claim his re-election; the Democrats have not gotten beyond the position of declaring that "You must look out for Mrs. Axtell."

VICTIMS BURNED ALIVE LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody Will Know.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mix-ture was applied with wonderful effect. But brewing at home is mussy and out-of-date. Nowadays, by asking at any drugstore for a 50-cent bottle of 'Wyeth's Sage and Sulphur Compound,' you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time, By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Wyeth's Sage and Sulphur Compound is a delightful tollet requisite for these who desire a more youthful appearance, It is not intended for the cure, mitigation or prevention of disease—Adv.
