when open for the purpose of receiving votes, except such peace officers as are particularly selected or appointed by the judges to preserve order or control the law within such limits and electors actually desiring and proceeding to vote, and but 10 electors shall be permitted to approach the polls within 50 feet at the same time; provided, however, that the said judges of election shall, if requested, permit one person of each political party, selected by the party, to stand outside of the guard rail at the polls, while open for receiving votes, for the purpose of challenging voters.

Mr. O'Connor called attention to section 2513, which reads in part: "It shall be unlawful for any person at any place on the day of any election to ask, solicit or in any manner try to induce or persuade any voter on such election day to vote or refrain from voting for any candidate, or for any dates or ticket of any political party, or any measure submitted to the people."

Republicans will hold a final rally Monday night at Felling School. It will begin at 8 o'clock. Prominent Republicans will speak and Ben Selling will preside. Among the speakers will be D. Sallis Cohen, George Arthur Brown, Sig Sichel and others. Miss Lorna Abrams and Vivian Delory will give instrumental numbers.

At a meeting at the Portland Hotel yesterday of the Women's Political Study Club, Wilfred P. DALLAS RALLY STIRRING

R. R. HUPLER IN FINE TALK EXPOSES DEMOCRATIC DUPLICITY

Hardships Inflicted on Lumber Industry of Coast by Undervalued Tariff Are Clearly Demonstrated.

DALLAS, Or., Nov. 4.—(Special).—A crowded courtroom greeted R. R. Butler, Republican Presidential elector here tonight, when he spoke upon the issues of the day. The meeting was presided over by a hand concert, Walter L. Toose, Jr., state committeeman, from Polk County, presided. The meeting was very enthusiastic.

Mr. Butler was in fine form, and delivered one of the best campaign speeches made in this county during the present contest. After discussing at some length some of the mistakes of the broken platform pledges of the Democratic party, Mr. Butler went into the constructive policies of the Republican party.

He laid particular stress upon the tariff issue and clearly demonstrated the falsity of the claims asserted here some time ago by Senator Chamberlain that the Underwood tariff measure had had no bad effects upon the lumber industry of the Pacific Northwest. Democratic campaign slogan of "He kept us out of war" came in for just censure, the speaker showing the utter falsity of this claim by a reference to the Mexican situation in a better manner than any other speaker appearing here.

The audience was composed of people of all parties and was most attentive. The effect of the meeting was to give the Republicans more confidence and the Democrats less. Mr. Butler's address was a masterpiece of logic and eloquence. He showed up the mud-slinging campaign being indulged in by his Democratic opponent, Walter L. Toose, Jr., in the whole thing. It is practically admitted on all sides that Polk County will go Republican by a majority of from 600 to 1000.

RELIEF DAY IS FRIDAY

PORTLAND WOMEN TO CANVASS CITY TO HELP ARMENIANS.

Use of Automobiles in Soliciting Funds Gathered by Self-Denial Is Sought by Committee.

Start today and lay away 20 cents. Do it for five days, and then hand the nickels and dimes to one of the women who are canvassing for relief day, which is Armenian Relief day. The money will be sent to Armenia, where thousands are starving and where there is untold suffering. A large committee of Portland women, headed by Mrs. Charles R. Knapp, is conducting the campaign which is being conducted by the women for the Armenian women. The situation in Armenia has been revealed a distressing one as a result of the war, and the campaign has become national in scope.

DOCKMEN GOING TO WORK

(Continued From First Page.) hour overtime on general cargo, and lumber was to be 60 cents and \$1, with special rates for explosives and large sacks of grain. There were included in the list of men who were on the dock at the time of the strike, dockmen, winch drivers and the like, but the new arrangement eliminates those.

Federal Mediator Helps. Mr. O'Connor, who has conducted nine years as head of the international organization, came West from his Buffalo headquarters and succeeded in bringing both sides together on Friday Sound, being assisted by William Blackman, Federal mediator, and then they turned their attention to the Portland situation, gaining success Tuesday when members of Union No. 5 voted to return to their former work for the San Francisco & Portland Steamship Company on Alsworth dock. With that issue settled the strike at large was delivered into and lengthy meetings for the past few days culminated in the action of last night.

From Portland Mr. O'Connor will proceed to San Francisco, being on his way home. The San Francisco trouble was settled a few weeks after the finding of the decapitated bodies lying in the open in front of Naimles' residence.

The dead woman had been housekeeper for Naimles for some time, but Pollock had been visiting him for only a few days. The police said tonight that Naimles had a criminal record.

Pasco Workers Invade Kennewick. KENNEWICK, Wash., Nov. 4.—(Special).—Business men of Pasco, nearly 100 strong, invaded Kennewick today and with brass band paraded the streets, held public mass meetings and worked personally with the people in the interest of the candidacy of E. E. Davis for Superior Judge. The crowd came on a special train.

BIG RALLY CLOSES YAMHILL CAMPAIGN

Victory in Oregon by Vote of 15,000 to 35,000 for Mr. Hughes Is Predicted.

FARMERS CROWD CARLTON

Torchlight Procession, in Which 1000 Visitors, Traveling by Auto and Train, Participated, Is Feature of Programme.

CARLTON, Or., Nov. 4.—(Special).—An enthusiastic Hughes rally here tonight marked the close of a lively campaign in Yamhill County. A special train brought voters from Willamina, Sheridan, Amity and McMinnville, while another special was run from Newberg, Dundee, Dayton and Lafayette.

Automobiles enabled the farmers from other sections to reach town, and at the time of the formation of the torchlight procession forty local voters were ready to help Carlton put the finishing touches to his celebrations so ably staged and enlivened by martial music by the Carlton and McMinnville bands.

Only a portion of the crowd marching in line could gain access to the spacious opera-house, where the McMinnville College Glee Club introduced a number of patriotic numbers.

Republican Worker Speaks. W. B. Dennis, of Carlton, presided at the meeting and introduced Edwin D. Baldwin, secretary of the State Republican Committee, who spoke encouragingly on the bright outlook for the Republican party in the present campaign. His prediction, based on a careful poll of the political situation in the various counties, was for success at the polls by a vote from 15,000 to 35,000 for Mr. Hughes and the Republican party.

County Chairman W. T. Vinton spoke in behalf of the local candidates, nearly all of whom were present. C. W. Fulton, ex-United States Senator from Oregon, the principal speaker of the evening, was then introduced by Mr. Dennis. Mr. Fulton touched upon the conditions existing in the first part of the present Democratic Administration.

Financial Difficulties Cited. The country at the beginning of the European war was in such straits financially that a panic was imminent. Freight cars to the number of 350,000 were idle in the various railroad yards, and industries were to close.

Relief in the so-called Democratic prosperity came in tears and blood, accompanied by the widow's dirge and orphan's cry of stricken Europe. Mr. Fulton fully discussed National issues, dwelling on tariff, the Administration's Mexican policy, foreign policy and the conditions sure to confront the laboring element of this country when the European armies shall have been disbanded and enter the system of industry. Mr. Fulton proved the fallacy of the Democratic claim for credit for passing the child labor bill, the income tax law, parcel post, direct election of Senators and other legislation by Congress inaugurated and carried to success by Republican voters. He scored Wilson's "molasses to catch flies" phrase, designating it rather as Wilson's "vinegar to catch voters."

GIRLS TALK; 12 MEN HELD

Sensation Is Created by Arrest of Youths at Camas.

VANCOUVER, Wash., Nov. 4.—(Special).—Following admissions made by four school girls, all under 18 years of age, and whose names are withheld, Deputy Sheriff George Johnson and Deputy Prosecuting Attorney George L. Davis, assisted by Constable W. W. Laws, arrested 12 young men of Camas last night on charges of contributing to the delinquency of minors. The arrests created a sensation in Camas, where the young men are well known. Five are being held in the County Jail. The sum of \$500 and \$1000 was demanded. The boys' ages range from 17 to 25 years. They are: Ross Clark, Charles Palmer, Charles Litz, Orin Turner, Glen Davish, Lawrence Blair, Earl Tucker, Lloyd Hull, Arthur Newcomb, Edward Betts, William Moyer and Arthur Hanford. Several are high school boys, while others are in the paper mill. They will be arraigned before Judge R. H. Back.

Murdered Pair Beheaded.

REDDING, Cal., Nov. 4.—Alexander V. Naimles was arrested on suspicion here today after he had informed the police that two unidentified men had come to his residence last night and murdered Rosetta Dubin, his housekeeper, and John Pollock, his guest. Subsequent investigation resulted in the finding of the decapitated bodies lying in the open in front of Naimles' residence. The dead woman had been housekeeper for Naimles for some time, but Pollock had been visiting him for only a few days. The police said tonight that Naimles had a criminal record.

Sure Way to Get Rid of Dandruff

There is one sure way that never fails to remove dandruff completely, and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon at night when retiring; use enough to moisten the scalp and rub it gently with the finger tips. By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be lustrous, glossy, silky and soft, and look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.—Adv.

QUALITY WINS

In these days of high-priced leather and great scarcity of fine imported skins many inferior shoes are sold because they look nice. It is at such times as these that the quality which is put into Hanan Shoes is fully appreciated, for Hanan never has, and never will, use anything but the best. His name is put upon every pair of shoes which leaves his factory, and that name means best in shoes.

We offer the season's latest models to our patrons with the conviction that no better value is obtainable.
