

NAVAL MILITIA TO HAVE NEW NAME

Auxiliary Sea Force Are to Be Called Naval Volunteers Under Recently Voted Law.

OREGON MEN ARE PLEASED

Status Will Be That of Regulars When on Active Duty, and Pay for Drills at Other Times Is Provided For.

The Oregon Naval Militia is soon to change its name. It will be known as the Naval Volunteers.

Lieutenant-Commander George F. Blair, of the Naval Militia, has received information that the Division of Naval Militia Affairs is working to prepare the regulations which, under the new naval appropriation bill, are to govern the new Naval Volunteers and the forms for changing from the old to the new system. Notice has been issued that they will soon be ready.

"The Naval Militia is enthusiastic over the new law," Commander Blair said yesterday. "The members believe they are going to have a big, efficient organization in the near future, and that as soon as the provisions of the law are in operation and understood there will be so many applications for enrollment that they will need a bigger ship than the Marblehead to accommodate them."

New Name Pleases. Discussing the change, Commander Blair said:

The new name is probably one of the most pleasing features of the bill. In the estimation of the Naval Militia, the term militia has been used so indiscriminately in the past 100 years that it has little meaning left, and a more specific name was unquestionably needed.

"The National Naval Volunteers are a very restricted class of men, selected for special qualifications and forming the first line of the reserve naval force. Having been enrolled, a member is liable for call by the President for immediate service, either within or without the territorial limits, in case of war or other National emergency, and must serve during the continuance of such war or emergency unless sooner relieved by the President. In time of peace he attends a maximum of 48 drills, and cruises for a period of at least five days each year. A full outfit is issued to him and he is thereafter required to keep it complete. While in actual service he is subject to naval discipline and regulations.

Duty Periods Described.

"A naval volunteer is only on duty during his weekly drill period of about two hours, when upon cruise duty, or when in active service in answer to a call from the President during a National emergency. At other times he is free of all military obligations. In return for the obligations he assumes by enrollment he receives:

"Retainer pay at the rate of 25 per cent of his base pay, but not to exceed \$20 a year.

"Full pay of his rate while on cruise or other ordered duty or in active service in answer to a call of the President.

"Application of the pension laws while in active service.

"Promotion, rewards, brevet rank, medals, etc., while in active service, the same as any regularly commissioned officer or enlisted man of the Navy.

"Retirement with pay after continuous service.

"When in active service there is no difference between a regular and a National naval volunteer. The new act does not make any greater demands on a man's time. He can obtain his discharge as heretofore for sickness, night employment or removal from the district, or a furlough on similar grounds.

"Retainer pay will average from \$1.25 to \$3.50 a man for each drill attended."

TEACHER DEMAND IS HEAVY

Monmouth Head Trying to Meet Calls for Graduates.

OREGON NORMAL SCHOOL, Monmouth, Or., Nov. 11.—(Special.)—Not only are teachers in demand in all counties in Oregon, as expressed by communications from various school officials, but the demand for grade pupils in the state training school are also being growing until the supply believed to be necessary for the immediate future is forecasted as short. A slight response has been made to the demand, but the Monmouth supply of training school children is not elastic.

President Ackerman is studying the situation in an effort to gain the use of more pupils for practice work. The

CHILD'S TONGUE BECOMES COATED IF CONSTIPATED

If Cross, Biliary, Sick, Feverish, or Full of Cold, Take No Chances.

"California Syrup of Figs" Can't Harm Tender Stomach, Liver, Bowels.

Children love this "fruit laxative," and nothing else cleans the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is they become tightly clogged with waste, liver gets sluggish, stomach sour, then "our little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally. Breath is bad, system full of cold, has sore throat, stomach ache or diarrhoea. Listen, mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated taste, sour bile and undigested food pass out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your drug-list for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeiters sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with content—Adv.

system in practice is advantageous to pupils and teachers alike. Every normal school senior must have had 100 hours of practice teaching before graduation is allowed under the standard normal school system.

REBUKE GIVEN TO WEST

Former Governor's Appointees Are Overruled by Jefferson Vote.

MADRAS, Or., Nov. 10.—(Special.)—Two years ago the County seat of Jefferson was located at Culver by the decision of a judge and a commissioner who were appointed by Governor West in the face of a convention which had appointed other commissioners.

At the recent election Jefferson County repudiated the Governor's appointees.

BEAVERTON LOSES OLD RESIDENT BY DEATH.

Mrs. Ann McKay Downing died at her home near Beaverton Friday, aged 81 years. Mrs. Downing was born in Cathness, Scotland, in 1835 and emigrated to America in 1844. She was married to Hiram Downing at Truro, Nova Scotia, in 1860. They moved to Portland in 1874 and in 1875 settled on the home place, where she died. Her husband was killed by the kick of a horse October 7, 1875. She is survived by four children—James B. and H. P. Downing, Miss Alma Downing and Mrs. E. D. McGowan, all of Beaverton.

and voted the County seat from Culver to Madras.

Culver now contends that the election was illegal, although up to the night of election day, according to Madras people, the Culver people maintained that Culver was on the ballot and that a "no" vote on Madras and Metolius was a vote to keep the county seat at Culver.

BACHELORS' CLUB ELECTS

Co-Eds Participate in Arrangements for Co-operative Buying.

UNIVERSITY OF OREGON, Eugene, Nov. 11.—(Special.)—At a meeting of the Bachelors' Club of the University, Wednesday night, permanent officers were elected and committees were appointed to carry on the work during the winter. Twelve members were present among whom were several co-eds who have recently become interested in the organization.

Allen Rothwell, of Eugene, was elected president; Curtis Beach, of Portland, vice-president, and "Bessie" B. of Bridal Veil, secretary. Con Johnson, of Rainier, was appointed chairman of the committee for co-operative buying.

Fred Coley, of Whitaker, is chairman of the committee on varieties of diet and menu.

COLLEGE HEADS TO MEET

Conference of Independent Faculties Will Be Held at Albany.

ALBANY, Or., Nov. 11.—(Special.)—The annual conference of the faculties of the independent colleges of Oregon will take place in this city Friday and Saturday, December 1 and 2. Courses of instruction, scholarships, athletics and other matters of interest to all will be discussed.

The colleges which will be represented at this conference are Willamette University, Pacific University, Reed College, McMinnville College, Albany College, Pacific College and Philomath College.

L. W. Riley, president of McMinnville College, is president of the association, and F. G. Franklin, dean of Albany College, is secretary.

REPUBLICANS FAR AHEAD

Washington Legislature Has But 17 Democrats, All Told.

SEATTLE, Nov. 11.—The striking feature of the Washington election result was the enormous majority of Millie Pollock, Republican, candidate for Senator, over George Turner, Democrat. With 223 precincts missing, Pollock leads by more than 54,000. Wilson's plurality continues near the city, and that of Governor Lister, Democrat, over McBride, Republican, more than 11,000.

Returns from all the districts indicate the following division in the next Legislature:

Senate—Republicans, 25; Democrats, 4.
House—Republicans, 24; Democrats, 13.

FARMERS USE CARS MORE

Albany Man Brings in Trailer Load of Potatoes.

ALBANY, Or., Nov. 11.—(Special.)—Automobiles are being used more and more by farmers in this vicinity in bringing farm produce to town.

One farmer residing near Albany surprised people on the streets one day this week by driving into the city with a wagonload of potatoes, tied to the rear of the car. Others have hauled sacks of potatoes to the city piled up in the car. Clover seed and other produce has been hauled the same way.

One man recently brought a calf to town in his car. Garden truck is frequently hauled to the city in this manner. Some of the gardeners, however, have regular auto-trucks.

CARD OF THANKS.

I wish to thank the many friends for their many acts of kindness shown through the long sickness, and death of my beloved husband, Edward Antonisen. Also for the beautiful flowers, especially to the Portland Fire Department, and No. 19 to which house he belonged at time of death.

HI GILL TO GIVE DRY TALK

BENEFITS OF PROHIBITION IN WASHINGTON WILL BE TOPIC.

Luncheon Tuesday Arranged and Business Men Invited to Hear Informal Discussion.

Portland business men have been invited to attend a luncheon at the Multnomah Hotel at noon next Tuesday to hear H. C. Gill, Mayor of Seattle, discuss the benefits of prohibition in the state of Washington.

Mayor Gill is active in the enforcement of the prohibition law in his home city and will present reports showing its effects and the methods of enforcement. He will compare notes with Portland and needed changes, if any are needed, will be pointed out.

Arthur Langsuth, Judge of the Municipal Court, of Portland, will discuss the sale of alcohol in drugstores. A series of questions and informal discussions will follow.

The following group of Portland business men interested in the prohibition movement constitute an invitation committee for Tuesday's luncheon:

H. R. Albee, J. K. Gill, Thomas Roberts, D. A. Pattullo, C. G. Wilson, J. L. Hartman, John H. Boyd, S. R. Hurston, Robert S. Farrell, Arthur Langsuth, Herbert Gordon, Fletcher Linn, J. S. Bartley, T. W. Lane, A. King Wilson, John Bain, J. J. Rose, E. Quackenbush, E. A. Baker, J. T. Wilson, W. O. Shank.

SALESMEN HEAR TALKS

Programme at Pure Food Show Is Planned for Friday Night.

Richard Atkinson was chairman of the evening at the regular meeting of the Portland Salesmen's Club at the

Oregon Hotel Friday night, and S. C. Lancaster was speaker. Marguerite Moore, Housewife sang several numbers. Chairman Atkinson called on several of the members for one-minute talks.

The Portland Salesmen's Club will give a programme at the Pure Food Show in the Ice Palace next Friday night, at which time the Women's Quartet will be featured. On November 22 the club will give a dance and card party in the East Side Business Men's Club.

Springfield Officials Elected.

SPRINGFIELD, Or., Nov. 11.—(Special.)—The Presidential race was not the sole cause for the extreme interest taken in Springfield. This city elected M. C. Bressler and M. W. Weber, councilmen on the citizens' ticket. Herbert C. Walker was re-elected Recorder.

Most Effective Remedy Mother Had Ever Used

Dr. Caldwell's Syrup Pepsin Relieves Baby When Other Medicines Failed.

There is nothing so necessary to a child's health and comfort as regularity of the bowels. All children are especially susceptible to stomach trouble and any overstrain of the sensitive organs has a tendency to obstruct elimination. This condition is responsible for much of the illness of childhood.

To relieve constipation a mild laxative should be employed. Cathartics are harsh and irritative, and violent action and should be avoided. Mrs. Alfred Du Bois, Mrs. Holly, N. J., says Dr. Caldwell's Syrup Pepsin is without doubt the most effective remedy for constipation she has ever used and that it is the only remedy she could find for her baby. Little Earl was badly constipated during his first year and nothing she tried seemed to help him until she got a bottle of Dr. Caldwell's Syrup Pepsin. Now he is a fine, strong, healthy boy, and she thanks Dr. Caldwell for it.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin, free from opiates or narcotic drugs; it acts gently without griping or other discomfort, and appeals to children because of its pleasant taste. Druggists everywhere sell it for fifty

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No grating is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth," now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them, 10c and 25c per box. All druggists.

W. R. Dimm was chosen Treasurer. One amendment to the city charter was passed, removing a farm from the city limits east of here.

OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head and Nose are Stuffed Up.

Count fifty: Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more snuffling, hawking, mucous discharge, dryness or headache; no struggling for breath at night.

Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed-up and miserable. Relief is sure—Adv.

To avoid imitations and ineffective substitutes always be sure to ask for Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. EASY TO DARKEN YOUR GRAY HAIR

You Can Bring Back Color and Luster With Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though at home is messy and troublesome. For 50 cents you can buy at any druggist the ready-to-use preparation, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite and a medium by which it is not intended for the cure, mitigation or prevention of disease.—Adv.
