

### TRAFFIC VIOLATORS SET NEW RECORD

#### Thirty Lined Up Before Judge Langguth as Result of Two Day's Police Work.

### VARIED EXCUSES ARE GIVEN

#### D. J. Malarkey, Jr., Said He Drove at 25-Mile Gait Over Broadway Bridge to Get Bait Dressed, but Is Assessed \$10.

Records were broken in the Municipal Court yesterday when 30 speeders and traffic violators, an aggregation representing nearly as many trades and professions, were lined up before the bar of justice. It was the largest day's business in traffic violators handled by the court since Judge Langguth took the bench. The fines levied represented a grand total of \$289.

Of the 30 violators four were arrested by Motorcycle Patrolman Crane, one by Patrolman Young, one by Patrolman Long and the remaining 24 were victims of Speed Policeman Frank Ervin. They were all arrested within the past two days.

The heaviest sentence was handed to K. B. Stevens, an engineer at St. Johns. It was five hours in jail and a fine of \$25 for speeding on his motorcycle.

According to Patrolman Ervin, Stevens was driving at the rate of 40 miles an hour down Lombard street.

**F. Maple Fined \$10.** The testimony of Patrolman Ervin was that Maple was going 27 miles an hour in his automobile down Ladd avenue. He was arrested at Ladd and Hawthorne avenues.

A bolt under his arm which required medical attention caused D. J. Malarkey, Jr., to drive across the Broadway bridge at the unwonted speed of 25 miles an hour. The result was that he was arrested by Patrolman Ervin. D. J. Malarkey appeared in court with his son and explained the situation. The judge considered the case to be not an aggravated one and levied a fine of \$10, to be paid in weekly installments of \$1.

"Speeding is not an accident in the great majority of cases," declared the judge in pronouncing sentence. "It is a habit. The only safe way is to cultivate the habit of keeping the speed down."

**W. Roseman, jitney driver,** who appeared in the Municipal Court yesterday for the fifth time on charges of traffic violation, promised to go out of the jitney business and was suspended. He was arrested by Patrolman Ervin on a charge of speeding.

**Cell Shown John Noce.** John Noce, arrested by Patrolman Ervin for speeding, was required to take a look at a cell where speeders are confined before being released. He was fined \$12.

Other fines levied were: R. A. Hill, speeding, \$12; Roy Howard, speeding automobile, \$12; C. P. Scott, speeding automobile, \$10; J. R. Hanson, speeding auto, \$10; L. Leadbetter, speeding auto, \$10; W. Bouton, no lights, \$2; Arthur Paulson, speeding auto, \$12; C. C. Moore, speeding auto, continued for sentence; Ben Johnson, speeding auto, \$10; W. Morrell, speeding auto, \$10; Harry Gustafson, speeding motorcycle, \$12; Ed Carlson, speeding motorcycle, \$10; Frank Eggersberg, speeding auto, \$12; V. Struble, speeding motorcycle, \$10; A. W. Lange, auto no lights, \$2; V. Ho, speeding motorcycle, \$12; S. Simmons, speeding auto, \$10; F. A. Broadman, speeding auto, \$10; C. Tompkins, wagon no light, \$2; John Heinicke, wagon no light, \$2; A. Platt, wagon no light, \$2; C. F. Wakefield, speeding auto, \$10; Harry Olsen, speeding auto, \$10; Monte King, speeding auto, \$10, and D. Klesby, speeding auto, \$10.

### WATER WORK RENEWED

#### BANDON GETS HIGHER PRESSURE BY RECONSTRUCTION.

HONDS Sold in January, But Actual Construction Held Up Until July and Then Interrupted.

MARSHFIELD, Or., Nov. 18.—(Special.)—The City of Bandon has completed the reconstruction of its water system and has an up-to-date distribution and a pressure said to be entirely satisfactory. The bonds for the purchase of the system were sold in January, 1916, but the actual work of rebuilding the system was not started until July. There were frequent in-

terruptions afterwards, according to the report of City Engineer J. S. Sawyer, who directed the work.

In all 49,181 feet of new redwood pipe of from 4 to 14 inches in diameter were utilized and 1516 feet of cast-iron pipe of 10-inch and 48 feet of 6-inch. The total cost of the improvements was \$42,780.68. At a recent fire in Bandon the efficiency of the system was proved and the flames were extinguished quickly, whereas, before the system was rebuilt, the city was practically at the mercy of any fire, since there was no pressure adequate for fire fighting.

The city is now numbered among the best equipped for water service, both for domestic purposes and for fire protection.

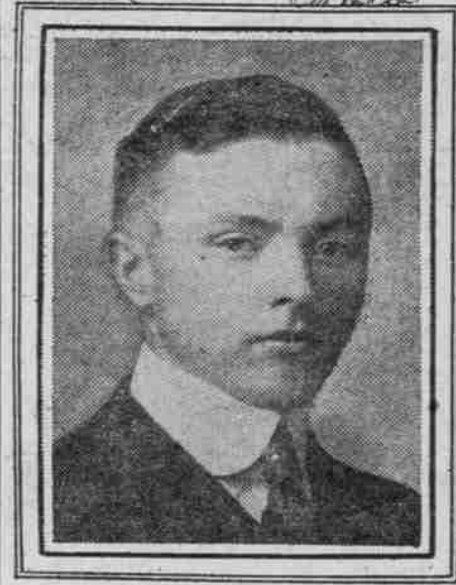

### HOOD RIVER BUYS LIQUOR

#### Adoption of "Bone Dry" Law Stimulates Shipments.

HOOD RIVER, Or., Nov. 18.—(Special.)—The adoption by the people of Oregon of the "bone-dry" prohibition law has stimulated to a marked degree local receipts of liquor since election day last week. The records of the American Express office show that 95 packages, each containing two quarts of liquor, have been delivered for the past week.

Shelves of the office are now loaded with packages of strong drink. The figures given are considerably in excess of those of last month, when an

average of seven packages a day were delivered here.

Since the election approximately a fourth of the money orders issued by the local postoffice have been in payment for liquor ordered from California points. More than \$350 has been sent away in money orders for liquor the past week.

### LIQUOR SHIPMENTS GAINING

#### North Yakima Expected to Have Total of 10,000 Permits for Year.

NORTH YAKIMA, Wash., Nov. 18.—(Special.)—Before the close of the year 10,000 permits for shipment of liquor from California and Montana to residents of Yakima County will have been issued at the present rate of applications.

With approach of the holidays, the County Auditor expects the demand to become greater. About 8000 permits have been issued since January 1, when the dry law went into effect. The business has shown a rapid increase since early last Summer. Every business day now sees a waiting list at the license counter most of the time. On some days more than 100 permits have been issued.

### SHERIDAN CLUB TO FORM

#### Business Men to Effect Permanent Organization for Luncheons.

SHERIDAN, Or., Nov. 18.—(Special.)—J. C. Herberman, of Portland, addressed 50 of Sheridan's business men this week at a mid-day luncheon at the Hotel New Sheridan with a community development talk. The businessmen have decided to perfect a permanent organization and hold monthly luncheons.

The women of the Sheridan Civic Improvement Club have endorsed the idea heartily. The city beautiful committee of the Civic Club and the Common Council are working hand in hand and as a result of the get-together spirit occasioned by the meetings Sheridan contemplates many improvements.

### Kelso Shipping Potatoes.

KELSO, Wash., Nov. 18.—(Special.)—Four carloads of potatoes have been shipped from Kelso during the past week for Bandon and other California points, and buyers who are working in the local section are clamoring for more cars. All the buyers have orders for five or six cars, but are able to get only one or two cars a week for Eastern shipment. Prices continue to range around \$1.50 and \$1.85 a hundred weight, but many of the Coville Valley potato growers are holding the bulk of their crop for higher prices in the Spring.

## Hope Almost Abandoned When She Found Remedy

### Dr. Caldwell's Syrup Pepsin Relieves Chronic Case of Long Standing.

After a long period of suffering with liver and bowel trouble that brought on piles, during which she had tried many remedies without obtaining relief, Mrs. Mary J. Jewell, of Berrien Springs, Mich., heard of Dr. Caldwell's Syrup Pepsin and obtained a bottle from her druggist. This simple, inexpensive laxative compound brought almost immediate relief and Mrs. Jewell wrote to Dr. Caldwell about her case.

In her letter Mrs. Jewell says: "I had tried so many things for the piles without being helped at all. I had about given up hope of ever being any better. I knew it was the condition of my bowels that caused them, and after I had taken a bottle of your Syrup Pepsin I knew it was just the medicine I needed. I am very grateful to you for sending me the little book—the advice and instructions it gives would teach anyone how to get well and how to keep well."

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin, free from opiate or narcotic drugs, and is mild and gentle in its action, bringing relief in an easy, natural way, without griping, or other pain or discomfort.

### REED PLAYS BILLED

#### Two French Dramas to Be Presented Next Week.

### LITTLE THEATER CHOSEN

"The Romancers," by Edward Rostand, and "French Without a Master," by Tristrand Bernard, Chosen by Students.

Portland theater-goers will have an opportunity to see two productions of modern French drama next Friday evening and Saturday afternoon, when members of the Reed College Drama Club will present Edward Rostand's "The Romancers" and Tristrand Bernard's "French Without a Master" in the Little Theater at Twenty-third and Washington streets.

Rostand, who made the world smile with his "Chanticleer," has preserved

Harvey Eagleton

the same delicate humor in "The Romancers," which is the story of a romantic young couple, two scheming fathers and a spite fence. The fence is an extremely formidable one, constructed of stone and completely separating the estates of the two fathers. Passing years break down the hard feeling between the girls. They wish to unite their estates, so they tear down the wall and scheme to unite their only children, a son and a daughter, by marriage. This is done by imposing upon the romantic nature of the young people. A swordsman is hired to "fake" an abduction of the young woman at a meeting with the young man. Combat ensues. The swordsman feigns a mortal wound. The victor embraces the rescued heroine. The fathers arrive on the scene, give each other the wink and bless the young people.

**Laughing is Happy.** They rebuild the wall. The disillusioned romantic couple separate and the swordsman, who the old men refuse to pay because the engagement is broken, plans a real abduction of the daughter, claiming that he is a marquis, disguised as a stone mason. But, bad as the tangle appears, Rostand straightens it out to the satisfaction of the characters and the delight of the audience.

Bernard's "French Without a Master" is a one-act curtain raiser, which will be staged in connection with the Rostand comedy. It deals with the tribulations of a young Englishman who elopes with a Parisian maiden and falls into the clutches of "Percy," an English tramp, who poses as a hotel interpreter, but who can "parlez-vous" no more French than his unfortunate dupe. Things get so bad that the law has to step in.

**Professor Merriam, Coach.** The collegians are working hard on both plays. H. C. Merriam, assistant professor of English at Reed, is coaching the players, but the actors themselves are also giving a great deal of time to the careful study of their parts. Since rehearsals began several changes have been made in the casts which are at present as follows: "The Romancers"—Perinet, Harvey Eagleton; Sylvette, Levander Chulinar; Strador, Ambrose Brownell; Pasquiot, Maurice Howard; Bergamin, Arthur House; Blaise, Kirk Prindle; Notary, Dale Hinkle; "French Without a Master," Gerold Foster, Dale Hinkle; Chanoine-Malherbe, Gilbert Benson; Sarraphine, Louise Caswell; Percy, Kocheber; Chung; Porter, Kirk Prindle; Cashier, Wilma Dittreich; officer, Orie Chamberlain.

The students are planning to stage the plays as simply as possible. All superfluous scenery which tends to distract from the action of the players will be done away with.

**Home Industry Body to Meet.** The Home Industry Association will hold a meeting Monday afternoon at 4 o'clock in the gray parlors of Hotel Multnomah.

Druggists everywhere sell Dr. Caldwell's Syrup Pepsin for fifty cents a bottle. To avoid imitations and ineffective substitutes be sure you get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.
