

POULTRY SHOW IS THIS WEEK'S BILL

New Record Made in Entry List and Larger Space for Display Provided.

\$2000 OFFERED FANCIERS

Judging to Be Done Today, so That Premiums May Be Exhibited All Week—Space Provided for Juniors and Lecture Set.

With a total of 1822 entries, not including turkeys, ducks and geese, the eighth annual show of the Oregon Poultry & Pet Stock Association will open tomorrow and continue all week on the second and third floors of the New Failing building, southeast corner of Fifth and Alder streets.

More than \$2000 will be given in prizes this year, the substantial premiums offered having resulted in greatly increased interest among the fanciers. Indications are that the competition will be very keen, particularly in some of the more popular breeds.

Judges Are Named. It is hoped to have the bulk of the judging completed today, so that the majority of the prize-winners may display their premiums during the entire week of the show.

Twice the space which was available for the show last year has been procured for this year's show. As a consequence it will be much easier to handle the crowds which are expected to visit the display of birds and pets this year.

Feature of the show will be the exhibit by the boys and girls of the junior division of the manual training department of the public schools. They will have an exhibit of their own as part of the show.

School Representatives in Charge. H. E. Spaulding, director of manual training at Washington High School, and A. R. Muir, director of manual training at the Woodstock and Albion Home-learn schools, are in charge of the exhibits.

In connection with the exhibit put on by the school children, a lecture will be given to them and their friends in the auditorium of Lincoln High School next Saturday morning at 10 o'clock by the Rev. J. D. Ringhouse, pastor of the First Presbyterian church.

Exhibit Best on Record. The exhibit is declared by those in charge to be the most comprehensive, as well as the largest, ever put on by the association. All the important breeds of poultry, as well as those of ducks, geese, turkeys and pigeons, will be represented.

GEORGE H. HILL DIES

Life for 35 Years Connected With Portland Activities.

HIGH MASONIC POSTS HELD

Widow and Two Daughters Survive

Deputy City Treasurer—Born in England 62 Years Ago and Came to America in 1876.

George H. Hill, prominent in local Masonic circles and former vice-president of the Title Guarantee & Trust Company, passed away yesterday morning at his home, 255 Twelfth street, after an illness of some weeks.

For 35 years Mr. Hill had been a resident of Portland, where he was widely known and popular. During the past six years he was a deputy in the City Treasurer's office. He was one of the best known of local Masons and was past eminent commander of the Oregon Commandery Knights Templar.

Mr. Hill was born in England October 14, 1854. Forty years ago he came to this country.

When bookstores were rareties in Portland, Mr. Hill opened a book and stationery store at First and Morrison streets, a business in which he was engaged for several years. Afterward he was employed by the First National Bank and later became an official of the Title Guarantee & Trust Company. He was vice-president of that institution when it went into the hands of a receiver.

Various other business activities engaged Mr. Hill, until he became connected with the City Treasurer's office, six years ago. He was constant in service until last July, when illness overtook him.

He is survived by his widow, who was Miss Minnie Nicholson, whom he married in 1880, and by two daughters, Mrs. H. E. Chapman and Mrs. Beatrice Gadsby, of this city.

Funeral services will be conducted Monday at 11 o'clock from Finley's chapel, with interment in Riverview Cemetery. The names of pallbearers have not been announced.

TRAIN SERVICE PROMISED

Improved Schedule Due for Oregon Eastern Branch.

SALEM, Or., Dec. 2.—(Special.)—A petition of citizens residing in Burns and Ontario, asking for an improved train service on the Oregon Eastern and Homedale branches between Ontario and Crane, which was filed some time ago with the Public Service Commission, has been effective in bringing a statement from the railroad company that a time card is now in the course of preparation which will give a service as asked for by the petitioners, with the exception of a six-day service between Ontario and Homedale.

Between Ontario and Homedale, it is stated in the communication, the business does not justify a service of six times a week, as the present service shows earnings of less than 10 cents per train mile.

STREET FESTOONS STOLEN

Motorists Are Warned of Arrest if Decorations Are Taken.

Motorists and passerby, who have carelessly plucked sprigs from the evergreens which are stacked along the streets for the holiday decorations, must refrain or accompany a patrolman to the police station on a larceny charge.

Orders to this effect were issued last night by Police Captain Inskip, after complaint had been made that motorists were looting the convenient supply to decorate their cars in true holiday trim.

Those who feel the yearning for evergreens would best serve their own interests if they visit the suburbs and hack down a few fir saplings for themselves, is the police warning.

Special Directions FOR THE Benetol Treatment

As a means of effecting a permanent and positive recovery from indigestion, gas on the stomach, lower bowel troubles, gastritis, catarrh of the stomach, ulcerated stomach, stomach sore throat, grip, biliousness, ptomaine poisoning and all similar ailments.

For Stomach or Bowel Troubles, take 5 drops in 1/2 glass of hot water, in the morning upon first arising. Same after breakfast, dinner (or lunch) and supper and again at bedtime. This should be gradually increased from 10 to 20 drops per time.

For Grip, Sore Throat, Tonsillitis, Hoarseness, Etc., make a Benetol solution by adding 20 drops of Benetol to a glass of hot water. Keep this at hand and gargle frequently, swallowing a little each time, but not more than 10 drops.

For Ptomaine Poisoning—take teaspoonful of Benetol in glass of hot water. If vomiting occurs, repeat the dose until retained by the stomach. Take thorough cathartic and if violent send for a physician. After pain ceases, continue with 10 drops of Benetol to a glass of hot water five times daily and keep bowels open with any good cathartic.

Benetol Sold By All Good Druggists As Follows:

1-oz. Bottles in Red Cartons at25c 3-oz. Bottles in Red Cartons at50c 6 1/2-oz. Bottles in Red Cartons at\$1.00 15-oz. Bottles in Red Cartons at\$2.00

Always insist that your druggist supply you with Benetol in the original Red Cartons.

Note: Benetol is not a cathartic. If you have been depending upon pills or any form of purgative, it will be necessary for you to continue with some form of cathartic for a short while until Benetol can have a chance to fight the wrong you have been doing yourself. After a short while you will not require any more false stimulants for the bowels.

(We would suggest the use of carbonated citrate of magnesia as a temporary cathartic during the few days required for Benetol to show definite results.) Benetol is a wonderful stimulant to all the organs of digestion and may be used at any and all times with never failing delightful results. After you feel that a few weeks of the Benetol Treatment has effected a cure of your troubles, it will be an excellent practice for you to continue taking 15 to 25 drops in a glass of hot water every morning. This will keep your entire system antiseptically clean and fortified against germ diseases.

CAUTION

Do not accept Benetol from any Druggist in any other way than in the Original Red CARTON. Some Druggists will attempt to dispense Benetol out of large bottles. You should refuse it. There is no advantage for you in accepting such, because you do not get the directions which are packed in all Original Cartons. Benetol without directions is like a boat without a rudder.

For any desired information regarding Benetol preparations, address THE BENETOL COMPANY—Benetol Building—MINNEAPOLIS, MINN.

A CHILD DOESN'T LAUGH AND PLAY IF CONSTIPATED

Look, Mother! Is Tongue Coated, Breath Feverish and Stomach Sour?

"California Syrup of Figs" Can't Harm Tender Stomach, Liver, Bowels.

Mother! Your child isn't naturally cross and peevish. See if tongue is coated, the eyes are red, the little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath has the sour odor, does not eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowels cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful and in a few hours all the foul waste, sour bile and fermenting food which is lodged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company."—Adv.

George H. Hill, Prominent Mason and Deputy City Treasurer, Who Died Yesterday.
