Every Day That You Suffer From Rupture—Every Hour of Truss Torture That You Endure—After You Read This Page, Is Your Own Fault.

Instead of the Hard Pad of a Truss, Use the Soft Rubber Pneumatic Cushion of a Brooks Appliance. Instead of Forcing the Broken Tissues Apart With a Pad, Draw Them Gently Together With a Brooks Appliance. Instead of Wearing a Steel Spring or an Inflexible Harness, Try the Velvet Soft Brooks Appliance. The Brooks Appliance Clings to You Without Force and You Are Hardly Conscious of Its Presence. And, Above All Else, IT HOLDS ALWAYS.

The Brooks Rupture Appliance Is Sold Round the World

While the home of the Brooks Appliance Co. is at Marshall, Mich., its business extends to practically every corner of the civilized world. The home building at Marshall is the largest establishment of its kind in this or any other country, and occupies 25,000 sq. ft. of floor space exclusively devoted to the manufacture and sale of the Brooks Appliance. (This does not include printing offices, or other interests.)

In London, England, the Brooks Co. maintains a large establishment—corner Kingsway and Portland street.

In Amsterdam, Holland, the European business is conducted from No. 4 Paleisstraat. You will be most welcome and will receive most careful personal attention in any of the Brooks Institutions, either in this country or abroad.

Even in China, Japan, Africa, South America, Asia, Alaska, and in fact all over the world, even to remote islands of the seas—wherever civilization has forced her way—you will find the Brooks Rupture Appliance bringing relief and comfort to rupture sufferers.

"Cured by the Brooks Discovery" At the Age of 76.

Mr. C. E. Brooks, Marshall, Mich. Dear Sir: I began using your Appliance for the cure of rupture (I had a pretty bad case) I think in May 1905. On November 20, 1905, I quit using it. Since that time I have not needed or used it. I am well of rupture and rank myself among those cured by the Brooks Discovery, which, considering my age, 76 years, I regard as remarkable. Very sincerely yours, SAM A. HOOVER, High Point, N. C.

"Didn't Know He Had It On"

Brookton, Mass. Mr. C. E. Brooks, Marshall, Mich. Dear Sir: I feel that I am neglecting my duty in not writing to you before. As you remember, we got one of your Appliances for my boy, 14 years of age. Well, I take great pleasure in telling you he is entirely cured. He wore it six months, and a few weeks ago left it off to give it a trial, and it has proved just as you said. We fitted him to several trusses since he was three years old and all failed to give satisfaction. You can use my name as reference if you like. Thanking you for the same, I remain yours very truly, MRS. EDITH BOSWORTH, 152 Lyman St. P. S.—He also said that he didn't know he had it on, it was so comfortable.

The Above is C. E. Brooks, Inventor of the Appliance, Who Has Been Ruptured for Over 30 Years. If Ruptured, Write Him Today at Marshall, Mich. He Knows All the Torments of Rupture From Personal Experience. Mr. Brooks Cured Himself and Now Stands Ready to Give You the Benefit of His Experience and Years of Study.

Within an Hour After You Receive Your Brooks Rupture Appliance You Will Have Thrown Away Your Truss Forever.

For Many Years We Have Been Telling You That No Truss Will Ever Help You. We Have Told You the Harm That Trusses Are Doing. We Have Told You That the ONLY Truly Comfortable, Sanitary and Scientific Device for Holding Rupture Is the BROOKS RUPTURE APPLIANCE. Now We Are Offering to Send You This Appliance ON TRIAL to Prove It.

Pennsylvania Man Thankful

Mr. C. E. Brooks, Marshall, Mich. Dear Sir: Perhaps it will interest you to know that I have been ruptured six years and have always had trouble with it till I got your Appliance. It is very easy to wear, fits neat and snug, and is not in the way any time, day or night. In fact, at times I did not know I had it on, it just adapted itself to the shape of the body and seemed to be a part of the body, as it clung to the spot, no matter what position I was in. It would be a veritable Godsend to the unfortunate who suffer from rupture if all could procure the Brooks Rupture Appliance and wear it. They would certainly never regret it. My rupture is now healed up and nothing ever did it but your Appliance. Whenever the opportunity presents itself I will say a good word for your Appliance, and also the honorable way in which you deal with ruptured people. It is a pleasure to recommend a good thing among your friends or strangers. Yours very sincerely, JAMES A. BRITTON, 80 Spring St., Bethlehem, Pa.

Brings Instant Relief, Perfect Safety and Everlasting Comfort

The Brooks Rupture Appliance is beyond question the most universally endorsed appliance of any kind in the world for the retention and cure of a ruptured condition in men, women and children. It is the result of more than 30 years' experience and the percentage of actual cures effected by its use is a little short of miraculous. The Brooks Appliance has so many imitations that it is never sold in drug stores, or in any other way than by mail, direct from the maker. This is further necessary because every Brooks Appliance is especially made and fitted for the case for which it is intended. Many hundreds of Physicians and Surgeons recommend the Appliance and condemn trusses as more harmful than almost any other method of retaining or treating rupture. You may not think that a rupture appliance can ever be truly "comfortable"—but that is because you have never tried Brooks'.

Others Failed, but the Appliance Cured

Mr. C. E. Brooks, Marshall Mich. Dear Sir: Your Appliance did all you claim for the little boy and more, for it cured him sound and well. We tried several other remedies and got no relief, and I shall certainly recommend it to friends, for we surely owe it to you. Yours respectfully, WM. PATTERSON, No. 717 Main St., Akron, O.

119 Towle Ave., Mishawaka, Ind. Mr. C. E. Brooks, Marshall, Mich. Dear Mr. Brooks: Answering your letter, will say we need no more Appliances, as our son has been completely cured by wearing your Appliance. We recently had him examined, and the doctor said the opening was entirely closed and that it wasn't necessary to wear it longer. I can now honestly and thankfully say that I am completely cured, and I wish to thank you many times for what you have done for me. "Seems Impossible"

Holland, Indiana. Mr. C. E. Brooks, Marshall, Mich. Dear Sir: Having used one of your Appliances until it was worn out, I have been going without it for nearly a year and have not been troubled the least bit with my rupture, so I am well satisfied I am cured. It seems impossible, but I have gone through a Summer's work on a farm without one and have not been troubled. I was born ruptured and never wore a truss until I was 21 years of age, and got your Appliance. If I ever need another one I shall send in my order. Yours truly, BARNEY OSKINS, R. F. D. No. 7.

Ten Reasons Why Cured Without Operation

- 1. It is absolutely the only Appliance of the kind on the market today, and in it are embodied the principles that inventors have sought after for years.
2. The Appliance for retaining the rupture cannot be thrown out of position.
3. Being an air cushion of soft rubber, it clings closely to the body, yet never blisters or causes irritation.
4. Unlike the ordinary so-called pads, used in other trusses, it is not cumbersome or ungainly.
5. It is small, soft and pliable, and positively cannot be detected through the clothing.
6. The soft, pliable bands holding the appliance do not give one the unpleasant sensation of wearing a harness.
7. There is nothing about it to get foul, and when it becomes soiled it can be washed without injuring it in the least.
8. There are no metal springs in the Appliance to torture one by cutting and bruising the flesh.
9. All of the material of which the Appliances are made is of the very best that money can buy, making it a durable and safe Appliance to wear.
10. My reputation for honesty and fair dealing is so thoroughly established by an experience of over thirty years of dealing with the public, and my prices are so reasonable, my terms so fair, that there certainly should be no hesitancy in sending the free coupon today.
