PRICE CHANGE

\$4 now. \$5 after February 15th

Owing to the tremendous increase in the cost of paper, labor and materials, Vogue—rather than lower its standard of production in the slightest degree—will raise its price on February 15th, from \$4 a year to \$5.

Vogue is not an extravagance as mere fiction magazines are. It is an economy, rather. Its advance fashion information and authoritative advice insures you against "clothes mistakes" and save you many times its subscription price.

\$4 invested in Vogue will save you \$400

The gown you buy and never wear is the really expensive gown. Gloves, boots, hats, that miss being exactly what you want are the ones that cost more than you can afford.

Consider, then, that for \$4—and \$4 surely is a tiny fraction of your loss on a single ill-chosen hat or gown—you may have before you throughout the whole year this world-wide fashion authority, thereby insuring the correctness of your gowning and saving you from costly mistakes.

24 issues for \$4

VOGUE'S service cannot be compressed into one copy a month—its timeliness, its speed, and its determination to give the latest authentic word DEMAND that it be published semi-monthly. Even at the \$5 rate, Vogue, giving 24 issues a year, is the least costly of the better magazines. While the price of other "class" magazines ranges from \$3 to \$5 for 12 issues, you spend for Vogue only \$2.50 for 12 issues—\$5 for 24 copies. But if you take advantage of Vogue's Last Chance Offer (a full year at \$4) you are spending at the rate of \$2 for 12 issues—less than 17 cents a copy.

\$4 now—\$5 later

TO take advantage of this Last Chance Offer to secure Vogue at \$4 a year, your order must be in the mail by midnight of February 15th; after that date, Vogue will cost you \$5. Don't bother to send money now, unless you wish. Just fill in and send in the coupon. A bill will be sent you in due course.

Elliot officiated, and the bride and bridesmaids were the cousins, Elizabeth Hoffman and Elizabeth DuMont, of New York, a niece of the bridegroom. The wedding ceremony was carried in dainty white embroidered frocks and carried baskets of Spring flowers.

The bride, who was given in marriage by her cousin, Hawley Hoffman, wore a smart burgundy toned velour tulle, with small hat to match and her bouquet was a shower of orchids and violets. Henry Mears, brother of the bridegroom, acted as best man, and Miss Belle Martin played the wedding march. Following the ceremony, to which only relatives and a very few close friends were asked, a buffet supper was served, Miss Molly Killner, a cousin of the bride, presiding at the coffee urn.

MOVIE ACTRESSES AND THEIR HAIR

Did it ever occur to you that every movie actress you have seen has lovely hair, while the most popular courtier curls as their chief beauty? In fact, many are leading ladies just because of their attractive locks. Inquiry among them discloses the fact that they bring out all the natural beauty of their hair by careful shampooing, not with any soap or makeshift, but with a simple mixture by putting a teaspoonful of canthox (which they get from the druggist) in a cup of hot water and applying this instead of soap. This full cup of shampoo liquid is enough, so it is easy to apply it to all the hair instead of just the top of the head. After its use the hair dries rapidly with uniform color. Dandruff, excess oil and dirt are dissolved and entirely disappears. The hair is so fluffy that it looks much softer than it is, while its luster and heaviness is delightful.—Adv.
