Buck's Combination Range.

Is the only 5-fuel range that is an unqualified success; it is of cast from which insures its durability; it bakes with coal or wood in the Winter, thus giving you extra heat, and with gas in the Summer, this giving you comfort, economy and service in all weathers; we still have a few left at the old price of \$15 and if you are considering one of these ranges we would advise you to buy before the rise.

We take your old range in exchange and allow you a good price for same; terms if desired.
