Indicative of the fear felt by members of the tongs embroiled is the fact that two representatives of the Bing Kung-Bow Leong applied for bolice protection while on their way to the peace conference. Frequently the two delegates sought to hide behind the ample girth of the police officer. "Walk ahead, there," ordered Capialn Baty. "The gunmen will 'get' you if you lotter." The delegates obeyed with alacrity.

At the conclusion of a long drawnout hearing before Municipal Judge Langguth, in which Deputy District Attorney Ryan appeared for the state, the seven supposed Hop Sing gunmen, apprehended on Thursday night at Salem while on their way to Portland, were bound over to the next term of Circuit Court on individual \$300 bonds requiring them to keep the peace. The Reliance of the Home

Thousands of good American homes have learned to rely upon Peruna. For the quick and satisfactory treatment of colds, coughs and catarrhal disturbances of the stomach and intestines, it has become a valued standby. Home makers know that these troubles must be taken in the beginning-that colds and indigestion lead to chronic catarrh, and that chronic catarrh soon becomes systemic, involving the mucous membrane that lines the nose, throat, lungs, stomach and intestines. To prevent and overcome this condition, many declare there is nothing so reliable as Peruna, with its

Nearly a Half Century of Usefulness

This record can only be the result of real merit. The test of time will eliminate any unworthy article. But it will also firmly establish the worthy. The American people have thoroughly established Peruna as a household remedy of proved value. The experience of the users is proof to you.

There is hardly a community in the United States that does not contain someone who has derived benefit from the proper use of this household remedy in the last half century.

Peruna Tablets are made after the same formulary as the liquid, omitting the solvents. They are convenient, economical and effective, and pleasant to take. A box in your pocket means quick protection from colds, indigestion and depression. Keep them ENTIRELY RECOVERED

Mrs. Edward Bisping, Dev St., Faribault, Minn., writes:
"As I have now entirely recovered through the use of Peruna, I express to you my best thanks. I could not sleep at night even when I was very tired. I had pain in the abdomen and always felt weak. My heart sometimes beat so hard and then all at once it would stand still until I was wet through with perspiration. I took Peruna according to your directions and in four months I had fully recovered my health. I recommend all who have catarrh to write to Dr. Hartman and take Peruna."

HERE'S ANOTHER at hand, ready to use at the first symptom.

Manalin Tablets are an ideal laxative. They are delicious to the taste, mild but reliable in their action, and stimulate the liver as well as the bowels, cleaning out the waste matter. If used as directed, they overcome constipation and enable the formation of regular and correct habits. There is

no reason why you should allow your health to be undermined by this evil when you can get Manalin. Perfectly safe for all people.

Children like these tablets.

HERE'S ANOTHER

Mr. Frank Lampey, Box 66, Bristol, New Hampshire, writes: "I would like to say a good word for your Peruna. I took a very sudden cold that settled in my throat and lungs, and I was so hoarse I could hardly speak aloud. I took one teaspoonful every hour for twelve hours, and in twenty-four hours my cold was about all gone. It is the best medicine for a cold that I have ever used. I used to have terrible pains in my bowels after eating, and sometimes did not get over this pain for two or three hours. I do not have any pain after eating now, and can eat everything. Peruna has done the job." HEALTH AND HOW TO HAVE IT hold containing a great deal of practical information, is yours for the asking. At the druggists or write for it.
