Today the Episcopalians will make their big plea for donations to the clergy pension fund.

Oregon is supposed to raise \$17,000 of the \$5,000,000 fund.

This morning the clergy will preach special sermons in their own churches, with offerings from the Sunday schools and all services to be devoted to the

No one knows what the total of that collection will be. Whether small or large, the church is urged to keep this fact in mind—every ounce of strength, every emotion of generosity, must get into play to bring the personal gifts and the general contribution up to the \$5,000,000 with such buoyancy that the flood will sweep over the bar. The higher the tidal wave, the stronger the pension system will be. "he last dollar given can be as well used as the first dollar.

Pinex (50 cents worth), pour it into a pint bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 54 cents and gives you a full pint of really better cough syrup than you could buy ready-made for \$2.50. Tastes pleasant and never spoils.

This Pinex and sugar syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, irritated membranes that line the throat, chest and bronchial tubes, so gently and easily that it is really astonishing. A day's use will usually overcome the ordinary cough and for bronchial asthma, there is nothing better.
