Tomorrow Begins Another of Those Homefurnishing Events for Which This Store Is Famous

Great Sale of Rugs

Market Conditions Considered Our Prices Are Extraordinarily Low!

—"Extraordinarily low" we say advisedly because selling prices quoted for this event would have been low even before rug costs began their long upward march—and the end is not yet. As we purchased heavily before the shortage and rise in price of floor coverings became acute, our prices have been held wherever possible to the old low standard and as a consequence our regular prices are uniformly lower than elsewhere for like good qualities. As these regularly lower-than-elsewhere figures of ours have been emphatically sale-marked for this disposal you can appreciate the savings offered and make generous provision accordingly for all your present rug needs and anticipate future requirements

as far as possible. All the merchandise in this sale will more than meet your most exacting demands for beauty and worth. The extensiveness and variety of assortments is greater and finer than you will find elsewhere on the Pacific Coast. Floor coverings of every good kind for every purpose are included in this sale at splendid savings. Here are merely a few suggestions of our offerings:
