BIG CUNARDER IS LAUNCHED IN CITY

First Vessel of British Line Built in America Floated at Northwest Plant.

MISS BOWLES IS SPONSOR

Great Throng Saws 8848-Ton Steel steamer “Vestrisla” Take the Water, Shaking “Gun” and Injuring Three Men.

Portland (Oregon) — Friday, the first vessel for the world-renowned Cunard Line, was launched here Friday.

Miss Virginia Bowles, the daughter of Mr. and Mrs. J. B. Bowles of Portland, was chosen as the sponsor for the launch of the 8848-ton steel steamer “Vestrisla” this afternoon in the docks of the Northwest Shipbuilding Company.

The launching took place at the Drydock No. 1 of the company’s facilities just off the Willamette River and 15 minutes before the scheduled start of the launch.

Miss Bowles, who was dressed in a white cap and gown, stood on the deck of the Dredger and slammed a hammer on a block of wood to sink the ship.

In charge of the ceremonies was Capt. H. C. Haldane, who is in command of the “Vestrisla”.

The new steamer is one of the largest ever built for the Cunard Line and is expected to leave for England about the first of May.

First Merger is Plan
