The first few weeks is the critical time. Then Dr. Hess Poultry Fan-ace-a serves an excellent purpose. Let the little chicks have it regu-larly, so they will digest and assimilate their food. Nothing eise you can do will help so much to get them safely past the time when diarrhoea and bowel trouble kills off little chicks by the score. If you do not find it makes and keeps chicks healthy and makes them grow faster and develop better, just return the empty packages to the dealer and get your money back. For sale by all dealers in poultry supplies. Poultry.
