

ROAD BOND VICTORY TO BE CELEBRATED

Dealers' Motor Car Association Is Considering Three Plans for Event.

DANCE TO BE SATURDAY

Decision May Be Made Tomorrow as to Participation in Nation-Wide Gathering to Be Held in Chicago Soon.

Plans are being formed by members of the Dealers' Motor Car Association, embracing all of the automobile dealers in this territory...

Another plan suggested is to stage a dealers' run from Portland to the California state line and return with arrangements to check in at each of the principal cities and towns along the route...

M. O. Wilkins, president of the dealers' association, received word last week from the organizers of the National Automobile Dealers' Association...

F. E. Watkins, president of the Oregon State Motor Association, announced last week that invitations will be mailed out soon to the association members...

Now that the Oregon State Motor Association is already under way, but owing to the unseasonable weather the logging of the roads has been impossible and it

EASTERN OREGON AND WEST SIDE ROADS FIRST TO RECEIVE PAVEMENT UNDER \$6,000,000 BOND

Members of the State Highway Commission, in session in Portland last week, decided that the first ten miles of pavement to be laid under the terms of the \$6,000,000 road bond issue shall be placed on the road from Pendleton east over the route leading toward Walla Walla and that the next ten miles shall be laid on what is known as the "rigard" portion of the West Side highway leading from Portland to Newberg and McMinnville.

There are already quite a number of motorists arriving in the city from eastern and southern points and in a few weeks this class of travel will be in full swing.

The office of the Oregon State Motor Association is a busy spot during the touring season, road information being furnished not only to members of the association but to all non-resident motorists.

Activities at the Club House have increased wonderfully of late and there have been reservations made for nearly every night during the next two weeks for dinner dances composed of 20 to 40 couples.

BEARINGS BEAR STRAIN WELL

Hyatt Rollers Stand Up Under Mileage of 261,800.

The "Hyatt Roller" now making an endurance run twice across the continent under the auspices of the Hyatt Roller Bearing Company for the purpose of demonstrating the wearing qualities of Hyatt bearings in automobiles, has a most interesting history.

of no less than 261,800 miles, a distance of more than ten times around the world. This record was made on a single set of Hyatt bearings...

TRUCKS TO MOVE FOOD CROPS

Motors Will Be of Vast Importance in War Time.

"When the immense war crops are ready to be moved the motor truck will again demonstrate its supremacy over other hauling methods," says A. S. Robinson, of the Pacific Kieselkar branch.

H. J. McNeil, Who Last Week Became Co-partner of C. L. Boss in Automobile Business.

A world's supply of vegetables, wheat, corn, etc., but in transporting the food to market in the quickest and most reliable way.

"Then it is when speed, reliability and 24-hour, day-in and day-out working capacity of the motor truck will prove one of the greatest factors in deciding the world war.

"The unprecedented conditions of today call for an uninterrupted delivery of foodstuffs from the farmers to the railroads and ships. Motor trucks are the only dependable means of accomplishing this, helping Uncle Sam's great food-raising army to keep on the highest efficiency basis."

CO-PARTNER ADMITTED

H. J. McNEIL TAKEN INTO FIRM OF C. L. BOSS.

Man Prominent in Automobile Circles Attains Position by Diligent Work.

R. J. McNeil, one of the best-known automobile men in this field, who up to four years ago was a dealer at Eugene and who for the past four years has been territory manager for C. L. Boss, dealer in Hudson and Maxwell cars, has been taken into the concern of C. L. Boss Automobile Company as a co-partner.

Mr. McNeil has numerous friends throughout the Northwest and has done much toward bringing the Hudson and Maxwell lines up to their present sales standing. The Maxwell and Hudson sales in Portland alone from December 1 to May were 132 cars.

Mr. McNeil has attained his present position by diligent work and loyalty to his friends in square dealings. He will continue to handle the management in the territory. The new firm name will be C. L. Boss Automobile Company.

CIRCUS TO HELP ARMY

APPEALS TO BE MADE TO CROWDS FOR RECRUITS FOR SERVICE.

Fleets Are Designed to Inspire With Patriotism and to Increase Enlistments.

The circus, which has long been the inspiration of youth and feats of strength and daring, this year will turn its efforts to obtaining recruits for the Army and Navy.

With the thought of bending every effort toward some form of practical patriotism, Frank P. Spellman, president of the United States Circus Corporation, owners of the new motorized circus, has offered to aid the Government to recruit able-bodied men for the Army and Navy from the vast crowds that gather at the performances.

It was the plan of President Spellman in building up his circus to put on the road something that would be of practical value in the way of patriotic service, as well as something that would be attractive.

With this end in view, elaborate motor trips in the Dodge Bros. motor car with which her son presented her. More than 30 years ago her son first celebrated Mother's day for "Grandma," as she is affectionately known in Southern Michigan, and for many years the Albion Methodist Episcopal Church has observed the Sunday nearest her birthday, May 13, in her honor, as she is the only person who has maintained continuous relations with the church since its founding.

The efforts of the Albion Methodists to honor "Grandma" Blakeley have exerted such a wide influence that Mother's day is now universally observed throughout the country on the second Sunday in May.

Despite her years, Mrs. Blakeley is an enthusiastic tourist. On one day in particular, with her son at the steering wheel and accompanied by several friends, she toured three counties and 12 townships, the speedometer registering almost 150 miles when the trip was completed. And when she reached home she insisted on being allowed to assist in the preparation of the evening meal.

Her touring activities, however, have not been confined to the rear seat, for she herself has driven her Dodge Bros. car more than 50 miles, an enviable record for a woman of her age.

Mrs. Nina L. Durryes, well known as a New York writer and author, has been awarded a gold medal by President Poincare of France for her work in the hospitals in that country.

SLIP-WHIZZ

Belt's off or broken - fan races - motor overheats - can't run car. Long delay! Vexation! Trouble! Buy new belt - grease ruins it. 30 days later; Slip! Whizz! Same old story - but never again!

I'm Using a Crowe Mechanical Fan Belt Now.

They grip the pulley gently and will not slip. Made of sole-leather blocks inserted in a steel chain. 10,000 to 15,000 miles satisfactory service is not an unusual record. Operate noiselessly on regular flat pulleys; never break. Carry one for emergencies same as you carry extra tires. Put it on when old belt breaks - you'll then have no other.

For Sale by Leading Accessory Dealers

Sizes for Ford cars, \$1.00 each; for other cars priced on application. Ask your dealer or write for Free descriptive circular.

Mechanical Belt Co. 1264 Frederick Ave., St. Joseph, Mo.

ATTENTION AUTO OWNERS

floats, representing the allied countries now at war with Germany, have been made. These, with the magnificent float, "Old Glory," passing through the streets on motor trucks are expected to arouse a patriotic fervor and inspire many a young man to offer his services to his country.

The new circus will start from Cincinnati early in June, being transported from town to town on 100 Kelly-Springfield trucks and Troy trailers equipped with Firestone tires.

CAR PUT TO SEVERE TEST Baby Grand Chevrolet Takes Delegates to St. Paul Meeting.

R. C. Durant and A. D. Plughoff, who are piloting the official trail blazer for the San Francisco Ad Club's caravan en route to the National Convention of Advertising Clubs at St. Louis, are having a strenuous trip. According to telegrams received here by Regner & Fields, Chevrolet dealers in this city, the new model, which Durant and Plughoff are driving across the continent, is being put to a most severe test.

Durant and Plughoff had intended using a new Chevrolet "Eight" on the trail-blazing tour, but at the last minute the express shipment of the new "Eight" failed to reach the Coast, and rather than disappoint the Ad Club members who were depending upon the Chevrolet trail-blazer, President Norman DeVaux suggested that one of the new Baby Grand models be used.

CAMP SITE FOR MOTORISTS

Hood River Will Provide Accommodations for Transient Tourists.

HOOD RIVER, Or., June 9. (Special.) -Hood River will have a free camp site for touring motorists. C. P. Ravlin and E. C. Blanchard, of the Hood River Commercial Club, have secured from Dr. T. L. Elliot, of Portland, a right of way to the park on the Indian Creek Gorge, given by him to the city in 1911. The camp site overlooks the wooded gorge of Indian Creek and the canyon of Hood River.

A road will be built to the camp site, which will be equipped with city water, electric lights and a number of brick ovens for the convenience of motoring travelers.

WOMAN OF 99 DRIVES DODGE

Mrs. Juliet Blakeley Original Mother of "Mothers' Day."

Mrs. Juliet Calhoun Blakeley, 99 years old, of Albion, Mich., in whose honor Mother's day was inaugurated, recently recovered from an attack of pneumonia and celebrated her return to good health by taking several long

motor trips in the Dodge Bros. motor car with which her son presented her. More than 30 years ago her son first celebrated Mother's day for "Grandma," as she is affectionately known in Southern Michigan, and for many years the Albion Methodist Episcopal Church has observed the Sunday nearest her birthday, May 13, in her honor, as she is the only person who has maintained continuous relations with the church since its founding.

The efforts of the Albion Methodists to honor "Grandma" Blakeley have exerted such a wide influence that Mother's day is now universally observed throughout the country on the second Sunday in May.

Despite her years, Mrs. Blakeley is an enthusiastic tourist. On one day in particular, with her son at the steering wheel and accompanied by several friends, she toured three counties and 12 townships, the speedometer registering almost 150 miles when the trip was completed. And when she reached home she insisted on being allowed to assist in the preparation of the evening meal.

MAKE THIS TEST

And You Will Understand Why The

IS SO EASY RIDING

Put your foot into the rim of the spare tire of the new Mitchell and with all your weight spring up and down. Repeat this operation with a car of any other make regardless of price and you will henceforth recognize the Mitchell as the easiest riding of all cars.

EXCEPTIONALLY LONG WHEEL BASE. The long wheel base of the new Mitchell in either model makes these cars very roomy in both front seat and tonneau.

A BEAUTIFUL BODY. Mitchell bodies are now pure stream line from radiator cap to rear seat. The double cowl enhances the appearance, as does also the sloping windshield. The lasting luster of Mitchell finish is obtained by the use

of 22 coats of paint, heat fixed. The plaited upholstery is of genuine leather. There are no buttons and no pockets to collect dust. Easy to keep clean and elegant in appearance.

REMARKABLE PERFORMANCE. The Mitchell six motor eliminates the desire for motors of more cylinders. It has vast power, with wide range on high gear, quick on the trigger, responsive to your wish; in short, it enables you to get full enjoyment out of your driving. The Mitchell control is simple, easy of operation and convenient.

COMPLETE EQUIPMENT. Mitchell features include things that cost you extra on other medium priced cars; for instance, the power tire pump, the reversible headlights, the ball-bearing steering gear and tonneau lamp. In all there are 31 of these extras.

COME AND SEE THE MITCHELL. Judge for yourself if we are not correct when we say the Mitchell Six is THE ONE CAR THAT OFFERS YOU EXCEPTIONAL VALUE FOR YOUR MONEY.
