STATE ROAD WORK GOING AHEAD NOW

Three Important Stretches of Highway to Be Paved Immediately.

MUCH GRADING TO BE DONE

State Highway Commission Outlines Plans for Summer and Calls for Bids; Sale of Bonds to Be Awaited.

Plans of the State Highway Commission for immediate paving of three important stretches of highway, and the grading of two other sections, were an nounced yesterday by Chairman S. Ben-

Paving operations on the roads designated are to be started as soon as satisfactory bids are received. It is the intention to complete the hard surfacing provided for in this first allotment of funds, \$100,000 being appropriated for each of the three highway stretches designated by early this Fall if possible.

Three Roads Most Important.

In Umatilia County, as much of the important highway from Pendleton to Walia Walia is to be paved as can be done for \$100,000. This work had been agreed on by the Commission some time ago, and bids are now being asked. In Washington County, the long-notorious Rex-Tigard road, a part of the Pacific Highway is to receive first at-

Pacific Highway, is to receive first at-

racille Highway, is to receive first attention. Starting at the Multnomah County line, several miles of this road will be hard surfaced.

In Clatsop County, paving operations will be started from Astoria west on the Astoria end of the Columbia River Highway. Work for this year is limited to allow only. Highway. World to \$100,000. Grading to Be Done in Douglas.

In addition to this paving work, Mr. Benson announced, the Commission has agreed to proceed with the grading of the Pacific Highway through Douglas County and other impassable places along the highway, to make it passable for through traffic with as little delay as possible; and it has been agreed also to finish the grading from Astoria to The Dailes on the Columbia River

Highway.

The cost of the Douglas County work is estimated at \$500,000, of which \$300,000 will be put. up, by the state and \$200,000 by the county. The state's \$300,000 is not to come from the \$6,000,000 reach loyed lesses recently voted by 000 road bond issue recently voted, but from the \$1,800,000 in bonds made avail-able by the Bean-Barrett bill passed by the last Legislature to match an equal amount to be expended by the Federal Government under the Shackie-ford act.

ford act.
As the Douglas County highway
comes under the classification of "post
road," Federal aid funds will be available to help in the work of improv-

Work Will Await Bond Issue. Completion of the grading of the Columbia River Highway from Astoria to The Dalles, which is estimated to cost \$500,000, will come out of the \$6,000,000 road bond issue. Of this issue 4115 Men in Guard. e Commission is authorized and plans sell \$1,000,000 this year. The \$300,0 0 to be expended in paying operation ill also come out of this \$1,000,000 Jeaving \$200,000 not as yet apportioned The Commission will let contracts for the paving and grading projects con-templated with the provision that bonds are to be accepted by the contractors in payment. The highway bonds pay per cent interest, and are not subject

Bonds May Be Sold. Should it develop before the con-tracts are let, however, that the mar-ket for bonds has improved to an extent that will enable the sale of the bonds at a premium, this undoubtedly would be done and business with the contractors put back on a cash basis.
Of the announced intention of the Highway Commission to proceed with the grading of the Pacific Highway through Douglas County, and to finish the grading of the Columbia River Highway, Mr. Benson said:
"These two projects are considered."

men now serving in the Oregon Na-tional Guard. Highway, Mr. Benson said:

"These two projects are considered of greatest importance to the state and will serve the largest number of people. With these two problems out of the way, the Highway Commission will take up other road matters throughout

"Some contracts for hard surfacing will be let at once in different parts of the state and the work will be pushed as fast as labor conditions and times will permit."

least 4115 will be subtracted from it as credit for National Guard troops.

The number of men to be credited to the state against the draft will really be higher than 4115. That figure represents the number of men serving in all branches of the Oregon National Contracts.

ATTACK ON GIRL IS CHARGE Guard, including the Third Oregon Infantry, on June 22.

ATTACK ON GIRL IS CHARGE

D. S. Wright, Street Peddler, Once
Texas Attorney, Is Arrested.

Accused of an attempted criminal assault on a 9-year-old girl, D. S. Wright, who says he was at one time District Attorney in Northern Texas and a prominent member of the Texas bar, was arrested yesterday.

Wright, according to his own story, has descended from a prominent Texas attorney and prosecutor to a street peddler, and for several months has been peddling pickles on the streets of this city. He lived near Third and Jefferson streets,

Wright says he has a daughter and son-in-law who are fairly well to do and who live in Portland. He made every effort to keep his arrest from being made public. He is a man of about 50 years and appears to be well educated, although his personal appearance shows that Striune has not smiled on him of late years.

Guard, including the Third Oregon Infantry, on June 22.

Allocation is Prepared.

Credit is to be given for all additional men who may be enlisted between now and June 20, as well as for all Oregon men serving in National Guard regiments in other states.

The total number of men the Oregon National Guard of those states, leaving a net total of Oregon men serving in the Oregon Guard of 4115.

For several days, under directions to Department, General White has been preparing the allocation, as it is called, by counties, of the National Guard troops credited to Oregon. That is, the number of men from each county of the state serving in the Oregon that the number of men from each county of the state serving in the Oregon preparing the allocation, as it is called to prove the number of men from each county of the state serving in the Oregon that the number of men from each county of the state serving in the oregon that the number of men fantry, on June 22.

Allocation is Prepared.

BOY AUTO THIEVES FREED

Youths Admit Guilt and on Promise Not to Err Again Are Dismissed.

Two young automobile thieves stood before Municipal Judge Stevenson yesterday and with bowed heads heard Deputy District Attorney Ryan inform the court that the crime was punishable by a sentence of from one to five years in the pententiary.

It was the first time that the boys had ever been in the strong hand of the law and for a time they had visions

of cold steel cells and five long years of cold steel cells and live long years away from home and friends.

The boys admitted their guilt, but on the promise of another chance gave the judge their word of honor that never again would they break the law.

CEDAR MILLS GUARD BUSY

Company Reorganizes and Plans to Give Sword to Commander.

CEDAR MILLS, Or., June 23 .- (Spe CEDAR MILLS, Or., June 23.—(Special.)—Company J, Oregon Reserves, held a special assembly last night here at the Grange Hall for reorganization. A beautiful sword will be presented to the company commander, Captain S. D. Martin, veteran preacher and "soldier of fortune," who is also bishop of the Christian Church in Oregon.

A similar gift was purchased for presentation to Joseph Q. Church, the First Lieutenant, who materially assisted the company commander in first organizing the unit, now about 35 strong.

Savings for Prospective Payments Will Carry 31/2 Per Cent Interest if Applied.

REFUND ALSO IS PROVIDED

Regular or Irregular Installments Will Be Accepted and if Withdrawn Will Call for Interest at Regular 3 Per Cent Rate.

You won't have to wait for the next | liberty loan to be authorized before beginning payments on your subscription, if a plan that some of the leading bankers of Portland have under onsideration materializes. Under this plan the banks will ac-

Under this plan the banks will accept payments from prospective purchasers in regular or irregular installments and pay 3½ per cent interest on it, provided the fund is to be applied on the purchase of a liberty bond when the next issue is authorized.

If before the payments are completed the depositor should need the money for other purposes, it can be withdrawn, with interest at the rate of 3 per cent, which is the rate regularly paid on savings deposits.

Clearing-House to Consider Plan

The banks propose to pay the 3½ per cent rate only on deposits that are to be applied on liberty bonds, assuming that the next issue, like the first, will pay that rate of interest.

The Portland Clearing-house will consider the plan at its meeting this week, but whether the clearing-house independent of the plan of the plan at indorses the plan or not, it is prob_ble that some banks will take independent

A particular appeal is to be made to those individuals who were unable to subscribe to the last loan. Many men and women were easer to subscribe at that time but were unable to see their way clear to completing their payments.

ments.

But under the suggested arrangements, many persons could save up \$25 or \$30 or perhaps \$50 or more before the next loan is calle for. With at least half the necessary money ready to pay down it would not be such a hard matter to complete the payments.

Wider Distribution Sought.

In this way, the bankers believe, they could distribute the next loan among even a larger number of people than the last one. The jurpose of the Government is to get the bonds into the hands of the maximum number of citizens, so that all will have r. more direct interest in the issues involved in the great war.

reat war.

If, as the treasury officials propose, the oversubscription to the last loan ill be distributed back among the eavy subscribers, it is probable that the new loan will be brought out late
