This beautiful picture for framing

THIS picture is in exquisite colors and four times as large as shown here.

It was painted by Neysa McMein, the popular artist, whose famous portraits of lovely women you see every month on the covers of your favorite magazines. This painting is her conception of "A skin you love to touch." It contains no printing or advertising of any kind.

Actual size 15 x 19 inches. Reproduced on a fine quality antique paper by special process which brings out exactly the beautiful colorings of the original.

How to frame the picture

A frame, either plain or carved, of olive green between gilded edges with olive green mat, is most pleasing for this painting. Such a frame can be secured at any picture store.

How you, too, can have the charm portrayed

There is a Woodbury treatment just suited to the needs of your skin. A booklet giving them all and many valuable facts about the care of the skin comes with every cake of Woodbury's Facial Soap.
