MULTNOMAH WINS FROM COMPANY A

Slow Football Contest, Witnessed by 300 Persons, Ends With 6-0 Score.

WRANGLING MARKS GAME

Officials and Players Consume Much Time in Argument—Single Touchdown Is Registered by Briggs in Third Period.

The Multnomah Amateur Athletic Club eleven yesterday defeated Company A, of the Third Oregon, 6 to 0. Errol Briggs, Multnomah's husky fullback, who played brilliant ball during the game, put over the winning touchdown in the third quarter.

A crowd of about 300 was scattered through the grandstand at Multnomah Field. They all sat primly and solemnly throughout the game, as though each had been individually cautioned against rooting. Six soldiers in the front row roared lustily for their team, while the other spectators looked on them in shocked disapproval.

Soldier End Injured.

The first and second quarters were nip-and-tuck between the two teams. The soldiers appeared to have a slight edge in the first. Each team held the other for downs several times, and much punting was resorted to, giving Fullback Briggs, of Multnomah, and Right Tackle Holmes, of Company A, a chance to display some record-breaking booting. Curl, the soldiers' left end, was badly dazed by being kicked in the head in a scrimmage and had to be taken out of the game.

A 15-yard pass, Briggs to Lutge, who made a clean catch from a difficult angle, featured the second quarter.

An eight-yard pass, Briggs to Lutge, and a 25-yard transfer, received by Feichtinger, aided Multnomah in keeping the fighting in the enemy's territory in the third quarter, but when they finally got the ball within one yard of the Company A goal they lost it on downs, and the soldiers punted to safety. Multnomah "came back," however, and line plunging and short end runs made it possible for Briggs to score a touchdown later in the same quarter.

Second Score Averted.

The final quarter was Multnomah's from start to finish, and only luck and a determined stand at the last minute saved the soldiers from having another touchdown piled up against them. Twice the ball was inside the Company A five-yard line. Once the soldiers were saved when Multnomah was penalized at the vital time 25 yards for rough playing.

Altogether the game was rather slow and was marked by much arguing between players and officials. Summary:

Company A.		Multnomah.

Sons of Marcus Battle on Equal Terms With Seattle Team Most of 14-to-6 Contest.

SEATTLE, Wash., Oct. 20.—(Special.)—The University of Washington football team won from Whitman on University field here today, 14 to 6. The winners scored twice in the first period, while a forward pass at the close of the second period gave Whitman its touchdown. The game was clean, Powels being the only man removed because of injuries.

Thelsen made Washington's first score by recovering Gensel's fumble and running 60 yards. Williams kicked goal.

A pass, Williams to Thelsen, two offside penalties against Whitman, and a delayed run around right end by Williams made the second score. Williams finished Washington's scoring by kicking goal.

Whitman went on the offensive in the second quarter, end runs and passes working the ball to Washington's 30-yard line. A long pass, Degrif to Bayes, counted their touchdown, the punt out failing.

Washington again threatened when Blake's punt rolled almost to Whitman's goal and Washington got the ball on downs. The half ended Washington 14, Whitman 6.

Washington opened the third quarter strong, but lost the ball on downs and Whitman by end runs and passes came within striking distance several times in this quarter. Degrif made two 30-yard runs around right end.

Special Attention Will Be Given to Basketball, Volleyball and Quoits, It Is Announced.

TACOMA, Wash., Oct. 18.—(Special.)—Special attention to company athletics, as distinguished from battalion and regimental athletics, will be given at Camp Lewis by the physical directors of the seven Y. M. C. A. buildings there, according to an announcement of Director H. M. Strickler, of the association. An agreement has been reached with Camp Athletic Director Captain T. G. Cook, of Major-General Greene's staff, whereby the field of company athletics will be left largely to the association directors.

"The field of inter-company athletics offers unlimited opportunities for the activity of the association," said Mr. Strickler. "The regimental and other separate organization athletic directors, chosen from among the officers of the various organizations, will direct the inter-regimental and inter-battalion contests, but the company contests will carry the work down to the men without any great degree of skill."

The Y. M. C. A. directors will devote especial attention at present to basketball, volleyball and quoits, forms of athletics in which great numbers of the men are interested. Equipment for these sports has been included in each outfit sent to the several "huts" of the association. The new auditorium will have a floor sufficiently large for the playing of these sports with seating capacity for a large audience.
