

OLD DOC YAK AND HIS PROMISING SON

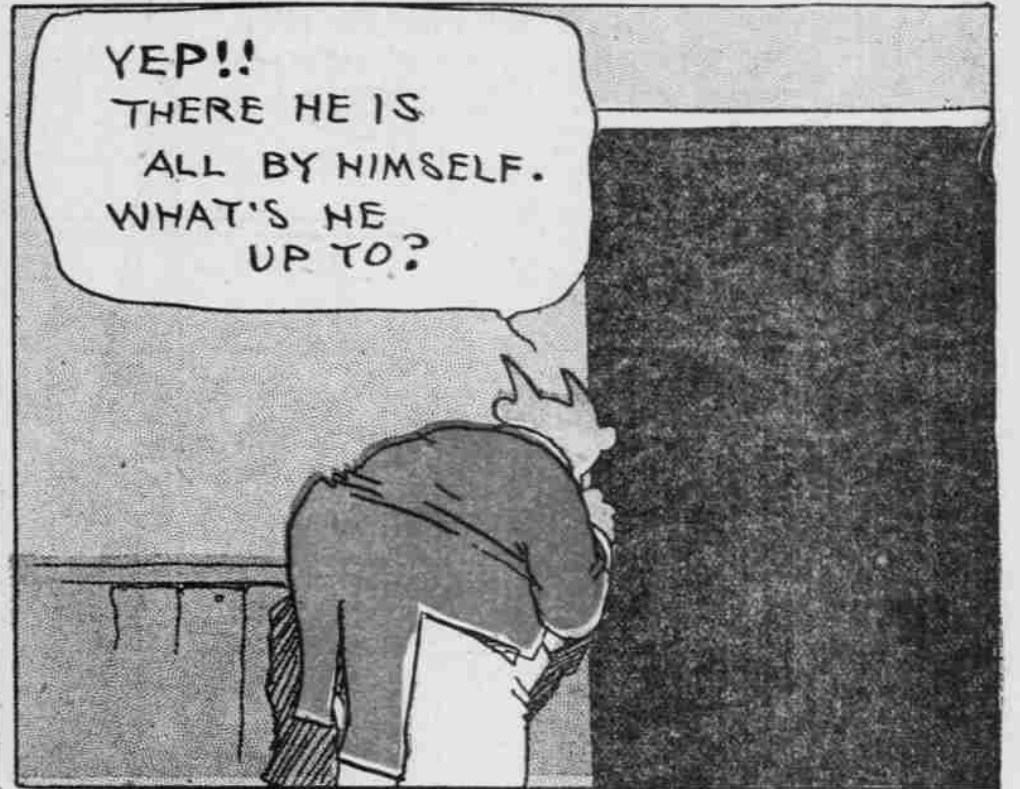

SIDNEY SMITH

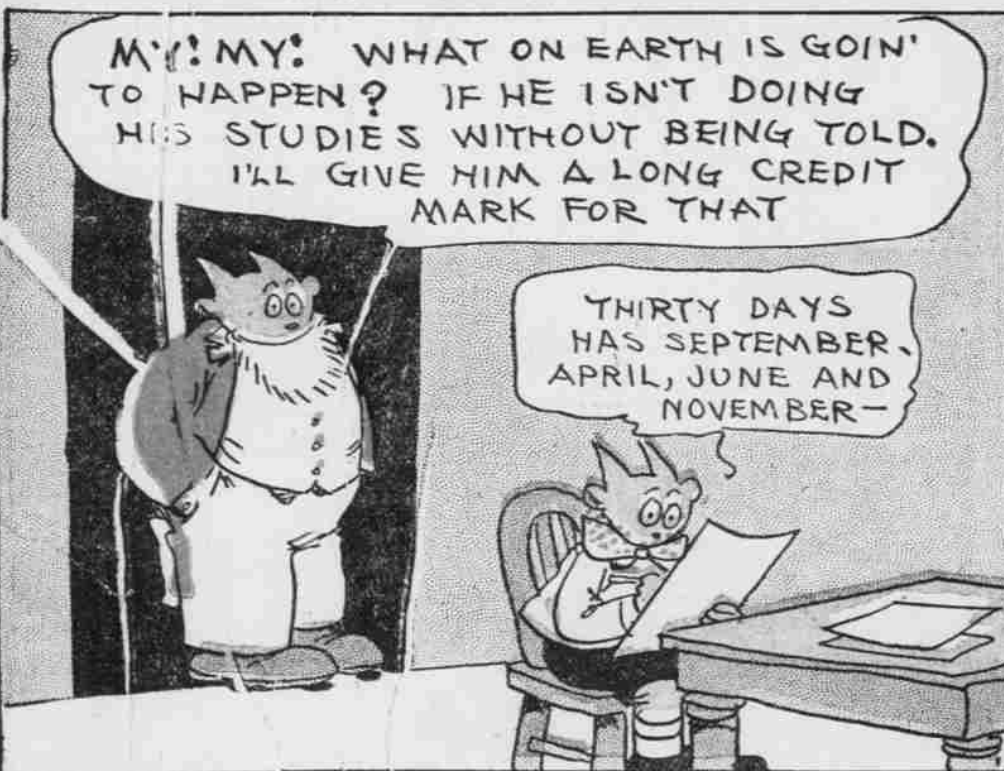

WHAT ON EARTH IS THE MATTER WITH YUTCH? HE'S SO QUIET

HE'S BEEN UP TO SOMETHING ALL EVENING THE LITTLE RASCAL. HE'S DOING SOMETHING IN THE NEXT ROOM I THINK

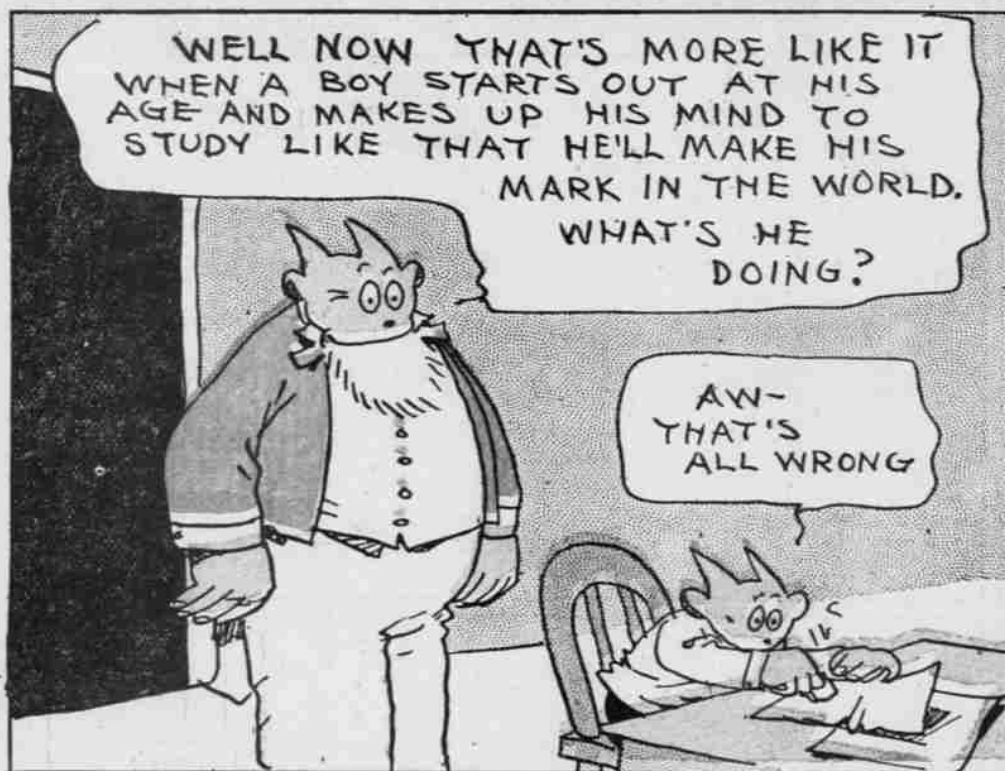

YEP!! THERE HE IS ALL BY HIMSELF. WHAT'S HE UP TO?

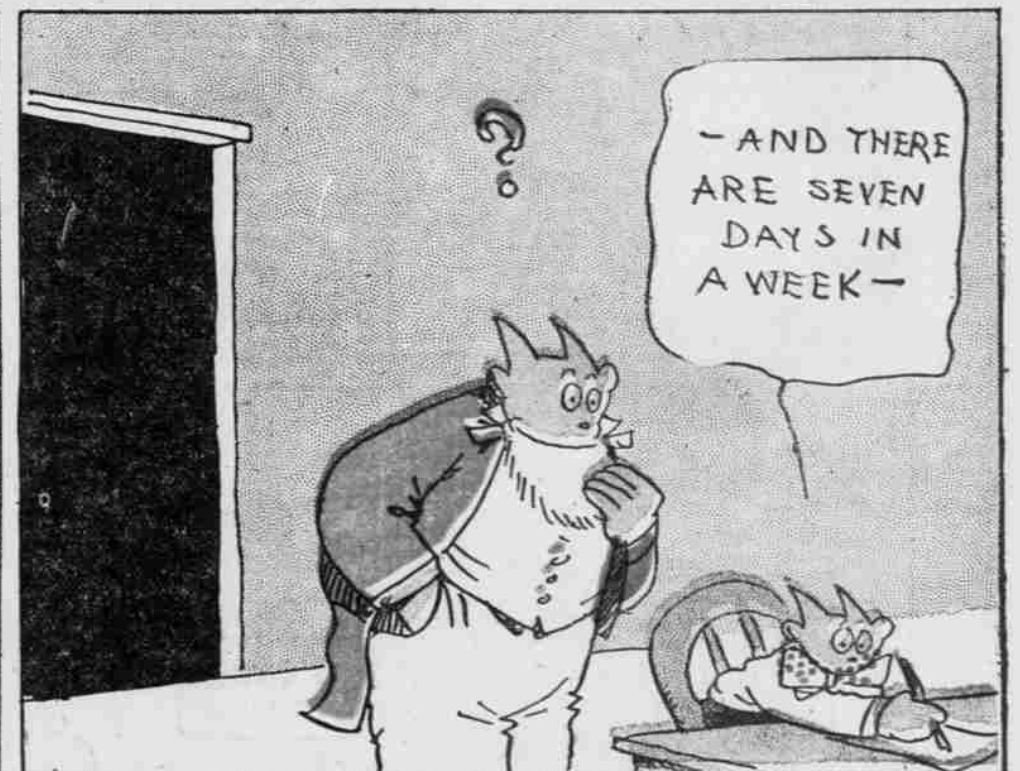

MY! MY! WHAT ON EARTH IS GOIN' TO HAPPEN? IF HE ISN'T DOING HIS STUDIES WITHOUT BEING TOLD, I'LL GIVE HIM A LONG CREDIT MARK FOR THAT

THIRTY DAYS HAS SEPTEMBER, APRIL, JUNE AND NOVEMBER—

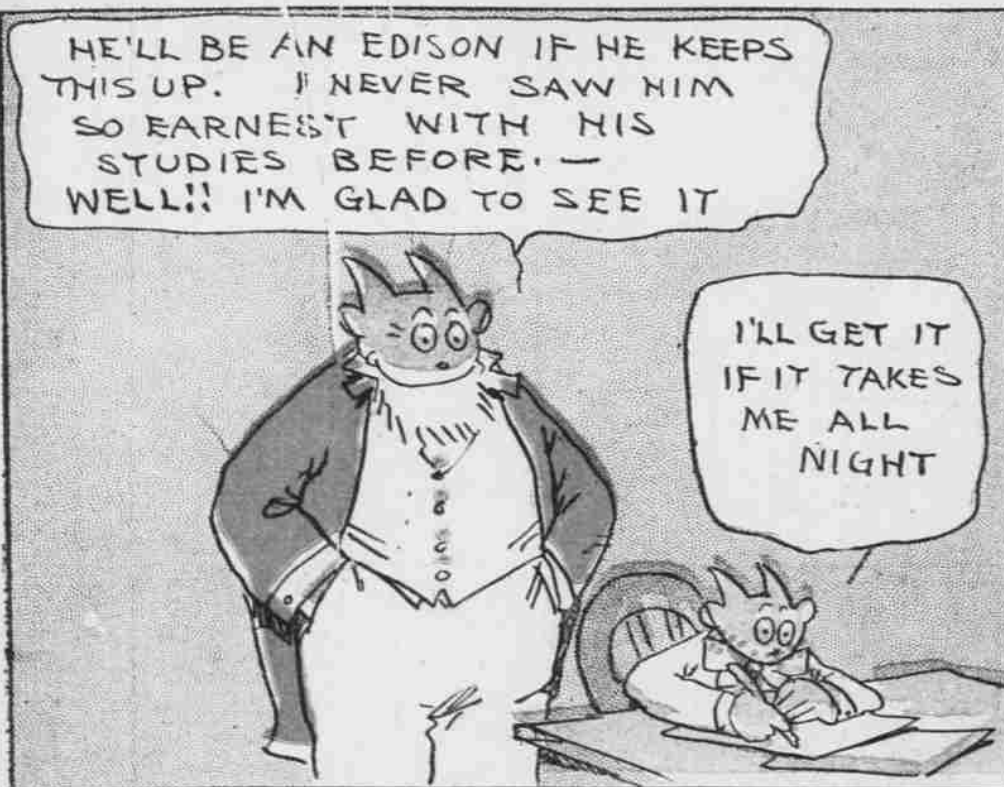

WELL NOW THAT'S MORE LIKE IT WHEN A BOY STARTS OUT AT HIS AGE AND MAKES UP HIS MIND TO STUDY LIKE THAT HE'LL MAKE HIS MARK IN THE WORLD. WHAT'S HE DOING?

AW— THAT'S ALL WRONG

— AND THERE ARE SEVEN DAYS IN A WEEK—

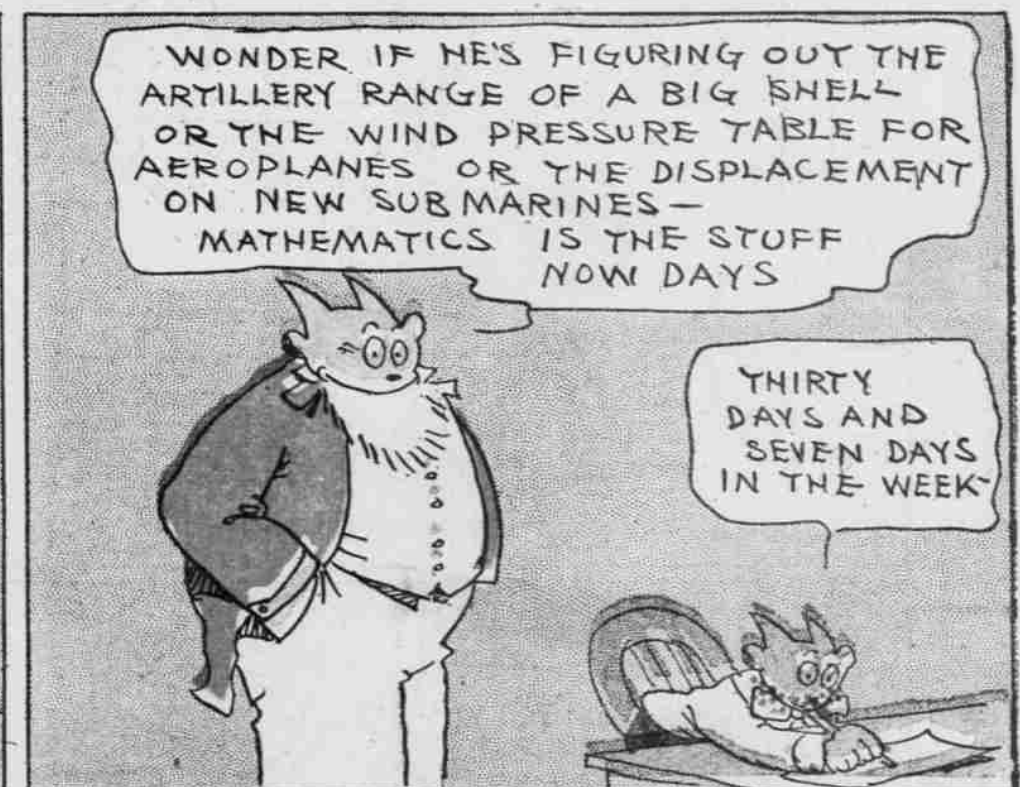

HE'LL BE AN EDISON IF HE KEEPS THIS UP. I NEVER SAW HIM SO EARNEST WITH HIS STUDIES BEFORE. — WELL!! I'M GLAD TO SEE IT

I'LL GET IT IF IT TAKES ME ALL NIGHT

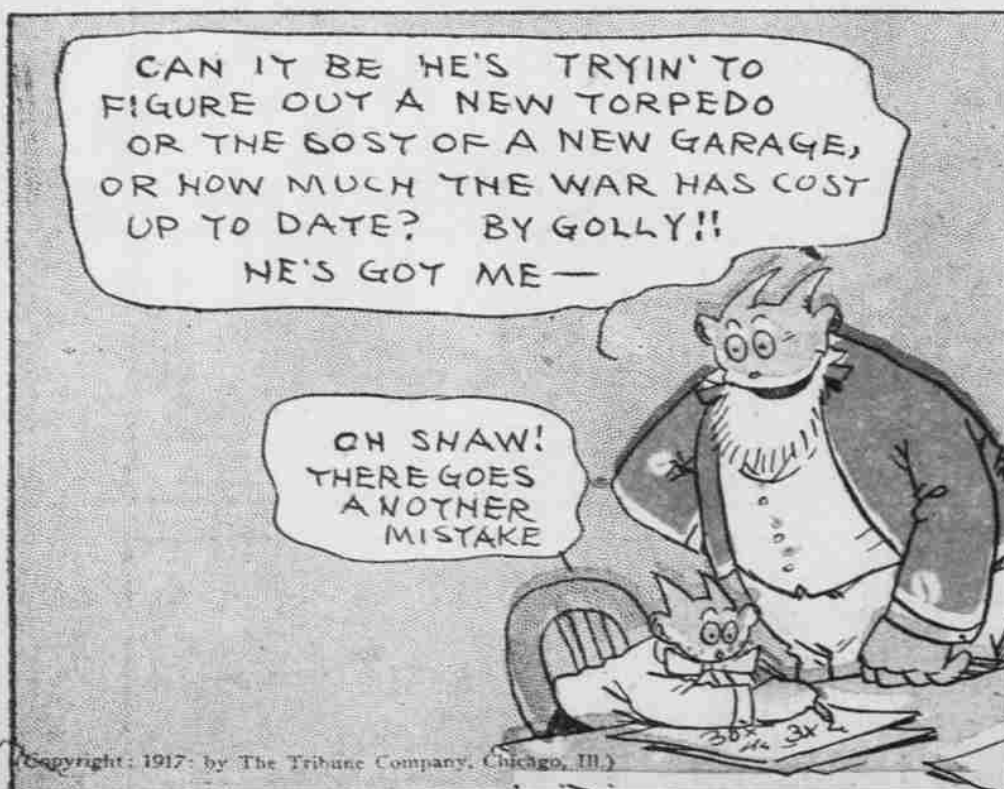

THAT'S THE SPIRIT I LIKE TO SEE— ARITHMETIC EH? WELL IT'LL COME IN HANDY WHEN HE'S BIG, WHETHER HE'S PRESIDENT OF A BANK, A GENERAL IN THE ARMY, OR A GREAT ARCHITECT

LET ME SEE 365.— THIRTY AND THIRTY ONE ARE HOW MANY?

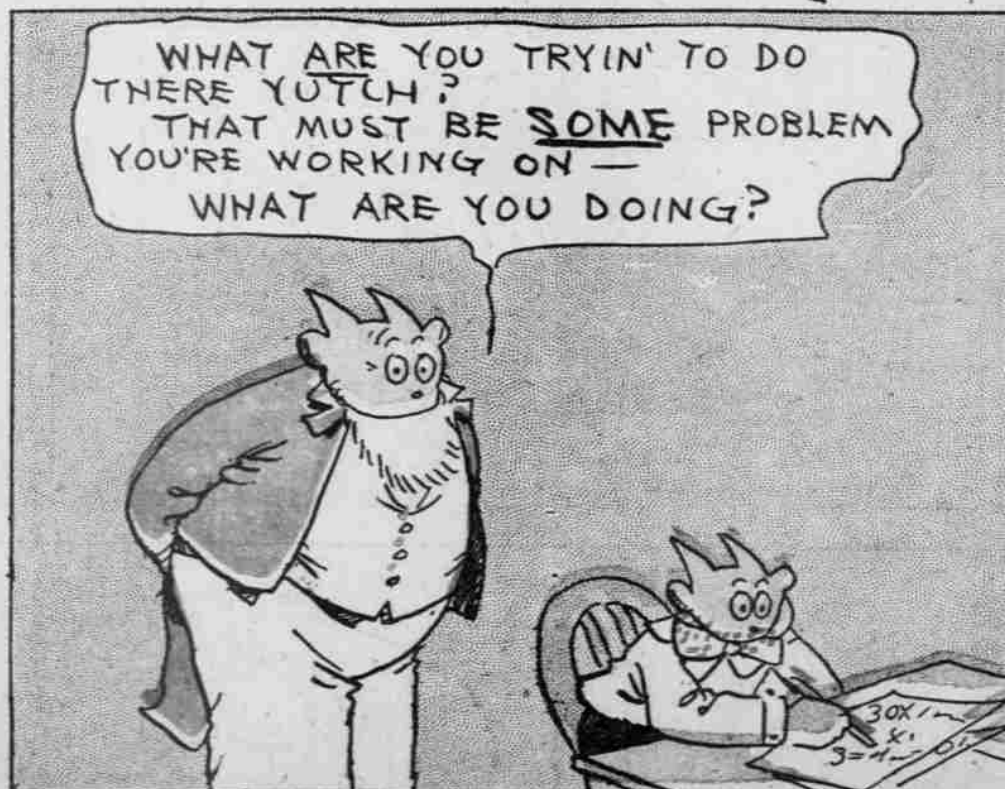

WONDER IF HE'S FIGURING OUT THE ARTILLERY RANGE OF A BIG SHELL OR THE WIND PRESSURE TABLE FOR AEROPLANES OR THE DISPLACEMENT ON NEW SUBMARINES— MATHEMATICS IS THE STUFF NOW DAYS

THIRTY DAYS AND SEVEN DAYS IN THE WEEK

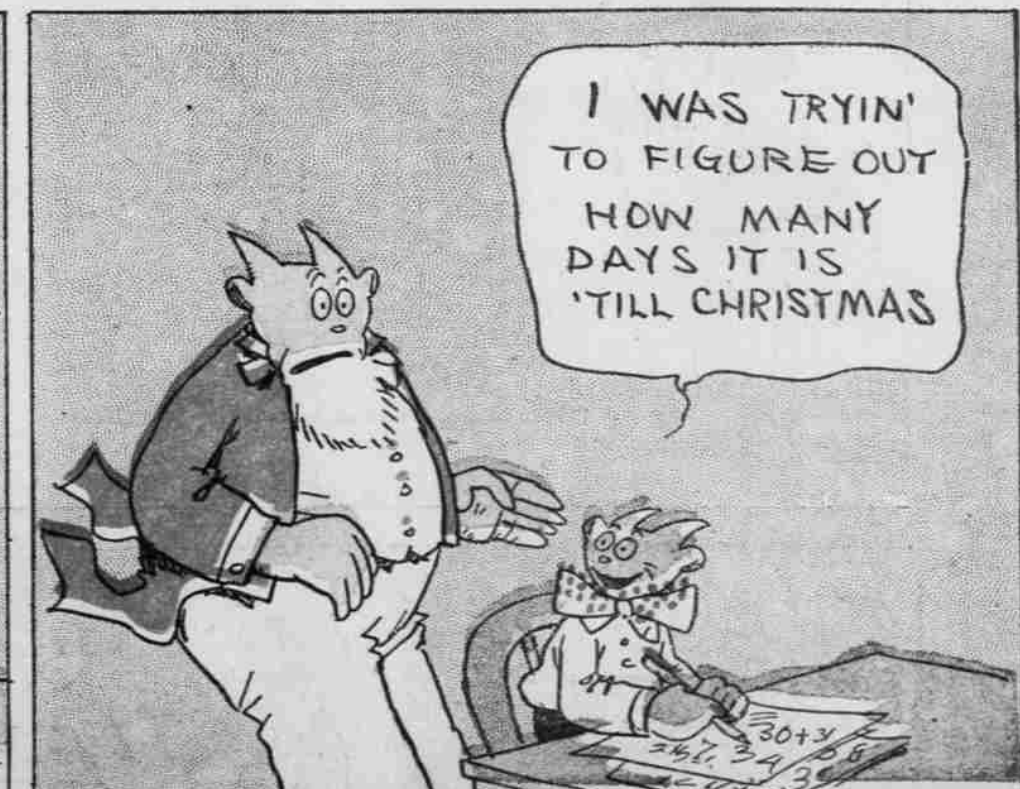

CAN IT BE HE'S TRYIN' TO FIGURE OUT A NEW TORPEDO OR THE COST OF A NEW GARAGE, OR HOW MUCH THE WAR HAS COST UP TO DATE? BY GOLLY!! HE'S GOT ME—

OH SHAW! THERE GOES ANOTHER MISTAKE

WHAT ARE YOU TRYIN' TO DO THERE YUTCH? THAT MUST BE SOME PROBLEM YOU'RE WORKING ON — WHAT ARE YOU DOING?

I WAS TRYIN' TO FIGURE OUT HOW MANY DAYS IT IS 'TILL CHRISTMAS
