

ELMON GENESTE IS READY TO SETTLE

Mrs. Emma Lorentzen Will Get Estate of \$1075 Now Held by Administrator.

HEARING CALLED MONDAY

Judge Tazwell Has Note in His Possession and Indications Point to Satisfactory Settlement Without Extended Litigation.

In the County Court tomorrow morning Judge Tazwell is expected to straddle out the financial difficulties of Mrs. Emma Lorentzen, a Norwegian woman declared legally dead more than a year ago, who has just disappeared to claim her estate of \$1075, which has been in the hands of Elmon Geneste, an attorney, who was appointed administrator of her estate by ex-Judge Cleaton last November.

That the final adjustment will be made was indicated yesterday, when Mrs. Geneste announced his readiness to turn over the \$1075 belonging to the woman to the County Court or to a guardian which the court might appoint for her. He said he stood ready to make this adjustment any time the court might make such a decree.

Note Alleged Secured.

In direct refutation of the statement given Friday night by Mrs. Lorentzen, Geneste declared that the promissory note for \$1075, which he had given to Mrs. Lorentzen November 13 last, when she first made her whereabouts known, was secured by a mortgage on his office furniture and automobile. He said he had a duplicate of the note in his office, which he would produce if demanded. Mrs. Lorentzen denies that he gave her any such mortgage.

Mrs. Lorentzen was in court all yesterday morning waiting for some action which would result in her securing her money. She kept in constant touch with certain of her friends in order that she might be called into court any time she might be needed.

Mr. McMennamin Not Present. It was brought out yesterday that Mr. McMennamin, law partner of ex-Judge Cleaton, was not the man who was in the office of Mr. Geneste the night of November 13, when the latter gave Mrs. Lorentzen the promissory note. Mrs. Lorentzen yesterday failed to identify Mr. McMennamin as the man who was present. Mr. Geneste said yesterday that his stenographer was present at that time, but did not give the name of the other man there.

Mr. McMennamin said he drew up the petition to have all records in the Lorentzen estate case purged from the files of the court at the request of his partner, Mr. Cleaton. He said yesterday was the first time he ever saw the woman. Some woman, he said, came to his office and secured the petition after he had completed drawing it up. Acknowledgment to the petition was taken by a notary public with an office on the same floor with Mr. Geneste in another office building.

After this statement had been made by Mr. McMennamin, Mr. Geneste admitted that he had secured this petition and had taken it to his office, where he had Mrs. Lorentzen sign it. The acknowledgment, he said, was taken by a Miss McEvoy, a notary public. He denied there was any man in the room when she signed Mrs. Lorentzen his promissory note.

Music, Dancing, Comedy in "Watch Your Step."

Tracy Elbert, One of Best Known Comedians and Singers in Profession, Will Be Seen in Role of Iona Ford at Heilig.

"Watch Your Step," the famous synopsed musical success, made entirely of music, dancing and clever lines, which comes to the Heilig for the Thanksgiving attraction, is Tracy Elbert, one of the best-known comedians and singers in the profession and who plays the role of Iona Ford.

Others prominent in the cast are Irving Carpenter as Silas Flint, a newspaper lawyer; Charles Udell, an Ebenezer Hardacre, a thrifty sport; Fred Hillebrand, as Joseph Lilburn, who

A Fight for Life

It has been fight or die for many of us in the past and the lucky people are those who have suffered, but who are now well because they heeded nature's warning signal in time to correct their trouble with that wonderful new discovery of Dr. Pierce's, called "An-U-ric." You should promptly heed these warnings, some of which are dizzy spellings, some of which are dizziness, some of which are irregularity of the urine or the painful twinges of rheumatism, sciatica or lumbago. To delay may make possible the dangerous forms of kidney disease, such as Bright's disease, diabetes or stone in the bladder.

To overcome these distressing conditions take plenty of exercise in the open air, avoid a heavy meat diet, drink freely of water and at each meal take Doctor Pierce's Anuric Tablets (double strength). You will, in a short time, find that you are one of the firm indorsers of Anuric, as are thousands of neighbors.

Mr. A. W. CURRIE says: "I suffered greatly with my back and kidneys. I called in doctors and they did me no good, but recommended an operation. I saw Anuric for kidneys and backache advertised so sent up to the drug store and got a package, and it took me only a few days to get well. I was down in bed and had taken many different kinds of medicines but obtained no relief from them."

Mrs. ROSA MELKAVIC, of GETCHELL, Wash. says: "I was troubled with the backache for the last five years. I sent for a package of Dr. Pierce's Anuric Tablets, which cured me completely. I will recommend Anuric to all my friends who are troubled with backache."

Step into the drug store and ask for Anuric, or send Dr. V. M. Pierce, Buffalo N. Y., loc. for trial pkg. Anuric—many times more potent than lithia, eliminates uric acid as hot water melts sugar.

Invented the steps you will see; Frank Coombs, as the Ghost of Verdi; Balli Belasco Martin, as Ernesta Hardacre—too good to be true; Helen Delaney, as Mrs. Vernon Castle; Mabel Sherman, as Stella Spark; Harry van Fossen, as the Pullman porter; Arthur Lutz, as Algy Cuffs, and Harry Lamont, as Willie Steele.

"Watch Your Step" is a dancing show, as its title implies. The story begins in a lawyer's office, where dancing is found to be the feature of the day's work and participated in freely by all of the people belonging there and the visitors within their gates. The stenographers dance with their fingers and their feet perfectly all night, everything going around and trotting across, and the songs and arguments, promenades and poses all lead up to or immediately follow the moment of "hesitation" or one-step to the left or to the right.

"Watch Your Step" overflows with ragtime songs and dances which last season scored what was undeniably one of the biggest successes of all the new musical productions.

Last year it was played in only a few cities outside of New York, therefore the fact that it is to be seen in this city is probably one of the most important theatrical announcements that will be made by the local management this year.

ART LEAGUE ORGANIZED

PERMANENT BODY IS FORMED BY PORTLAND STUDENTS. Purpose is to Promote Fellowship and Encourage Appreciation of Good Work.

A new students' organization has come into being, the Portland Art Students' League. The league is to be a permanent body, to include students of the Art School, of the Portland Art Association of the present, past and future. The objects of the league are to promote social fellowship among members of the school, past and present, and to form a unit for the appreciation and encouragement of the various phases of art expression.

The officers elected at the initial meeting last week are: President, Stuart Pratt, vice-president, Shanna Cumming; secretary, Leta Kennedy; treasurer, R. G. McKie.

The first event of the Portland Art Students' League will be the sale to be held next Friday afternoon at the school studios in the Art Museum. The sale will be for the purpose of encouraging craftsmanship and will include Christmas articles, such as cards, seals, boxes, prints and sketches. This sale will be held in conjunction with the mid-term exhibition of students' work to which all are invited.

Seniors Give Programme.

The senior class of the Girls' Polytechnic school gave an entertainment at the school on Friday evening before a large audience. The programme included the class play and several musical numbers. One of the features of the entertainment was the presentation of a group of living pictures, each representing a different nation. The class play was a one-act burlesque showing the interior of a modern military establishment.

WARBO BAKER WILL HEAD BOARD OF ADVISORS TO HANDLE VARIOUS EMERGENCIES NOW CONFRONTING PORTLAND.

Board of Advisors to Handle Various Emergencies Now Confronting Portland.

WORK TO BE CO-ORDINATED

Purpose is to Eliminate Duplication of Effort and Conflicts Existing by Reason of Individual Organizations Acting Alone.

A war emergency council to handle in an advisory capacity various war emergencies confronting the city of Portland is to be named by Mayor Baker. He made public yesterday a plan which will be put into operation within a few days.

The council will have representatives from all organizations, social, commercial, educational, industrial and religious, who will advise on methods of meeting problems now existing and apt to arise during the war. The purpose will be to eliminate the duplication, differences of operation and conflicts now existing by reason of the individual organizations each moving in their own independent manner in the handling of problems. In creating the council the Mayor has the cooperation of leaders along all lines of activity.

The object of the organization will be to act as a local, central body to co-ordinate all war efforts; to do the work of a clearing-house for the war problem activities of the city; to prevent duplication and reduplication of efforts and solicitations for funds; to carry out a constructive programme by delegating or coordinating activities established or to be established, activities not already covered; to assist by general conference all organizations of the city in order that they be overlooked nor any preventable overlapping of effort be allowed; to cooperate in every way with the State Board of Defense.

In making public the plan, Mayor Baker issued the following statement: "War conditions have developed many serious and vital problems pertaining to the health, strength and morals of the community. These problems are new in the sense that they have developed suddenly under abnormal conditions into issues in which much is involved and in which the public has a vast interest. They must be met promptly and in a constructive manner."

"Various organizations, including clubs, churches and individuals, have taken notice of these conditions either collectively or individually and have entered the field. They have gone far enough to indicate that there is much difference in procedure, much overlap at cross purposes and much conflict in ideas on proper methods to meet or combat the issues."

"In our attempts to handle the conditions from a police standpoint, as well as from a sound business standpoint, the administration has come face to face with these conflicts, and we have reached the conclusion that much valuable energy is being wasted. We realize also that the problems are of a magnitude that require collective thought and administration rather than individual action, and the concentration of activities will accomplish satisfactory and permanent results quicker than is possible with the present system of separate activity by the individual organizations."

It is for this purpose that I am establishing an advisory board to be known as the Portland War Emergency Council. This body is to include representation from all organizations, social, commercial, educational, industrial, health, police and religious, and will act purely in an advisory capacity to encourage policies and activities that will do the most good."

"It is not the purpose of this organization to displace any of the bodies now in the field engaged in work of correction along any line, but merely to advise with them on the best methods of operation so as to eliminate duplication. This collective body of 25 or 30 of the city's leading minds will, I believe, be of great value in the campaigns which must be made and which must be made in the most organized manner now working need stop any of its activities unless it be for the purpose of better meeting the situation, this to be determined by the emergency council as constituted."

"It is to be the purpose of this committee to organize and coordinate the fullest extent with all National or local agencies, whether they be social or administrative, and to be privileged, in turn, to co-operation from these agencies."

"I will endeavor to select representative men and women in the various lines of work in the work now on or which should and must be interested."

The membership which will be named soon will include representation from such organizations as the following: Postoffice Commission, War Council, Grade Teachers' Association, Catholic War League, Chamber of Commerce, Retail Merchants' Association, Salvation Army, Portland Chamber of Commerce, Portland Chamber of Commerce, Rotary Club, Progressive Business Men's Club, District Attorney's office, East Side Business Men's Club, Sheriff's office, Central Labor Council, office of Chief of Police, Ad Club, Federation of Women's Clubs, Woman's Christian Temperance Union, Oregon Social Hygiene Society, Young Men's Christian Association, Young Women's Christian Association, Superintendent of Schools, Parent-Teacher Association, Congress of Mothers, County Commissioners, Women's Protective Division, Juvenile Court, Civic League, commanding officer, Varsity, War Council, Judge, Ministerial Association, Public Health Department, Mus and various religious organizations.

Schoolboys to Work in Yards. Through the pleading of the school instructors and the men from whom they had stolen automobiles for "joy rides," three high school youths yesterday escaped a term in the state reformatory on condition that they go to work in the Portland shipyards and repay the damage done to the machines, amounting in all to something over \$400. The boys will go to school and work in the shipyards on the afternoon and evening shifts.

DISLOYAL TALK CHARGED

Ex-Member of I. W. W. Arrested at Aberdeen.

ABERDEEN, Wash., Nov. 24.—(Special.)—Halvar P. Phandy, an American, 39 years old and a former member of the I. W. W., was arrested this morning

on a charge of making unpatriotic utterances. He is declared to have said: "I will not help the soldiers and have no use for Uncle Sam's response to a little girl's request to buy a Salvation Army flag button."

That Phandy is either simple-minded or a liar was the only conclusion which could be drawn from a preliminary hearing given him this afternoon. His case was continued until Monday.

AN INDOOR TOILET

Can Be Placed in Any Home Without Sewer Connections. Chemical Makes It Odorless and Sanitary.

It is no longer necessary to have sewer, cesspool or plumbing in the home in order to moderate it as to toilet accommodations.

Chemists connected with one of our leading universities have perfected a chemical that dissolves human waste, kills disease germs, and makes the toilet sanitary and odorless.

A company known as the Kaw-Near Cabinet Co., 1120 Kawnear Bldg., Kansas City, Mo., manufactures this chemical, also staled in any home at very little cost without plumbing. They are now making a liberal offer of sending a toilet and chemicals on free trial.

It has no odor, can be placed in any room, hall or closet. It prevents flies, fifth and makes the cold, unhealthful outhouse unnecessary. It is a blessing for the old, young, or invalids. Anyone interested in modernizing their home should write for their free trial offer and literature.—Adv.

HOW TO PREVENT APPENDICITIS

Appendicitis is primarily due to the poison formed by decaying food in the bowels. It is a disease caused by improper and insufficient bowel elimination. Many people have an acute bowels cause head-aches, stomach trouble and 90 per cent of all other ailments. The old foul matter sticking to the sides of the bowels often stays in for months, poisoning the body and causing that listless, tired feeling known as "auto intoxication."

HOW TO AVOID TROUBLE. The way to avoid sickness and to keep feeling full of ambition is to watch your bowels. Just as you keep the outside of your body clean, it is even more important to keep the bowels clean than it is to keep your body washed, because the millions of pores in the 30 feet of bowels quickly absorb poisons generated by decaying food left carelessly in the bowels. Don't allow the old, fermenting, filthy stuff to stay in your bowels for weeks, but GET IT OUT and it is safe. Remember, filthy bowels are the cause of most sickness—no stomach, liver or any other organ can do its work

with a foul cesspool sending out gases and poisons. Even if your bowels move slightly each day, that is not enough. There must be a thorough evacuation of the bowels. Cleansing to rid your system of all accumulated, decaying matter.

THE MOST COMPLETE bowel cleanser known is a mixture of santonin bark, santonin and ten other ingredients, put up in ready prepared form under the trade name of Adier-Ika. It is so gentle that it removes a bowel cleanser that it ALWAYS draws from the alimentary canal—matter that is not only poisonous but also causes other earthy or laxative mixtures, unable to dislodge, it induces a COMPLETE job and it works QUICKLY and without the least discomfort or trouble. It is so gentle that one forgets he has taken it until the THOROUGH evacuation starts. It is so containing the great amount of foul, poisonous matter a SINGLE SPOONFUL of Adier-Ika draws from the alimentary canal—matter you would never have thought was in your system. Try it right after a natural bowel movement and notice how much MORE foul matter will be brought out which was poisoning your system. In slight disorders such as occasional constipation, sour stomach, gas on the stomach or sick headache, one spoonful brings relief almost INSTANTLY. Adier-Ika is the MOST THOROUGH bowel cleanser and antispasmodic ever offered in ready prepared form. It is a constant surprise to people who have used only ordinary bowel and stomach medicines and the various oils and waters.

REPORTS FROM PHYSICIANS. Dr. James Weaver, Lea, Utah: "I have

found nothing in my 50 years' practice to equal Adier-Ika."

Dr. W. A. Line, West Baden, Ind.: "I use Adier-Ika in my practice and have found nothing to equal it."

Dr. F. M. Prettymann, Mallard, Minn.: "I use Adier-Ika in all bowel cases and have been very successful with it. Some cases require only one dose."

Druggist D. Hawka, Goshen, Ind.: "One of our leading druggists has used Adier-Ika in cases of stomach trouble with wonderful success. He has not lost a patient and saved many operations."

J. E. Fickett, Gilham, Ark.: "I had had stomach trouble. After taking Adier-Ika I feel better than for 20 years. Haven't had any more trouble since. I have used Adier-Ika to get rid of my stomach trouble and I can sleep all night. I could not eat a thing, my stomach was so weak. Adier-Ika made me feel better and am now able to work and gain."
