SAWMILL FOR SALE.

We are instructed to dispose of a sawmill plant and logging equipment now in operation and in first-class condition, for a party who has other large interests that requires his immediate and exclusive attention. The price and terms are a secondary consideration, the question is to find a buyer and find him quickly. If you are a lumberman or can interest capital in such a proposition as outlined, we earnestly ask for your earliest attention and inspection of the following:

Both mill and logging equipment complete in every detail, capacity of mill 40.000 feet daily.

Logging road open through timber sufficient to keep plant busy for next three years. Timber contracts go with the transfer, Millions of feet more timber to be had, Good railroad connections.

Full detailed certified copy of equipment of plant, issued by the General Appraisal Co. Nov. 1, 1917, will be gladly mailed upon request to interested parties.

This is a smart, clean-cut chance for someone to cash in on one of the cleanest husiness propositions ever presented to the public through the columns of this paper. paper.
