Cross Service in France.

COLLEGE WORK IS LAUDED

Physician Is Specialist in Caring for Children and Will Devote Her Time Aiding Those Rendered Unfit by World War.

Dr. Bertha Stuart, head of the department of physical education for women at Reed College, will leave on January ? for Europe, in answer to a call from the American Red Cross in France. She has been granted a leave of absence from the college in order that she may accept a commission with the children's bureau of the American Red Cross, with headquarters in Paris. Dr. Stuart is especially fitted for this position, having had a great deal of experience in medical work among children. Her clinical practice at the Waverly Baby Home has become wide-

Dr. Bertha Stuart, Physical Director of Reed College, Who Tomorrow for Work in France.

ly known. During the past Summer she took additional preparation at the Uni-versity of California Summer school at Berkeley, where she conducted medical

work among children. College Work Is Landed,

Dr. Stuart will go to France to give real aid to the women and children of that devastated country, to help them build up their vitality and re-establish their new homes. Her work will con-sist chiefly of the medical care of chil-dren, but she has a broad field before her that will doubtless take her to ment that will doubtless take her to many parts of France. For the past three years she has been head of the physical educational department for women at Reed College, making it a stronger, more important branch of the college work with every year, Dr. Stuart has the entire devotion of every girl in the college, and the students in her classes have felt the necessity for health and strong vitality more this year than ever before, when their coun-try needs men and women of endurance to carry on the work of winning the

War.

With the beginning of the college year Reed College added additional physical educational requirements for all students, realizing the importance of spieffdid health at this time. The results have been very successful, due to the enthusiasm inspired by Dr. Stuart. Before taking her position at Reed Col-lege Dr. Stuart was head of the depart-ment of physical education for women at the University of Oregon, and pre-vious to that she occupied a similar position with the University of Mich-igan, where she also received her decrees of bachelor of arts and doctor of medicine.

Successor Is Selected.

Dr. Study has gained a wide reputation as a specialist in the care of children, and she will be thoroughly efficient for the post she will occupy in France. Her absence will be keenly felt at Reed College, but she leaves with the best wishes for success in France. The cablegram announcing her selection for this work by the American Red Cross was received early in the week, and Dr. Stuart left Friday for her hume in Eugene to spend a few days before starting on her journey for Europe. She will return to Portland todays before starting on her journey for Europe. She will return to Portland todays to complete the final preparations for her trip. During the last busy days also was the guest at impromptu social affairs at the college, showing the high esteem and appreciation in which she is held by both students and faculty.

Dr. Stuart's duties in the physical educational department at Reed College will be assumed by Miss Freida Goldwanith, who has been her competent assistant this year and who worked with her in the department of physical education in the University of Oreson. Successor Is Selected.

her in the department of physical edu-cation in the University of Oregon.

TINPLATE LAW ENFORCED

Several Arrests Made but Judgment Suspended in Each Case.

Enforcement of the so-called tinplate ordinance, which requires owners of hotels and rooming-houses to indicate on plain signs ownership of such buildings, suddenly sprang up to plague a number of prominent men yesterday morning, when the police commenced activity. Municipal Judge Hossman, however, imposed no fines, all those before him having compiled

with the law immediately on their ar Those arrested were: P. Lowengart, K. J. McQuarrie, H. E. Dosch, Warner Richen, Willis Moore and John Kullsh. Each explained a willingness to comply with the law, and suspended judgment was entered.

OREGON PIONEER IS DEAD J. L. Shelton, or Cottage Grove, Crossed Plains in Your 1844.

COTTAGE GROVE, Or., Jan. 5.—(Special.)—J. L. Shelton, pioneer of 1844, died here last Thursday. Mr. Shelton was born in Missouri June 4, 1842. He crossed the plains in 1844 and in 1879 was married to Naoma Crowley, who died in 1834. He is survived by two children—Claude and Donald C. Shelton, who were present at the funeral. Mr. Shelton was a peteran of the Indian wars. His early life was spent in Polk County, the city of Dallas now occupying part of the donation claim taken up by his father. He came to Cottage Grove in 1900.

Dr. Bertha Stuart to Enter Red Shanahan Compelled to Enlarge Great Expansion Sale Starts This Week

This business has increased by leaps and bounds. So phenomenal has been the growth that more floor space became an absolute necessity.
