HEMPHILL'S TRADE SCHOOLS
CAN
HELP YOU.

LEARN THE GASOLINE ENGINE TRADE.

Never before in the history of the world has there been such an opportunity presented to young men as is now offered in the automobile business. The U. S. Government cannot get one-third enough gas engine specialists to supply the demand.

THE SKILLED MECHANIC IS THE MOST INDEPENDENT MAN ON EARTH.

The continual march of efficiency throughout the United States makes it imperative that you learn a trade. The fittest survive, the unprepared perish. OUR SCHOOL IS EQUIPPED WITH EVERY MODERN APPLIANCE REQUIRED FOR PRACTICAL WORK. Our instructors have spent many years in training as automobile and tractor engineers. The methods used by these men are those acquired through long years of experience.

The Hemphill Trade School is one of the best equipped automobile and tractor schools on the Pacific Coast. The machine shops, overhauling batteries, magnetoes, electric starters, vulcanizing shops, autos, tractors, from 10 to 20 cars being repaired every day, class rooms, washroom, all this is PRACTICAL. All cars are overhauled free.

REPAIR YOUR OWN CAR.
We teach how to change tires, care of motor, oiling, electric starters, generators, storage battery, working of gears, clutch and brakes, etc.; everything you should know in order to drive or take care of cars.

Students may enter at any time. Our school is never closed except Sundays and holidays. Courses usually take from 6 to 8 weeks to complete. The students are furnished with a complete set of tools and two sets of work clothes. Upon completion of the course the student is entitled to the use of the HEMPHILL FREE EMPLOYMENT BUREAU.

Be ready; big jobs, big future; the automobile and tractor industry is yet in its infancy, so prepare yourself. Remember, a man's success depends upon the development of his skill, and not in the strength of his muscle. The coming years will be years of SPECIALTY and EFFICIENCY. Write for free catalogue, or call and see for yourself any time. Day and night classes.
