Fully \$10,000 of Big Fund Collected in Residence Districts-Officials Are Gratified Over Result of Campaign.

The Knights of Columbus put it over. They walked right past the \$50,000 war fund goal they had established. Tabulated returns last night showed a total of \$57,000 piedged. It was predicted that unreported subscriptions will bring the sum to \$60,000. Formal termination of the week's

fund drive was celebrated in a jollifica-tion meeting at 8 o'clock last night in the Elizabethan room of the Imperial Hotel It was there that the prelimi-nary total was announced. A gift of \$2000 by Archbishop Christie, who was present to extend congratulations to the workers, necessitated an upward re-vision of the figures from the \$54,000

Hearty appreciation of the splendid efforts and worthy schlevements were voiced not only by the Archbishop but by "Fleid General" I. N. Day, Executive Chairman John N. The keeping of the Sabbath as a day of surcease from toll and of particular reported to the police last night that his family had been frightened Friday morning by a man masked with a black devotion came to be a national characteristic of the Israelites, whereby they were distinguished from pagan nations; and rightly so, for the observance of the holy day was specified as a distinctive sign of the covenant between Jehovah and His people. In the course of Israelitish history successive prophets admonished and rebuked the people for neglect or profanation of the Sabbath. Nehemiah ascribed the affliction of the nation to the forfeiture of Divine protection through Sabbath violation, (see Neh. 13:15-22); and by the mouth of Ezekiel the Lord reaffirmed the significance of the Sabbath as a mark of His covenant with Israel, and sternly upbraided those who observed not the day. Long before the birth of Christ the original purpose of the Sabbath and the spirit of its service had come to be largely lost sight of among the Jews; and rabbinical rules introduced numerous technicallies, which made of the day one of almost unbearable discomfort and severity. This condition was strongly denounced by our Lord in reply to the many criticisms heaped upon ply to the many criticisms heaped upon Him because of the healings and other good works wrought by Him on the sabbath. "The subbath was made for man, and not man for the subbath," said He, and then continued with the profound affirmation: "The Sou of Man is Lord also of the subbath." (Mark

Christ came not to destroy the Law of Moses but to fulfil it; and through Him the law was superseded by the Gospel. The Savior rose from the tomb on the first day of the week; and that particular Sunday, as also the next, was rendered forever memorable by the bodily visitation of the resurrected Lord to the assembled apostles and others. To the believers in the craffiled and risen Savior Sunday became the Lord's Day (Rev. 1:19), and in time took the place of Saturday as the time took the place of Saturday as the weekly Sabbath in the Christian

The Church of Jesus Christ teaches that Sunday is the acceptable day for Sabbath observance, on the authority of direct revelation specifying the Lord's day as such. It is to be SHOULD EAT PIE DAILY firmed unto the Church. It is to be noted that the revelation, part of which follows, was given to the Church on a Sunday (August 7th, 1831).

For verily this is a day appointed unto you to rest from your labors, and to pay thy devotions unto the Most High. Nevertheless thy vows shall be offered up in righteousness on all days and at all times. But remember that on this the Lord's day, thou shalt offer thine oblations and thy ber that on this the Lord's day, thou shalt offer thine oblations and thy sacraments unto the Most High, confessing thy sins unto the better, and before the Lord.
