BIG SAVING NOW URGENT

Winson Calls on American Public to Cut Down Materially Use of Meat and Wheat.

WASHINGTON, Jan. 26 - The American people will go to war bread diet Monday as part of a war-saving system proposed tonight by President Wilson and the food administration. "Tremendous food conservation call is that the reduced rations call for the purpose of creating a larger export surplus of food for the Allied countries," President Wilson said. The war-saving program accomplished largely by voluntary effort, he declared, will be enforced whenever permitted under the food management.

Program Arranged for 1918
The remaining months as proposed by the President in a proclamation issued today and the Food Administration's 1918 food conservation program, of which the chief object is the control of food, beginning Monday, with a 6 per cent tax on the distribution of all other food and a 20 per cent cut in milk, is to end February 21.
