The Freeman has consented to take for the class work, but will not body and the class work, but will not for the class work, but will not body and the class work of the invest-ant banking-houses in Portland. The sentiation of some of the following had short-term inotes, and conditions porting the issuance of those re-porting the issuance of those re-the interest the investion of the security back at a bond, and numerous other issues to be a bond the re-source the the investor and issues to be a bond the re-source the the investor and the re-the the the terma the issues the re-the terma the terma the issues the re-the terma t

Lecture Dates Announced.

Lecture Dates Announced. The lectures will be held at 7 o'clock every Thursday evening in the Oregon building, either in one of the rooms of the Chamber of Commerce or the par-lers of the American Institute of Banking, both of which organizations are co-operating with the university in the work.

With the beginning of the second semester's work in the University of Oregon extension classes in Portland this week a number of new courses will be offered. Of special interest are the military courses, which will be open to all wishing to enroll in them, but which have been specially designed for men expecting to enter

The Siren of the Nile

WILLIAM FOX PRESENTS

The superb, gigantic Theda Bara super-production. -The supreme achievement of lavish, extravacant photoplay accomplishment. The most costly and stupendous production ever

conceived.

-The picture that cost a king's ransom and employed 30,000 people

-Entire theater transformed into an Egyptian palace.

-Attendants in Egyptian costumes. -Incense, atmosphere.

Again the Majestic leads in offering a presentation on a more elaborate, more stupendous scale than has ever before been seen anywhere outside of New York.

the service

the service. The military courses will include a series of 29 lectures on "Practical Electricity for Military Purposes," to be given by G. W. Wilder, of the Henson Polytechnic School for Boys, in co-operation with the department of physics at the university. C. T. Kron-enberg, an instructor in Jefferson High School, will conduct a class in "military mathematics."

Photography May Be Studies.

Provided as many as 15 apply for it, there will be a course in photog-raphy Saturday mornings by Dr. W. P. Boynton, of the science department of the university.

A new course in literature will be siven by Mrs. Mable Holmes Parsons on "Versification and Contemporary Poets." This class will meet Monday

on versitication and contemporary Posts." This class will meet Monday evenings from 7:15 to 9:15. In the music department Dr. J. J. Landabury's course in harmony will continue, and W. H. Boyer's two courses will continue, with a new one added in more advanced teaching of music music.

music. A course in general chemistry will begin Monday evening at 7:15 at Lin-coln High School, and the class will metat three times a week. The in-structor will be Norman C. Thorne, of the faculty of Lincoln High School, acting in co-operation with Professor Stafford, of the science department at the university. The science department will also

The science department will also

The science department will also offer a course in botany, but this will not begin until April. Dr. B. W. DeBusk will give a new education course in "Mental and Physi-cal Tests and Diagnostic Methods," be-ginning Friday evening at \$ o'clock.

HELEN BRANSON MOE DIES

Bellevue Resident Passes; Survived

by Husband and Five Sons.

Tatman, preaching the sermon. She was born at Willamina, Yamhill County, March 5, 1575, the daughter of George and Mary Elizabeth Branson. She was married to Senert Moe Feb-ruary 6, 1596, five boys being born to the union: Jesse, Charles, Ole, Austin

the union: Jesse, Charles, Ole, Austin and Melvin, all of whom, with the hus-band, survive and reside at Bellevue. also is survived by nine brothers and two sisters.

Two Promotions in Day Is Record.

UNIVERSITY OF OREGON, Eugene. Jan 16 - (Special) - Two promotions in one day is the record set by Walter Dimm, son of J. C. Dimm, editor of the Springfield News and a graduate of the university with the class of 1916, who is now serving with the First Replacement Engineers. Dimm enlisted little more than a month ago, and his initial promotion was to first sergeant. Later the same day he was made sergeant-major of the first bat-tation. While in the university Dimm was a major of cadets.

And his initial promotion was to first made servers.
And the university plane.
