HOLLOCHER TO PLAY SHORT FOR BEAVERS

Portland to Get Brother of Last Year's Brilliant Infielder, Charlie Holloch.

YOUNG PLAYER RATED HIGH

Offers of Big Leagues Turned Down for Experience in Minors—Reports Indicate Louis Holloch Is Player of Ability.

BY JAMES J. RICHARDSON.
Hollocher will play short for the Portland team next season.
Such was the startling announcement made by Judge McCredie yesterday. But we must not confuse the name of Charlie Holloch, property of the Chicago Cubs, with that of his brother, Louis Milton Holloch, whom Charlie signed up for the Portland Pacific Coast International League team.
The glad news was received in a letter yesterday from Charlie Holloch, who shortpated for the Beavers last season. Judge McCredie is very enthusiastic about the young man's ability to make a regular position on the Portland team.
According to information from friends of Judge McCredie's, who have watched young Holloch in action, he is a better player than Charlie was at 18 years of age. Louis or Milton, whichever "handle" the youngest member of the Holloch family elects to sign his salary check with, is rated around the sandlot of St. Louis as being a wonderful prospect and has been besieged with offers to step right into the majors, but, on the advice of Charlie, he consents to climb the ladder of fame by starting in with the Portland team.
Hollocher is a right-hand hitter. According to Charlie, all that the youngster needs to make good is a little experience. Charlie wrote Judge McCredie that he preferred to have the youngster start in with Portland rather than go to a big league club and then be farm-torn to any old league in the country.
If young Holloch comes through only half as successfully as did Charlie, Portland may send another shortstop to the "big show" to share honors with Bancroft, Peckinpough, Ward, Olson and C. Holloch.

Judge McCredie wrote Billy Speas yesterday asking the former Portlander if he is a free agent, and incidentally asked Billy if he knew of any promising talent in his section of the country that wanted to play in the Pacific Coast International League next season.
Speas played with Muskegon in the Central League last season and hit in the clean-up position. There were few players who were more popular with local fans, and if Billy has his eye back again he can give somebody a stiff argument for the regular position in the outfield. Speas would make an ideal utility man for the Portland team.
Fred Byler, the catcher Judge McCredie drew in the P. C. I. L. lottery at Seattle, will not play ball with either Salt Lake, where he rightly belongs, or Portland, who mythically holds title to him.
Byler is a member of the submarine-chasing crew stationed at Point San Pedro in California. Along with Bert Whaling, well known in Pacific Coast League baseball circles, Byler will hold down the catching job for the submarine baseball team.

Jack Farmer and Delbert DeWitt, the clean-up outfielders they must turn over three or four players for the Lebanon, Tenn., lad. With Cobb, Veach and Hellmann as regulars for the DeWitts, it is likely they will be tough sledding for Farmer to break in.
Judge McCredie says he still owns the farm and DeWitt wants the farm. The farm is a small one, but it is a good one.

will prevail in all competitions. For the purpose of giving the women the right sort of a line on how matters should be conducted in a big fixture the same officials will act, and members of the fair sex will be coached in the style of procedure right through the programme.
As to the general arrangement of the men's programme, nothing is to be left undone. The army of the Ohio National Guard, one of the finest buildings in the Buckeye State, has been engaged for the monster tournament, and with its pillarless floor and cantilever roof it makes an ideal bowling arena. Special efforts are already under way to afford an exceptionally brilliant illumination of the alleys.

BOWLERS TO COMPETE

TOURNAMENT TO BE HELD AT CINCINNATI, O.

International Competition Will Draw Stars to Matches—\$30,000 in Prizes Offered.

"Knights of the tenpins," and ladies as well, from every quarter of the United States, will soon have their attention riveted on Cincinnati, O., for the Queen City has been selected as the venue of the American Bowling Congress, and, incidentally, the international tournament. The attractions to followers of the popular indoor pastime are the greatest ever offered since the introduction of the alley game in America. The sum of \$30,000 has been donated to boom the tourney and every penny is to be spent in cash prizes. Of course, this will mean the keenest sort of competition right through. Added to the main list of prizes there will be a big string of special trophies offered by different manufacturers, business firms, clubs and others interested in bowling. The variety has been introduced for the purpose of adding "pep" to the "contest."
The main section of the international tourney will be from February 16 to March 10, inclusive, the chief events to be five-man teams, two-man teams and individual competitions. As soon as the entries close, on February 1, a lot of special competitions will be announced. Immediately upon conclusion of the men's tourney, which is expected to be on March 10, the women will swing into action. As it is their inaugural move in the way of an international bowling affair it will be watched with a great deal of interest.
The Women's National Bowling Association will have control of the programme, but the rules of the American Bowling Congress tournament

will be followed. For the purpose of giving the women the right sort of a line on how matters should be conducted in a big fixture the same officials will act, and members of the fair sex will be coached in the style of procedure right through the programme.

Men All Play Basketball.
WILLAMETTE UNIVERSITY, Salem, Or., Jan. 26.—(Special.)—Every man in the university is turning out for basketball as a result of the inter-squad basketball games. Coach Mathews has charge of the schedule, and every squad of the university military company is represented by a team. The preliminary series will be finished this week, and then the final series will be played for the company championship. As soon as the squad games are completed the regular interclass games will be scheduled.
The Griffin family has received each week "as regular as howitzer fire," in "Peck's" own words, a letter couched in the familiar breezy style. They have not heard from "Peck" for three weeks.
"Peck" is in France," says his father. "I know somehow that he was and his silence makes it certain."

AGGIES WIN AGAIN

Corvallis Basketball Team Defeats Washington, 19-8.

VISITORS ARE SUPERIOR

Oregon Agricultural College Five Has Easy Time Throughout Contest and in First Half Keeps Score Down to 13 to 1.

Lieutenant "Peck" Griffin.

SEATTLE, Wash., Jan. 26.—(Special.)—Oregon Agricultural College repeated its victory of Friday night by defeating Washington, 19 to 8, tonight. The Aggies had a walkaway in the first half, scoring 13 points to Washington's 1. The second half was practically even.
Washington scored first on a free throw and Oregon retaliated with a free throw and six baskets. Krueger started in this half with three baskets and Bissett contributed two. Washington was played off its feet and could not work the ball near the enemy goal. Passes and shots went wide of their mark all too frequently.
The losers braced in the second half and, with Holbrook and Durgan replacing Slack and Gillyly, scored seven points, while the Aggies were held to one basket and four free throws. The winners fouled repeatedly, but Washington converted only four of its 12 free throws into points.
The work of Krueger and Bissett, for the winners, was high class and Krueger's shots were the feature of the play. Cook again held Captain Ray down, the veteran going without field goal, although he converted five free throws for points. Jamieson played a good defensive game for Washington and Durgan, who replaced Gillyly in the second half showed up well.
Lineup:
Washington. Position. Aggies.
Gillyly.....Forward.....K. O. Ray
Ide-Durgan.....Forward.....Krueger
Jamieson.....Center.....Gurley
Slack.....Guard.....Reardon
Cook.....Guard.....Bissett
Holbrook, substitute guard.

DENNY WILIE HOLDS OUT

SACRAMENTO PLAYER NOT SATISFIED WITH CONTRACT.

Rodgers Expected to Loosen Up and Extra Pay Probably Will Get Player to Show Up.

Denny Willie, Sacramento outfielder, is not satisfied with the contract offered him to play with Bill Rodgers' outfit. Just what there is to the document that Willie objects to is not made known in word received from Sacramento, but the salary question is the only obstacle in the way of the peppy Waco citizen who prefers the Oregon climate to that of his native state—Texas.
With a little coaxing and a few extra dollars it won't be hard to land Willie's signature to the Sacramento contract. Denny always starts his Spring training by getting "writer's cramp" in his left hand. Rodgers is fully aware of Willie's ability to hit and play the outfield, so there is no question but what Denny will be "among those present" on March 4 at Sacramento, which is the official date for the assembling of the Senator gladiators.

WILLAMETTE IS VICTOR

OREGON QUINTET WALLOPED BY SCORE OF 27 TO 19.

Eugene Basketball Team Evinces Wonderful Luck of Experience and Success in Easy Fashion.

UNIVERSITY OF OREGON, Eugene, Jan. 26.—(Special.)—Oregon's basketball five showed its woeful lack of experience tonight when it went down to a 27-to-19 defeat at the hands of the Willamette University quintet.
From the start the Methodists took the lead, with McKittrick and Wapato, the star Indian forward, hitting the loop for about one tally out of every three tries, while Hayward's boys were unable to find the circle with any regularity. Oregon's floor work was ragged throughout and the visitors discomfited them on team work.
The lineup:
Willamette. Pos. Oregon.
Wapato.....F.....Fowler
Wapato.....F.....Morrison
Nichols.....C.....Combs
McKittrick.....G.....Speer
Dinnick.....G.....Speer
Substitutions—Oregon, Parsons for Wilson, Grebe for Fowler; Siler for Parsons, Willamette, Medler for Sparks, Davies for Medler.
The lineup:
Miss May Chenoweth, on Blue Bell, Wins First Place.

CLOSED PAPER CHASE GOOD

Miss May Chenoweth, on Blue Bell, Wins First Place.
The closed paper chase of the Portland Hunt Club held yesterday under the direction of James Nicol, master of foxhounds, resulted in a driving finish, with Miss May Chenoweth, on Blue Bell, first; Harry M. Kerron, on Winnie, second; and Miss Ethel McElhinney, on Ojal, third.
Mr. and Mrs. Natt McDougall, the hares, laid an exceptionally fine trail starting from the station and then going cross country for five miles to the finish on the Two-Bridge road near Garden Home. The course abounded in natural hazards, including many difficult jumps, all of which were taken without accident.
After this well-attended chase the riders and spectators gathered at the clubhouse, where a light lunch was enjoyed and where all were welcomed by Fred F. Martin and Mrs. James A. Beckett.
The next club events in charge of James Nicol are the junior closed paper chase scheduled for Saturday, February 2, after which at the clubhouse the riders will be the guests of Mrs. A. M. Cronin, and a senior closed paper chase now announced for Saturday afternoon, February 3, for which the hares will be Miss Rose Harrington and Harold Mayer.

HOOD RIVER WINS AND LOSES

Girls Defeat Parkdale; Boys Lose to Goldendale 105-2.

HOOD RIVER, Or., Jan. 26.—(Special.)—While the girls' team of the Hood River High School defeated the Parkdale High School here last night by a score of 25 to 1, the boys' team was beaten at Goldendale by the high school team of that city by 105 to 2.
The local boys today returned with untold praise for the teamwork of their Klickitat County opponents, whose work was so sure and fast that they made an average of almost two baskets a minute.

Germany to Be Interned.
Frank Meyer and Frederick W. H. Lohk, unnaturalized Germans, were taken yesterday by Deputy United States Marshal Pace to Vancouver Barracks and were immediately forwarded for internment during the period of the war. They were sent on to Angel Island, near San Francisco Bay.
