How to Rid the Skin of Objectionable Hairs.

(Aids to Beauty)

A simplified method is here given for the quick removal of hairy or fuzzy growths and rarely is more than one treatment required: Mix a stiff pasts with some powdered delatone and wa-ter, apply to hairy surface and after 3 or 3 minutes rub off, wash the skin and every hair has vapished. This simple, treatment cannot cause injury, but care should be exercised to get real dela-tone.—Adv.
