His dark eyes flashed and his even white teeth showed prominently in a broad, cunning smile. Gluilo was born in Italy 23 years ago. When war clouds began to hover over Europe in 1914 he departed from Italy and shipped for the United States where all was peace and contenument. Fighting, avi-dently, is not one of the assets of this son of Italy.

Strain lemon juice well before mixing and massage face, neck, arms, hands.

Here is told how to prepare an in-expensive lemon lotion which can be used to bring back to any skin the sweet freshness of which it has been robbed by trying atmospheric condi-tions. Wind-chafe, roughness, tan and redness are warded off and those tell-tale lines of care or of age are softened away.

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quarter pint of the most remarkable lemon skin beautifier at about the cost one must pay for a small par of the ordinary cold creams. Care should be taken to strain the
