Exchange goods can be bought at our warehouse, First and Washington.

### ABERDEEN WAR FUND \$4000

Chest Will Contain Enough to Meet Red Cross Assessment Soon.

ABERDEEN, Wash., March 9.—(Special.)—Aberdeen has \$4000 in her war

chest fund after deducting \$2000 paid the Y. W. C. A., and by June it is expected that the fund will contain sufficient money to meet the next Red Cross assessment, which will be about \$20,000 for this city.

Payments by merchants and manufacturers into this fund are being promptly made each month, and the re-

ceipts from now on are expected to range between \$5000 and \$8000 each month and, of course, increasing each month as new names are added to the list of subscribers.

Son Severs Father's Arm.  
WEST PLAINS, Mo., March 2.—When

Mike Stein, a farmer of White Church, this county, was caught in the machinery of a corn shredder recently, his 15-year-old son took an ax and cut off the father's arm, which could not be pulled from the machine's cog. The boy feared his father would freeze to death while he went for a doctor. Stein is the father of ten children.

### SPEAS TO MANAGE TACOMA IN P. C. I. L.

Russ Hall Names Former Portland Outfielder Pilot for 1918 Tigers.

### PLAYER POPULAR IN WEST

Ex-Beaver Played Number of Years on Coast and Had Good Record With Muskegon Club Last Year. Will Report to Tacoma Soon.

TACOMA, Wash., March 9.—(Special.)—Outfielder Billy Speas, once of Portland, will manage the Tacoma baseball club this season. That announcement was made by Russ Hall, owner of the team, today and Speas is expected to report soon.

Hall closed with Speas after weeks of dickering with several former central league players. The final choice lay between James Hamilton, third baseman and manager last year of the Muskegon Michigan club in the Central League, and Speas of the same team. But Hamilton wanted too many concessions, so Hall decided on the former Portlander.

Speas has spent the greater part of the 12 years he has been in the game here on the Pacific Coast. He is just over the draft age, having just turned 22. For years he played with Portland in the Coast League and batted around .240 that circuit. Later he went with the San Francisco Seals.

His batting average with Muskegon last year was .294. He is now in Toledo, O. Hall urged Speas, in his letter to pick up five ball players back East and send them out. Most of Hall's crew are rookies so far, but he believes he will get Stevens, catcher, back from S. Francisco.

### YANKEES TO HAVE CAPTAIN

Roger Peckinpaugh Named to Head New York Team This Season.

Miller Huggins, the new manager of the New York Yankees, is a believer in the old order and has, therefore, restored the position of captain to his team, naming Roger Peckinpaugh, former Portland shortstop, who was leader of the team until Bill Donovan assumed control. Of just how much value a captain is to a baseball team, which makes every move under the direction of a manager who is sitting on the bench or prancing up and down the coaching lines, it is hard to say, but Huggins apparently thinks that it is well to have an intermediary between himself and his players, and "Peck" is the man.

Announcement of Peckinpaugh's appointment came with the news that he had signed his contract for 1918, retaining by one of the number of rank holdouts. He will report for active service at Macon with the main body of the team on March 15.

### SOMMERS TO MEET FARMER

Portlanders Is Matched to Go Six Rounds With Kapovsin Logger.

TACOMA, Wash., March 9.—(Special.)—Al Sommers, Portland middleweight, and Frank Farmer, Kapovsin logger, were matched today to box six rounds before the Eagles, in Tacoma, on the night of March 21. They will form the main event of the long card. Matchmaker George Shanklin announced that the winner of the Farmer-Sommers will have a chance to meet Mick King at the next Eagles show. They the scrap will be for the Northwest championship.

Sommers has made a good showing since coming to the Sound and his performance has been the talk of the fans. Farmer also is a favorite, as he appeared here so many times. He is in the finest condition, for when he is not passing swift punches in the ring he is out in Kapovsin helping the United States win the war by juggling spruce. Both men will start actual training at once.

### COLLEGE GAMES SCHEDULED

Yale, Harvard and Princeton to Play in Three-Cornered Circuit.

Dates for the baseball games this season between Princeton, Harvard and Yale have been arranged by the respective managers.

The schedule follows:  
April 27—Harvard vs. Princeton, at Cambridge.  
May 4—Yale vs. Princeton, at Princeton.  
May 11—Yale vs. Harvard, at Cambridge.  
May 18—Yale, 1921, vs. Princeton, 1921, at Princeton; Yale vs. Princeton, at New Haven.  
May 25—Harvard vs. Princeton, at Princeton; Harvard, 1921, vs. Princeton, 1921, at Cambridge.  
June 1—Harvard vs. Yale at New Haven; Yale, 1921, vs. Harvard, 1921, at New Haven.

### WORLD'S RECORD IS EQUALED

Princeton Athlete Wins 45-Yard High Hurdles in Six Seconds.

PHILADELPHIA, March 9.—A world's record was equaled at the Meadowbrook Club indoor athletic meet here last night, when C. E. Erdman, of Princeton University, won the 45-yard high hurdle handicap from scratch in six seconds flat.

The Princeton hurdler had to extend his lead to beat Walker Smith and W. J. Cleminshaw, Jr., both of Cornell, who also started from scratch and finished second and third, respectively.

### YALE AND HARVARD TO MEET

Two Colleges to Play Series of Baseball Games This Season.

The announcement that Yale and Harvard would play a series of baseball games has been received with cheers by the players of both institutions. The placing of these games on the schedule will attach an interest and importance to the season that probably would otherwise have been lacking with all the undergraduates engaged very actively in military training.

It is probable that the Tigers will

arrange one game a week, to be played on Saturday, when all students will be free from war training classes. The majority of Princeton's games will be with universities and colleges in the near vicinity of Princeton, such as Rutgers, Pennsylvania, Columbia, Manhattan and other institutions about New York or Philadelphia. The possibility of the team making its usual Southern trip seems remote.

### ROWING REGATTA ARRANGED

American Association to Hold Meet at Annapolis, Md.

One of the most important rowing regattas ever arranged for college crews in the country will be held at Annapolis, Md., this Spring. It will be arranged by the American Rowing Association, which has extended invitations to all of the Eastern colleges to participate. The list includes Harvard, Yale, Princeton, Cornell, Columbia, Syracuse and Pennsylvania.

The regatta has been prompted by words of encouragement from Secretaries Daniels and Baker, General Wood and others, who believe that rowing and other forms of athletics

### PORTLAND BOY WHOSE ABILITY HAS LANDED HIM IN RESPONSIBLE POSITION.

Owen M. Sullivan.

The youngster who has been handling the athletic affairs of Stanford University in such a capable and efficient manner is none other than Owen M. Sullivan, of Portland, a former Mount Angel College basketball, baseball and boxing star.

Young Sullivan graduated from the Mount Angel institution three years ago and entered Stanford, where he immediately became popular with the followers of athletics by his brilliant basketball playing.

Last year he was unanimously elected to the position of manager of all athletic activities.

Owen Sullivan will be 21 years old next May and is the son of Lawrence Sullivan, of this city.

### MEET TO BE HELD FRIDAY, APRIL 26

Date of Indoor Military and Open Track Championship Event Is Changed.

### BOARD FLOOR TO BE USED

Surfacing of Ice Palace With Dirt Deemed Too Expensive, Since Object Is to Raise Money for Soldier Athletic Fund.

Chairman Lawrence A. Spangler, in charge of the arranging of the Northwest Military and Open Track and Field championships to be held in this city, announces a switch in the date of the big indoor meet to Friday evening, April 26.

It was originally planned to stage the indoor championships on a Saturday night. But past experience in handling the rest of the big building last night of the week moved the committee to switch to Friday night.

While the committee has not yet closed with the management of the Ice Palace for the rest of the big building, Chairman Spangler expects to be able to make some definite announcement regarding the site of the big meet during the coming week.

It has been decided to stage the events on a board floor instead of covering the entire surface with dirt. The expenses attached to the latter proposition would prove too costly and as the championships are being staged for the expressed purpose of raising money for the various military athletic funds the committee deemed it advisable not to incur too much expense.

**Jumpers to Be on Mats.**  
The broad jump and high jump events will be held on mats. It has been decided to cut out the pole vault, discus and javelin events. The military athletes will be kept busy during the evening because the committee has about decided to add a few more Army events to include obstacle races and carrying wounded soldiers. This, with the grenade and bomb-throwing, will keep the soldier athletes in the limelight during the progress of the evening's entertainment.

Lieutenant Sheehy, of the Signal Corps command, has been active with Chairman Spangler in arranging the many details connected with the big meet, and on account of his past experience in New York track and field meets his assistance has been greatly appreciated by the committee.

A meeting will be held by the committee during the coming week at the Multnomah Club. Chairman Spangler will announce the appointment of the various committees. It is planned to hold a big drive and dispose of tickets in a manner somewhat similar to the Red Cross, Y. M. C. A. and Knights of Columbus affairs.

Dr. A. D. Browne, physical director at Oregon Agricultural College, was a Portland visitor yesterday and expressed himself as being a big booster for the coming meet.

Dr. Browne is one of the biggest men in athletics in the West. He holds a world of power in National Intercollegiate Athletic Association affairs and he yesterday offered his services to Chairman Spangler to act in any capacity Spangler saw fit to place him.

Many letters have been received by Chairman Spangler from various colleges and high schools throughout the state inuring as to the list of events to be staged. The entire programme of events will be announced later.

### IDAHO STAR AWARDED LETTER

William A. Boekel Given "I" He Missed by Minute and Half.

UNIVERSITY OF IDAHO, Moscow, March 9.—(Special.)—Lieutenant William A. Boekel, U. S. R., of 47th Field Artillery, now stationed at Camp Lewis, a member of the University of Idaho graduating class of 1917, has been awarded a football scholarship by the university athletic board. Lieutenant Boekel missed obtaining his letter by a minute and a half in the 1916 season. The board also of California University to Leslie Moe, of Kellogg; Eugene Hyde, of Boise; Drom Campbell, of Moscow; Elira Hunter, of Moscow; Paul Evans, of American Falls, and Ernest Lindley, son of Ernest H. Lindley, university president.

Hyde and Evans were elected to board positions made vacant by recent enlistments.

### TENNIS TOURNAY PROPOSED

Pacific Coast Conference May Stage Big Meet in Portland.

SEATTLE, Wash., March 9.—(Special.)—Coach Claude J. Hunt has written all colleges in the Pacific Coast conference in an attempt to stage a conference tennis tournament in Portland this Spring. The most would include Washington State College, University of Oregon, Oregon Agricultural College, University of California, University of Washington and probably Stanford.

Coach Hunt believes that this would be the greatest intercollegiate tennis tournament ever held, since most matches are merely between two schools. All of these colleges expect to develop varsity tennis teams in both singles and doubles, so he believes there is no reason why any should not agree to this plan.

### CAL EWING TO ISSUE STOCK

Oakland Baseball Owner Hopes to Popularize Club With Fans.

Cal Ewing and his conferees of the Oakland baseball club want to popularize the team in the future. To that end they have secured a permit from State Corporation Commissioner Carman to sell 25,000 shares of the capital stock at \$2 per share. This is one-third of the capital stock of the club, and the sale price is twice the par value, which is \$1 per share. The proceeds are to reduce the indebtedness and to get ready for the coming season. According to Ewing, he is anxious to follow the scheme in Salt Lake, where as many of the fans as possible were made owners of the club. Ben Berry tried the same proposition last year, but it would not work.

### ALBANY WINS TWO GAMES

FACULTY AND HIGH SCHOOL DEFEAT OPPONENTS.

Salem Instructors Taken Out Camp by 23-to-20 Score—Lebanon Loses a Hard-Fought Contest, 21 to 20.

ALBANY, Or., March 9.—(Special.)—Albany won two basketball games last night in a double-header contest which marked the close of the basketball season in this city. The Albany High School faculty defeated the Salem High School faculty, 23 to 20, and the Albany High School defeated Lebanon High School, 21 to 20. Both games were played at the gymnasium.

The faculty team was composed of old-time stars and while some of the players got a trifle "winded," they put up a good game. This game saw-sawed all the way, neither team having much margin at any time. The Salem line-up was Murock and Edwards, forwards; Robinson, center; Heater and Lake, guards; Putman replacing Heater toward the end of the game. The Albany faculty players were Byers and Fox, forwards; Finney, center, and Minton and Moses, guards.

In the high school game Albany got a big lead at the start of the hard-fought contest with Lebanon, with a split, tied it up just before the half ended. Lebanon then took the lead at the start of the second half and the winning basket was tossed by Albany in the last minutes of play. The Albany players were Irvine and Fortmiller, forwards; Henderson, center, and Archibald and Busard, guards. Reeves replaced Fortmiller in the second half. The Lebanon team consisted of Bottenburg and Andrews, forwards; Lysinger, center, and Scott and Tucker, guards. Summers started at forward for Lebanon, but was hurt in the first few minutes of the game and Andrews replaced him.

### Unfilled Steel Orders Decrease.

NEW YORK, March 9.—Unfilled orders of the United States Steel Corporation on February 28 were 228,483 tons, according to the corporation's monthly statement issued today. This is a decrease of 139,400 tons compared with the orders on January 31.

### Board Fails to Get Weaver's Viewpoint.

Player's Exemption Plea Falls on Deaf Ears and He's in Class 1.

HERE'S one for the book. H. E. Weaver, one of Fred Mitchell's rookie pitchers on the Chicago Cubs' roster, has filed a unique claim for deferred exemption from military service, but the board at Warren, Pa., his home town, placed him at the head of the batting order by indorsing him for class 1. The exemption plea was: "We have a good chance to win the world's series."

He should have sprung the dandruff gag or chopped off one of his digits.
