Soundly Cured At the Age of 81

Mr. C. E. Brooks, Marshall, Mich. Dear Sir: Less than a year ago I sent to you for an appliance which came promptly. I at once put it on and it fitted perfectly. I have worn the appliance not quite 10 1/2 months. It has cured my rupture.

I tried the other day while the appliance was off, to see if I could force anything out of the opening to make a break there, but I could not, though I tried hard. Now I think this quite remarkable, as I am in my eighty-first year. I am an old veteran of the Civil War, born and raised in the town of New Boston, State of New Hampshire, from which place I enlisted in the 10th N. H. Vol. Inf. in Company C, commanded by Col. M. T. Donahue. I cannot leave but that I owe you this testimony, for I had never expected to be cured. However, thanks be to God, I found a cure through the valuable Appliance you made for me. Your friend, E. A. RICHARDS, Holly Hill, Fla.

Child Cured in Four Months

C. E. Brooks: Dear Sir: The baby's rupture is altogether cured, thanks to your appliance, and we are so thankful to you. If we could only have known of it sooner our little boy would not have had to suffer near as much as he did. He wore your brace a little over four months and has not worn it now for six months. Yours very truly, ANDREW EGGENBERGER, 21 Jansen St., Dubuque, Iowa.

The above is C. E. Brooks, inventor of the appliance, who has been curing rupture for over 30 years. If ruptured, write him today at Marshall, Mich. He knows all the torments of rupture from personal experience. Mr. Brooks cured himself and now stands ready to give you the benefit of his experience and years of study.

Within an Hour After You Receive Your Brooks Rupture Appliance, You Will Have Thrown Away Your Truss Forever.

For Many Years We Have Been Telling You That No Truss Will Ever Help You. We Have Told You the Harm That Trusses Are Doing. We Have Told You That the ONLY Truly Comfortable, Sanitary and Scientific Device for Holding Rupture is the BROOKS RUPTURE APPLIANCE. Now We Are Offering to Send You This Appliance ON TRIAL to Prove It.

Pennsylvania Man Thankful

Mr. C. E. Brooks, Marshall, Mich. Dear Sir: Perhaps it will interest you to know that I have been ruptured six years and have always had trouble with it till I got your Appliance. It is very easy to wear, fits neat and snug and is not in the way at any time, day or night. In fact, at times I did not know I had it on; it just adapted itself to the shape of the body and seemed to be a part of the body, as it clung to the spot no matter what position I was in.

It would be a veritable Godsend to the unfortunate who suffer from rupture if all could procure the Brooks Rupture Appliance and wear it. They would certainly never regret it. My rupture is now all healed up and nothing ever did it but your Appliance. Whenever the opportunity presents itself I will say a good word for your Appliance, and also the honorable way in which you deal with ruptured people. It is a pleasure to recommend a good thing among your friends or strangers. I am, Yours very sincerely, Wm. PATTERSON, 80 Spring St., Bethlehem, Pa.

Brings Instant Relief, Perfect Safety and Everlasting Comfort

The Brooks Rupture Appliance is beyond question the most universally indorsed appliance of any kind in the world for the retention and cure of a ruptured condition in men, women and children.

It is the result of more than 30 years' experience and the percentage of actual cures effected by its use is a little short of miraculous.

The Brooks Appliance has so many imitators that it is never sold in drug stores, or in any other way than by mail, direct from the maker. This is further necessary because every Brooks Appliance is especially made and fitted for the case for which it is intended.

Many hundreds of Physicians and Surgeons recommend the Brooks Appliance and condemn trusses as more harmful than almost any other method of retaining or treating rupture. You may not think that a rupture appliance can ever be truly "comfortable"—but that is because you have never tried Brooks'.

Others Failed, but the Appliance Cured

Mr. C. E. Brooks, Marshall, Mich. Dear Sir: Your Appliance did all you claim for the little boy and more, for it cured him sound and well. We let him wear it for about a year in all, although it cured him 3 months after he had begun to wear it. We had tried several other remedies and got no relief, and I shall certainly recommend it to friends, for we surely owe it to you. Yours respectfully, JAMES BRITTON, 80 Spring St., Bethlehem, Pa.

No. 717 S. Main St., Akron, O.

"A Blessing to Me"

Mr. C. E. Brooks, Marshall, Mich. Dear Mr. Brooks: I have been putting off answering your kind letter so that I could send you a good report. I can now honestly and thankfully say that I am completely cured, and I wish to thank you many times for what you have done for me. "Seems Impossible"

Holland, Indiana. Mr. C. E. Brooks, Marshall, Mich. Dear Sir: Having used one of your Appliances until it was worn out, I have been going without it for nearly a year and have not been troubled the least bit with my rupture, so I am well satisfied I am cured. It seems nearly impossible, but I have gone through a Summer's work on a farm without one and have not been troubled. I was born ruptured and never wore a truss until I was 21 years of age, and got your Appliance. If I ever need another one I shall send in my order. Yours truly, BARNEY OSKINS, R. F. D. No. 7.

Ten Reasons Why Cured Without Operation

You Should Send for the Brooks Rupture Appliance. "Was Sure He Would Be a Cripple" Ada, Minn. Mr. C. E. Brooks, Marshall, Mich. Dear Sir: Enclosed is a picture of my children and the "little man" you see seated on the chair is the one who was cured by your Appliance. He had been ruptured quite a while before we wrote you and I was sure that he would be a cripple the rest of his life. However, some helping hand showed me an ad in a newspaper, with the result that he was in perfect health through the wearing of a Brooks Appliance for just three months. The doctor advised an operation, which I would not consent to. Your advice was to put an Air Cushion Appliance on him, and I must say that it is worth ten times what it cost. I wish you could have seen him before we used the Appliance and now, when he is fully as sound as anyone could be. I cannot thank you too much for what you have done for my boy. Yours respectfully, OLIVER HANSON.
