Office Supplies

The little conveniences found in the modern office make for accuracy and save time and labor. It is a pleasure to work at a vocation where the tools are new and up-to-date and the results obtained are double-fold. Big business has proven the value of this axiom, hence in its office will be found all the advance time and labor-saving devices its system needs.

We aim to supply the new things made in office supplies as fast as they are obtainable. We are Portland agents for the Globe-Wernicke Company, makers of Nationally known office supplies and office furniture.
