Suits of Springtime smartness Trig and trim are the latest suits, embracing the patriotic Eton that wastes no wool on needless frills, but makes up for it with a smart vest effect; pony suits for misses; straight line, narrow-shouldered, Tailleurs; and the always useful Jersey. The color range is wide—from khaki, cadet and navy blue to azalea. You will approve of the prices. Spring Coats of utility and charm Such good-looking garments they are—soft, rich fabrics—velours, silvertone, Argentine cloth; or extremely practical coats in serges, checks and gabardines, showing the nobby trench and military cape models. And so reasonably priced. Pretty Frocks that pay a compliment to Spring They have a quaint touch of the old-fashioned, these delightful frocks with surplice waists, tunics or draped skirts. The materials—foulards and satins, soft chiffons or crepe de chines, add to this effect. They, too, are attractively priced. Liebes' Furs supply just the touch of warmth that Spring apparel requires.
