## HOLBRROK IS OUT FOR SECOND TERM

County Commissioner Announces He Is Candidate for Re-election.

#### BRIEF STATEMENT ISSUED

Candidate Promises Full Performance of Duty: W. W. Banks, Portland Lawyer, Aspires to Seat in State Senate.

Philo Holbrook, member of the Board Philo Holbrook, member of the Board of County Commissioners, announced yesterday that he would be a candidate to succeed himself. If nominated and elected for a second term, Mr. Holbrook promises, as in the past, fo give his entire time to the duties of the office. For re-election. Will faithfully perform my duties as prescribed by law," is his slowan.

form my duties as prescribed by law,"
is his slogan.
Mr. Holbrook's, announcement is a
zem for brovity, consisting of less than
50 words. If meminated and elected,
Mr. Holbrook in his announcement
says: "I will during my term of office
devote my entire time to the direction
of county affairs, as I have no business
affiliations which "would interfore in
any way. My lowe extractance as County any way. My long experience as County
Engineer and my record as County
Commissions guarantee a progressive
road programme as well as a conservative business administration."

Interest in Reads Strong.

Since Mr. Holbrook has been Commissioner the new Courthouse was completed, new buildings and other extensive improvements were made at Multpomah Farm and the interstate bridge was finished and placed in op-

charged by public nillities within such they alone, through the State Legislative, can bring that about.

Bedget System is Favored.

The mastrongly in favor of the budget and they alone in continuing the practice and believe in continuing the practice in the practice in the practice in the practice in the continuing the practice in the

lawyer, formally announced his can-didacy yesterday for joint State Sen-ator from Multinemah, Clackamas and Columbia countles and in the Republican primaries will oppose Hermon A.

Lewis, also of this county, who is a candidate to succeed himself.

Mr. Billich has resided in this city since 1889 and is president of the Multnomah Amateur Athletic Club. He was Assistant United States Attorney in 1904-5, and as a member of the House at the 1903 session of the Legislature introduced and secured the passage of the first law in Oregon Emifing the hours for women workers to 10. The time has since been reduced, but before that time there was no limitation to the hours women could be compelled to work. Mr. Eanks' bill proved the epening wedge in this class of legisla-

In announcing his candidacy. Mr.

### Our Boys in France and Home Protection

The men on the firing line represent the pick of our American youth. One m four of our boys at home was sick, rejected because of physical deficiency.

Many times the kidneys were to blame. If we wish to prevent old age coming on too soon, or if we want to increase our chances for a long life, Dr. Pierce of the Surgical Institute, Buffalo, N.Y., says that you should drink plenty of water daily between meals. Then prosure at your nearest drug store, Anuric ; double strength). This "An-u-ric" drives the tric acid out and cures backsche and rheumatism.

If we wish to keep our kidneys in the est condition a diet of milk and vegetables, with only little meat once a day, is the most suitable. Drink plenty of pure water, take Anuric three times a day for a month. Send Dr. Pierce ten cents for trial

package. "Anurie"-many times more potent than lithia, eliminates uric acid as hot water melte eugar. A short

MR RERCE JONES says: "Just a few lines in regard to Dr. Pierces's Augric Tablet which I took for kidney trouble. am glad to recommend them to everybody. I know that they are good or I would not recommend them. After taking a few bottles I saw that the swelling was going down so I continued their use I have quit taking them now and as ured—getting along fine and dandy. One old lady, 65 years old, to whom I see recommended Anuric says that it is ther good, took the swelling out of the same of th

of any party other than the one in which I am registered.

"If nominated and elected I will, during my term of office, give my loyal support to all legislation intended to strengthen and uphoid my Government in the present war. I will initiate and support measures to encourage ship-builders and manufacturing enterprises to the end that Oregon shall have additional and permanent industries and payrolls. I favor legislation for the protection of labor and legitimate business enterprise, and believe that workingmen and workingwomen are entitled to just and equitable compensation for their labor. I will foster legislation to reduce taxation, and will advocate strict economy in state-affairs."

"Domocracy the world over" is the slogan of Elmer E. Pettingell, a young lawyer of this city, who yesterday be-

County Commissioner Philo Hol-brook, Announces Candidacy for Second Term,

Since Mr. Holbrook has been Commissioner the new Courthouse was completed, new buildings and other extensive improvements were made at Multhomah Farm and the interstate bridge was finished and placed in operation. As a civil engineer and surveyer, Mr. Holbrook has been largely interested in securing for the county a graduated from the Oregon Law School in 1912 and has been a resident of this city for the last 2 years.

'I will support the National Governments and will work for such legislation as will promote the successful proceeding of the constructive read-building policy guillined and put into effect by Roadmaster John B. Yean.

'The question of consolidating the city and country governments is a big problem and requires legislative action, said Mr. Holbrook yesterday, "No matter how much the members of the Board of County Commissioners may favor such a consolidation, it is a matter over which they have absolutely ine jurisdiction. If it is found that such a werger can be brought about and insule a satisfactory administration of the public business, the people, and they alone, through the State Legislative.

Budget System is Favored.

The developments were made at multiple to the new contracts and franchise agreed in the public business, the people, and they alone, through the State Legislative.

Paul M. Long is another young law-for of this city who is seeking legislation.

Circuit Judge, Department No. 6. He positively will not be a candidate for "About the airplane matter. I'm fusicial honors at this time. Instead, Judge Littlefield yesterday announced that he had become associated with the law firm of Joseph & Haney, effective May 1. This association resulted from the temporary retirement from the firm of Mr. Haney to accept appointment as United States Attorney for Oregon.

AMEDICAN MANY FERMINATION "In this country there is today for all citizens but one real business, and that is to win the war. Everything else is the producers and labor the truth, and is to win the war. Everything else is the producers and labor the truth, and is to win the war. Everything else is the producers and labor the truth, and is to win the war. Everything else is the producers and labor the truth, and is to win the war. Everything else is the producers and labor the truth, and it is to win the war. Everything else is to win the war. Everything else is to win the war. Everything else is to win the war.

The Jackson Club will meet at Central Library Hall at 8 o'clock tomorrow hight. The speakers will include A. P. Dodson and Colonel Robert A. Miller. The musical programme will be under the direction of Miss L. E. Botten, planist. A full attendance of the club members is requested.

Believing that the "interests of Oregou would be best conserved by the election of one or more women to the Legislature," 75 Multicomah County voters, including Democrats and Re-publicans, have signed a petition ask-ing Mrs. M. L. T. Hidden to become a candidate for the State Legislature.

Sacramento Answers Appeal.

SACRAMENTO, Cal. April 6 .- The Nation's appeal for money to finance its war operations was made to the people of Sacramento today in a song by a marching club of approximately 300 male vocalists. The club was said to be the first organization of its kind in the United States.

Men, half of the Navy's personnel when the nation entered the war just a year ago.

These hitherto carefully guarded facts were disclosed here by Secretary Daniels in an address at a celebration marking the opening of the third liberty leave carmaism.

## MAYOR HARLEY IS HOME FROM EAST

Additional Contracts for 150 Wooden Ships to Be Built Here Are Disbelieved.

#### COMMANDEER CLAUSE BAR

Policy of Shipping Board Declared to Be Fixed and All Talk of Changing It for Oregon's Benefit Considered as "Bunk."

Mayor F. C. Harley arrived in Portnd yesterday on his way to his home at Astoria, full of gossip about affairs In Washington, but chiefly declaring that he believes the war can be won in the air and that he wants to do his part toward walloping the Kaiser. Incidentally it may be hinted that Mayor Harley's mission to Washington had to do with the building of airplanes.

"The report that Oregon is to receive additional contracts for 150 ships may additional contracts for 150 ships may be taken with some reservation," said Mayor Harley at the Imperial Hotel yesterday. "There isn't anyone who would like to see 1000 ship contracts come to Gregon any more than your humble servant. Get me? But there are some things which can't be done. Government Holds to Policy.

People may as well bear this fact in ind," continued the Mayor of Astoria emphasizing his remarks by punctuat-ing each point with a jab of his walk-ing stick, "the American Government intends having, after the war, the intends having, after the war, the greatest merchant marine in the world. It does not intend waiving its stipulation that it may commandeer ships after they have been built on private account or for friendly foreign nations. And this is the milk in the cocoanut. The Government is determined to commandeer any wooden ship if it sees fit. mandeer any wooden ship if it sees fit.
No one wants to let a contract for a
ship and plan on using the vessel and
then, when the ship is ready for use,
to have the United States take it. That s why there are not more contracts for ships being let.

Wooden Ships in Demand.

"I understand on pretty good au-thority that the British government wanted to build wooden ships and the other allies and the Scandanavian countries want many wooden vessels of from 1500 to 2000 tons which can be used for trawlers, and similar service

There is no question of the demand for wooden ships, and Oregon would have an unlimited number of contracts if the Government would walve its

Secretary Daniels Makes Revelations at Loan Celebration.

CLEVELAND, April 6 .- A great fleet of American warships numbering more than 150 vessels, including, in addi-tion to the far-famed destroyers, bat-

reckoned in the total and doing duty on air patrol and at the supply sta-tions ashore, are \$5,000 officers and men, half of the Navy's personnel when the nation entered the war just a

Mr. Daniels said that while he was not at liberty to tell the toll the fleet has taken of German submarines, the nation could "rest assured that our forces have inflicted telling losses upon

#### AMERICA'S SOUL UPLIFTED Secretary McAdoo Says Nation Will

Perform Her Duty.

PHILADELPHIA, Pa., April 6.— The soul of America is uplifted; she knows her dury and will not be afraid to perform it! exclaimed Secretary of the Treasury McAdoo at the conclusion of one of the four ringing addresses he made today in opening the liberty loan campaign in the Philadelphia Federal Reserve District.

Increased taxation to meet the ex-

Increased taxation to meet the ex-penses of the war was indicated by Secretary McAdoo in a speech at the dinner of the Five o'Clock Club tonight. He said that between the two con-tingencies, further loans and increased taxation, the country must expect both and that a steady balance must be pre-served so that all citizens shall share alike in the economic responsibilities

Forest Is Self-Supporting.

At least one Oregon National forest is self-supporting. The total receipts from Wallowa forest for the month of March amount to \$22,416.30, which sum is far in excess of the total allotment for that reserve for a year. Most of this money is obtained in return for the granting of grazing privileges. Wallowa forest is located in the north-eastern section of the state.

## Lend them a hand!

### These dependables depend on You!

O doubt about it you can depend on them. They have proved it. They are "going across" and "coming across" every day.

Can they depend on you? Yes! Prove it to them.

Buy Liberty Bonds of the Third Liberty Loan, -because you are a dependable American citizen-the kind your Uncle Sam counts on.

Buy Liberty Bonds because they are a dependable investment.

Every factory, every farm, every state, every city says to you, "We guarantee Liberty Bonds as safe as the United States."

Don't keep these boys waiting. They have no time to spare. They know they can depend on your help, but they want it now-today!

## Sick Headaches

Tells why everyone should drink hot water with phosphate In it before breakfast.

Headache of any kind is caused 1 auto-intoxication—which means self-poisoning. Liver and bowel poisons called toxins, sucked into the blood, through the lymph ducts, excite the heart which pumps the blood so fast that it congests in the smaller arteries and veins of the head producing vio-lent, throbbing pain and distress, called headach. You become nervous, de-spondent, sick, feverish and miserable, Judge Campbell today held your meals sour and almost nauscate you. Then you resort to acetanilide, aspirin or the bromides which temporarily relieve but do not rid the blood of these irritating toxins.

A glass of hot water with a teaspoon-ful of limestone phosphate in it, drank

### OLD PRESCRIPTION FOR WEAK KIDNEYS

Have you ever stopped to reason why it is that so many products that are extensively advertised all at once drop out of sight and are soon forgotten? The reason is plain—the article did not fulfil the promises of the manufacturer. This applies more particularly to a medicine. A medicinal preparation that has real curative value almost sells itself, as like an endiess chain system the remedy is recommended by those who have been benefited to those who are in need of it.

A prominent druggist says "Take for

A prominent druggist says "Take for example Dr. Kilmer's Swamp-Root, a preparation I have sold for many years and never hesitate to recommend, for in almost every case it shows excellent re-

almost every case it shows excellent results, as many of my customers testify. No other kidney remedy that I know of has so large a sale."

According to sworn statements and verified testimony of thousands who have used the preparation, the success of Dr. Kilmer's Swamp-Root is due to the fact that, so many people claim, it fulfils almost every wish in overcoming kidney, liver and bladder aliments, corrects urinary troubles and neutralizes the uric acid which causes rheumatism.

**Better Than Drugs** 

Electricity is the great
nerve energizer. Low vitality
is restored to normal by
strengthening the entire nervous
system. Electricity does this by aiding Nature. It increases blood circulation, brings in new nourishment, dissolves
clogged or congested conditions and strengthens
weakened nerves, organs and tissues.

clogged or cangested conditions and strengthens weakened nerves, organs and tissues.

Dr. Bell Electro-Appliances have long since been perfected to generate their own current for months without recharging (which we guarantee), so that you can take this inexpensive electric treatment in the privacy of your own home. It is cheaper than doctoring with drugs and far more effective. No dangerous poisons are introduced into your system. You can feel its soothing and health-giving glow: it works while you sleep, giving prompt, positive and permanent results. Thousands have scoured antisfaction even after all drugs had failed. It has cured others, why not you?
